Selected Operas And Plays Of Gertrude Stein

Ulla E. Dydo, William Rice

Selected Operas And Plays Of Gertrude Stein:

Selected Operas and Plays of Gertrude Stein Gertrude Stein, 1970 Examines selected operas and plays from Gertrude Stein Selected Operas & Plays of Gertrude Stein Gertrude Stein, 1993 **Modernism and Opera** Richard Begam, Matthew Wilson Smith, 2016-11 A B C D E F G H I J K L M N O P Q R S T U V W X Y Z **Chicorel Theater Index to Plays in Anthologies, Periodicals, Discs, and Tapes** Marietta Chicorel, 1971 **Around the World in 21 Plays** Lowell Swortzell, 2000-02-01 A collection of plays by such authors as Moliere August Strindberg Langston Hughes Susan Zeder Wendy Kesselman and Laurence Yep Gertrude Stein Francesca Wade, 2025-10-07 Drawing on never before seen interviews a richly researched sweeping examination of one of the most influential and mythologized literary figures of the 20th century and her partner s emergence from the shadows after her death in the decades long fight to ensure her legacy Gertrude Stein s salon at 27 rue de Fleurus in the 6th arrondissement of Paris is the stuff of literary legend Many have tried to capture the spirit and glamour of the place that once entertained and fostered the likes of Ernest Hemingway F Scott and Zelda Fitzgerald Pablo Picasso and Henri Matisse but perhaps none as determinedly and self consciously as Stein herself In this new biography of the polarizing trailblazing author collector salonni re and tastemaker Francesca Wade rescues Stein from the tangle of contradictions that has characterized her legacy expertly presenting us with this towering literary figure as we ve never seen her before A genius to her admirers a charlatan to her detractors Stein achieved international celebrity in 1933 with her bestselling memoir *The Autobiography of Alice B Toklas* written in the voice of her devoted partner a triumph which ironically only drew attention away from the avant garde poetry she called her real writing After Stein s death in 1946 Alice B Toklas made it her mission to shepherd all of Stein s unpublished writing into print all the while negotiating her own fraught role in the complex mythology they had built together The biographers who flocked to Stein s newly opened archive found a surprising trove of secrets which would change Stein s image forever a forgotten novel a cache of love letters and a series of notebooks which shed entirely new light on her early years in Paris Pushing beyond the conventions of literary biography Gertrude Stein *An Afterlife* is a bold innovative examination of the nature of legacy and memory itself in which Wade uncovers the origins of Stein s radical writing and reveals new depths to the storied relationship that made it possible A captivating brilliant work of biography Gertrude Stein *An Afterlife* is a groundbreaking examination of a true literary giant

Encyclopedia of American Opera Ken Wlaschin, 2024-10-16 This encyclopedia lists describes and cross references everything to do with American opera works both operas and operettas composers librettists singers and source authors along with relevant recordings The approximately 1 750 entries range from ballad operas and composers of the 18th century to modern minimalists and video opera artists Each opera entry consists of plot history premiere and cast followed by a chronological listing of recordings movies and videos **The Routledge Encyclopedia of Jewish Writers of the Twentieth Century** Sorrel Kerbel, 2004-11-23 Now available in paperback for the first time Jewish Writers of the Twentieth

Century is both a comprehensive reference resource and a springboard for further study This volume examines canonical Jewish writers less well known authors of Yiddish and Hebrew and emerging Israeli writers includes entries on figures as diverse as Marcel Proust Franz Kafka Tristan Tzara Eugene Ionesco Harold Pinter Tom Stoppard Arthur Miller Saul Bellow Nadine Gordimer and Woody Allen contains introductory essays on Jewish American writing Holocaust literature and memoirs Yiddish writing and Anglo Jewish literature provides a chronology of twentieth century Jewish writers Compiled by expert contributors this book contains over 330 entries on individual authors each consisting of a biography a list of selected publications a scholarly essay on their work and suggestions for further reading

Gertrude Stein: The Language That Rises Ulla E. Dydo, William Rice, 2008-12-19 The definitive book on Gertrude Stein Opera Production II Quaintance Eaton, 2009-06 Opera Production II was first published in 1974 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions For the world of opera this is an indispensable basic reference work which provides essential information about more than 350 operas Producers singers directors students orchestras and audiences will find useful concise information in this handbook a sequel to the author's earlier book Opera Production I A Handbook which contains similar information about more than 500 other operas While the first volume concentrates on more familiar operas this book is devoted principally to lesser known works both old and new including many as yet unperformed contemporary operas The details given about each opera are those needed to assess the production requirements for a given work the number and importance of settings size of orchestra chorus and ballet number of singers their relative importance and individual requirements vocal and acting demands of performers including vocal ranges in most cases plot synopsis and brief historical material to anchor the reader in the necessary knowledge of the period and source of the libretto The information is compressed into capsule form so that anyone using the book can tell at a glance the suitability of a work to the particular facilities talents or tastes of an opera company or its public In addition to the reference material there is a chapter Production Problems in Handel's Opera by Randolph Mickelson a helpful feature since nine of Handel's operas are included and they are apt to pose special production problems

A Critical Introduction to Twentieth-Century American Drama: Volume 1, 1900-1940 C. W. E. Bigsby, 1982-07-29 Eugene O'Neill Clifford Odets Left wing theatre Black drama Thornton Wilder Lillian Hellman Luigi Pirandello Arthur Miller

