## **Robert Owen Of New Lanark:**

**Robert Owen** Ian L. Donnachie,2000 The hagiography generated by his disciples did neither his name nor reputation much good since they transformed the Social Father of their movement into the Father of Socialism a sobriquet that ill fits him yet it sticks to this day Ian Donnachie s study is the first full biography of Owen for over fifty years **BOOK JACKET**

**Life and Last Days of Robert Owen, of New Lanark** George Jacob Holyoake,2020 [Life and Last Days of Robert Owen, of New Lanark](#) George Jacob Holyoake,1871 **Robert Owen of New Lanark** Margaret Cole,1971 **Life and last days of Robert Owen of New Lanark. ... Second edition** George Jacob HOLYOAKE,1859 [Robert Owen's Experiment at New Lanark](#) Ophélie Siméon,2017-10-16 This book provides an account of how in the years 1800 1825 enlightened entrepreneur and budding reformer Robert Owen used his cotton mill village of New Lanark Scotland as a test bed for a set of political intuitions which would later form the bedrock of early socialism in Britain Drawing from previously unpublished archival sources this study shows that New Lanark was not merely on the receiving end of Owen s innovative brand of industrial paternalism but also acted as a major source of inspiration for many aspects of his social system including his desire to remodel society along communitarian lines This book therefore reaffirms the centrality of New Lanark as the cradle of socialism in Britain and provides a contextualised social history of Owen s ideas tracing direct continuities between his early years as a paternalistic businessman and his later career as a radical political leader In doing so it eschews the myth of New Lanark as a unidimensional model village and addresses the ambiguities of Owen s journey from paternalism to socialism *Robert Owen and New Lanark* The Open University, This 12 hour free course explored the ideas of Robert Owen and a range of social issues he sought to address in the early 1800s *Robert Owen of New Lanark* ,1953 **Life and Last Days of Robert Owen, of New Lanark (Classic Reprint)** George Jacob Holyoake,2018-01-17 Excerpt from Life and Last Days of Robert Owen of New Lanark Looking down into the earth into which poor Robert Owen s coffin was thrust the words of the poet were never so applicable they have made him a grave too cold and damp For a soul so warm and true Of all who ever breathed the breath of life Robert Owen was the man of largest heart of head most wise continually throughout the course of a long life sedulously zealously thinkingly with ever open purse in hand generously devotedly intent on devising how best and soonest to mitigate the misery incidental to the destiny of man Col H Clinton About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Robert Owen and his Legacy** Chris Williams,Noel Thompson,2011-11-15 J F C Harrison has written that for each age

there is a new view of Mr Owen which is proof of the fertility and continuing relevance of his ideas Not just in Britain and America but today around the world anti poverty campaigners birth controllers collectivists communitarians co operators ecologists educationalists environmentalists feminists humanitarians internationalists paternalistic capitalists secularists campaigners for social justice trade unionists urban planners utopians welfare reformers can all find something to admire and inspire in the treasure trove that is the thought and actions of Robert Owen Owen was a creative genius of global significance a radical writer and activist of international reputation and reach who has inspired those seeking to change human society for the better The contributors to this volume include not only many of the recognized experts on the life work and legacy of Owen but also work from younger scholars or scholars coming to the field afresh The volume presents the most recent and original research on Owen Owen notoriously and impressively dabbled in many spheres and this is reflected in the its breadth of content The unifying themes are Owen s profile in his own time and the relevance of his ideas for the generations that followed His importance for educational and social philosophy for political economy and for the political theory of socialism are all discussed as are his contribution as a philanthropic employer his political activities and the specificities of his historical context Addresses at the Cotton Manufactory of New Lanark, Scotland, in 1818 ,1872

**Robert Owen** Robert A. Davis, Frank O'Hagan, 2014-10-23 This text offers a major reassessment of the life and thought of the distinguished 19th century industrial philanthropist and educational reformer Robert Owen In a period when Owen s radical new visions for learning and teaching adult and vocational pedagogy and social transformation are receiving fresh and global attention Robert Davis and Frank O Hagan place Owen s thought right at the heart of the Enlightenment advocacy of popular democratic mass education Tracing both the ancestry and the legacy of Owen s reforming spirit they also offer a critical appraisal of the relevance of his ideas for the development of education at all levels and stages in the challenging contexts of international 21st century education *The Life of Robert Owen* G. D. H. Cole, 2018-12-07 First published in 1925 Robert Owen was in the author s words that rarest of phenomena an utterly disinterested critic of a system by which he had himself risen to greatness and in studying his life this work reveals with a remarkable clarity the first phases of the Industrial Revolution crowded as it was with events changes ideas and characters This title will be of great interest to scholars and students of labour history **Robert Owen of New Lanark** Margaret Cole, 1973 Robert Owen at New Lanark Robert Dale Owen, 1972 *Memorial of Robert Owen of New Lanark in Scotland to the Allied Powers Assembled in Congress at Aix-la-Chapelle* Robert Owen, 1818 **Robert Owen and the Commencement of the Millennium** Edward Royle, 1998-07-15 Europe was swept by revolution in the period from 1789 to 1848 Britain alone of the major western powers seemed exempt from this revolutionary fervour The governing class attributed this exemption to divine providence and the soundness of the British Constitution This view has been upheld by historians for over a century This book provides students with an alternative view of the potential for revolution and the resources of conservatism in early industrial Britain which

challenges many of the common assumptions Incorporates quotations from primary sources to give the reader a critical sense of why revolution was taken seriously by people at the time Shows how the revolutionaries were defeated by the government s propaganda against revolutionary sentiments and the strength of popular conservatism      **Robert Owen, Prophet of the Poor** Sidney Pollard, John Salt, 1971 Why has Robert Owen continued to occupy the attention of historians in the twentieth century What changing significance has been seen in his work What was his relationship with the great social and political movements of his age To what extent was the Owenite message of importance outside Great Britain These and other questions are taken up in this study      *Robert Owen and the Owenites in Britain and America* John Harrison, 2009-11-26 Robert Owen and the Owenites were associated with the rise of an early industrial society in Britain and with the development of an agricultural frontier society in the United States during the first half of the nineteenth century This book originally published in 1969 was the first to use both British and American source material and tells the story of Robert Owen and the movement associated with his name from the standpoint of comparative social and intellectual history The book directs new light on Owenism and at the same time illuminates general problems of the history of social movements and social change in modern societies      Robert Owen at New Lanark Walter Lewin, 1890\*
