from Capone to Gotti and beyond Written by acclaimed expert author and reporter of all things Mafia in his weekly online column Gang Land ganglandnews.com **The Mafia's Greatest Hits** David H. Jacobs,2025-10-28 A true crime Mafia classic this homicide hall of fame is loaded with thrilling graphically detailed accounts of the greatest outlandish and brazen executions only the Mob would ever dare to pull off No one will ever truly know how many gangland executions the Mob has taken out over the years But for all the wise guys buried in obscurity the Mafia s sordid history shines bright with this rogues gallery of celebrated star making murders including Joey Gallo killed in Umberto s Clam House Little Italy 1975 Abe Reles the Murder Inc stool pigeon who was tossed out of a hotel window in Coney Island in 1941 Albert Anastasia cut down in a barber s chair in 1957 Carmine Galante killed in a hail of bullets as he finished lunch in a Brooklyn restaurant in 1977 Joe The Boss Masseria whacked in a Coney Island restaurant in 1933 Big Paul Castellano gunned down in front of Sparks Steak House in 1985 Welcome to the best of Murder Mayhem Inc Bringing Down the Mob Thomas Reppetto,2006-10-31 The sequel to American Mafia chronicles the fifty year attack by the federal government that virtually extinguished the nation s most powerful crime syndicate In the critically acclaimed American Mafia Thomas Reppetto narrated the ferocious ascendancy of organized crime in America In this fascinating sequel he follows the mob from its peak into a shadowy period of decline as the government no longer able to deny its existence made subduing the Mafia a matter of national priority Reppetto draws on a lifetime of field experience to tell the stories of the Mafia s twentieth century leadership showing how men such as Sam Giancana and John Gotti became household names Crusaders like Robert Kennedy led concerted if sometimes sporadic attacks against organized crime As the battles between the feds and the Mafia moved from the streets to the courtrooms Reppetto describes how it came to resemble a conflict between sovereign powers In direct shoot from the hip prose Reppetto chronicles a turning point in American Mafia history and offers the provocative theory that given the right formula of connections and shrewd business a new generation of multinational criminals may be poised to take up the Mafia s mantle Reppetto is one of the rare commentators on the contemporary Mafia who has been able to view the Mob s power grabs and struggles from the inside an exhaustive and fascinating study Booklist **Congressional Record** United States. Congress,1967 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 The Black Book and the Mob Ronald Farrell,Carole Case,1995-09-01 A tale of good and evil of corruption and deceit of prejudice politics and power this compelling account scrutinizes the immensely lucrative Nevada gambling industry s struggle to maintain legitimacy or at least the appearance of it Ronald A Farrell and Carole Case tell how state regulators created the Black Book in the 1960s a list of notorious and unsavory persons banned forever from owning managing or even entering casinos in the state The

regulators dramatically pursued and publicly denounced former lieutenants of Al Capone alleged overlords of the American Mafia nationally known professional gamblers and major casino owners as well as small time bookies and hoods reputed sports fixers and gambling cheats To date thirty eight names have been entered in the Black Book including Sam Giancana Anthony Spilotro and Frank Lefty Rosenthal Farrell and Case contend however that the denunciations were a melodrama meant to show that the government was cleansing the city of corruption Through the Black Book the regulators focus public attention on the Mob rather than on a multitude of competing criminal interests already in the gaming industry The authors uncover evidence of ethnic discrimination by the regulators including selective prosecution of Italian Americans whose notoriety fit popular Mafia stereotypes The Black Book and the Mob records hearings of the regulatory commission and the voices of lawyers government officials casino owners and the people named in the Black Book itself This Las Vegas story is a rebuke to the gaming industry and a cautionary tale for many states and communities now weighing the legalization of casino gambling

Who Murdered Elvis? Stephen B. Ubaney, 2016-03-23 Grab your thinking as we probe every part of Presley's mysterious death FBI involvement and the sinister forces at work during the final days of his career We have been told all the lies for decades but now it's time to answer some very pointed questions Why were the first words out of Vernon Presley's mouth upon learning of his son's death my God they've murdered my son Why does Elvis Presley have two death certificates that contradict each other How could Elvis have passed two complete physical examinations the week before he died How could Codeine show up in his toxicology report when there was no sign of Anaphylaxis in his body Are we really expected to believe that the Investigator's photos and notes of the death scene were stolen from his car by coincidence Why has history ignored the 1990 television interview where Elvis doctor not only claimed that Elvis was murdered but named the murderer This book exposes the massive cover up that has kept the truth from being told to the public and will change the way you look at Elvis Presley's mysterious death forever This book will not disappoint you Can you handle the truth 108-2: House Report No. 108-414, Volume 2 of 2, 2004 **Everything Secret Degenerates** United States. Congress. House. Committee on Government Reform, 2004 The Cuban Connection Eduardo Sáenz Rovner, 2009-06-01 A comprehensive history of crime and corruption in Cuba The Cuban Connection challenges the common view that widespread poverty and geographic

proximity to the United States were the prime reasons for soaring rates of drug trafficking smuggling gambling and prostitution in the tumultuous decades preceding the Cuban revolution Eduardo Saenz Rovner argues that Cuba s historically well established integration into international migration commerce and transportation networks combined with political instability and rampant official corruption to help lay the foundation for the development of organized crime structures powerful enough to affect Cuba s domestic and foreign politics and its very identity as a nation Saenz traces the routes taken around the world by traffickers and smugglers After Cuba the most important player in this story is the United States The involvement of gangsters and corrupt U S officials and businessmen enabled prohibited substances to reach a strong market in the United States from rum running during Prohibition to increased demand for narcotics during the Cold War Originally published in Colombia in 2005 this first English language edition has been revised and updated by the author United States Congressional Serial Set, Serial No. 14913, House Report No. 414, Everything Secret Degenerates, FBI's Use of Murderers as Informants, V. 2 ,