The Routledge Companion to Studio Performance Practice Franc Chamberlain, Bernadette Sweeney, 2021-11-29 The Routledge Companion to Studio Performance Practice is a unique indispensable guide to the training methods of the world's key theatre practitioners Compiling the practical work outlined in the popular Routledge Performance Practitioners series of guidebooks each set of exercises has been edited and contextualised by an expert in that particular approach Each chapter provides a taster of one practitioner's work answering the same key questions How did this artist work How can I begin to put my understanding of this to practical use Newly written chapter introductions put the

exercises in context explaining how they fit into the wider methods and philosophy of the practitioner in question All 21 volumes in the original series are represented in this volume The Routledge Companion to Performance Practitioners Franc Chamberlain, Bernadette Sweeney, 2020-08-16 The Routledge Companion to Performance Practitioners collects the outstanding biographical and production overviews of key theatre practitioners first featured in the popular Routledge Performance Practitioners series of guidebooks Each of the chapters is written by an expert on a particular figure from Stanislavsky and Brecht to Laban and Decroux and places their work in its social and historical context Summaries and analyses of their key productions indicate how each practitioner's theoretical approaches to performance and the performer were manifested in practice All 22 practitioners from the original series are represented with this volume covering those born after 1915 This is the definitive first step for students scholars and practitioners hoping to acquaint themselves with the leading names in performance or deepen their knowledge of these seminal figures A Concise Companion to Postwar American Literature and Culture Josephine Hendin, 2008-04-15 This Concise Companion is a guide to the creative output of the United States in the postwar period in its diverse energies shapes and forms Embraces diversity covering Vietnam literature gay and lesbian literature American Jewish fiction Italian American literature Irish American writing emergent ethnic literatures African American writing jazz film drama and more Shows how different genres and approaches opened up creative possibilities and interacted in the postwar period Portrays the postwar United States split by differences of wealth and position by ethnicity and race and by agendas of left and right but united in the intensity of its creative drive

Gertrude Stein's Theatre Mary Irwin Bainum, 1981 **Narratives of Nostalgia, Gender, and Nationalism** Jean Pickering, Suzanne Kehde, 1996 Most Americans think of Betsy Ross as she was depicted in Charles Weisberger's popular painting *The Birth of Our Nation's Flag* a motherly figure sewing at the hearth In fact as Jo Ann Menezes's analysis in *Nostalgia Gender and Nationalism* points out Ross was a widowed businesswoman who ran an upholstery shop out of her house In Weisberger's painting all signs of economic industry are erased and Ross's house is transformed into a home rather than the site of cottage industry Ross is constructed as the perfect heroic mother worthy of sacred creation thus our flag was born Ross's transformation into an icon neatly illustrates the conjunction of soaring nationalism and the establishment of woman as a fixed domestic presence and serves as an excellent example of the master narratives revealed in *Nostalgia Gender and Nationalism* The essays in this provocative anthology explore the connections between nation and gender and the ways in which nostalgia functions to bind these two presumably unrelated constructions together Collectively they suggest that women pay a special fee on behalf of the nation even though it is traditionally represented as an honorarium given to them and that in fact the nation state takes as a foundational principle the subordination of women **The Mind of the Novel** Bruce F. Kavin, 2006 From *Moby Dick* to *The Unnamable* from *A Tale of a Tub* to *The Book of Questions* Bruce Kavin explores the nature of self-conscious fiction and compares its structure to that of human consciousness Focusing on texts that

confront their own limits by trying to name the unnamable the ineffable self Kawin draws on methods from literary criticism to systems theory to explain a variety of first person works that dance around the ungraspable subject **Public Library Catalog** ,1972 **Stories** Doris Lessing,2010-02-10 This major collection contains all of Doris Lessing s short fiction other than the stories set in Africa from the beginning of her career until now Set in London Paris the south of France the English countryside these thirty five stories reflect the themes that have always characterized Lessing s work the bedrock realities of marriage and other relationships between men and women the crisis of the individual whose very psyche is threatened by a society unattuned to its own most dangerous qualities the fate of women *Making Noise, Making News* Mary Chapman,2014 For most people the U S suffrage campaign is encapsulated by images of iconic nineteenth century orators like the tightly coifed Susan B Anthony or the wimpled Elizabeth Cady Stanton However as Mary Chapman shows the campaign to secure the vote for U S women was also a modern and print cultural phenomenon waged with humor creativity and style *Making Noise Making News* also understands modern suffragist print culture as a demonstrable link between the Progressive Era s political campaign for a voice in the public sphere and Modernism s aesthetic efforts to re imagine literary voice Chapman charts a relationship between modern suffragist print cultural noise and what literary modernists understood by making it new asserting that the experimental tactics of U S suffrage print culture contributed to and even anticipated the formal innovations of U S literary modernism Drawing on little known archives and featuring over twenty illustrations *Making Noise Making News* provides startling documentation of Marianne Moore s closeted career as a suffrage propagandist the persuasive effects of Alice Duer Miller s popular poetry column Asian American author Sui Sin Far s challenge to the racism and classism of modern suffragism and Gertrude Stein s midcentury acknowledgement of intersections between suffrage discourse and literary modernism
