SELECTED READINGS Michael Z. Brooke, H. Lee Remmers, 1978

International Marketing Rajagopal, 2009-11-01 The Book Caters To Undergraduate And Graduate Students In Management Schools In India And Most Asian And Latin American Universities For Core Or Elective Paper And Will Also Prove Useful To Them As Practising Managers Since It Develops New Concepts Deriv *Selected Readings in International Trade and Tariff Problems (Classic Reprint)* F. W. Taussig, 2017-12

Excerpt from *Selected Readings in International Trade and Tariff Problems* The volume will suffice as the sole textbook or the sole required reading in a substantial university course on its subject It can be used however as supplementary reading where a single textbook of the usual type forms the backbone of the instruction While primarily for use in universities and colleges where emphasis may be expected to be given to the strictly economic aspects of the subject rather than to the business aspects the volume should prove useful also in courses given in business schools These latter too often are devoid of

any consideration of the economic principles and would be improved by a widening of their scope As the table of contents indicates the book is divided into three parts About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
