BERHATIAH Master Ahmed Al-Buni ,2010-01-01 In the Arabic literature there is the Barhatiah conjuration The conjuration got its name from the first sacred name in its list of names Their fame is where any similarity between them ends The Lesser Banishing Ritual of the Pentagram LBRP ritual is a known quantity with a well defined and specific purpose with a clear historical origin it is easily translatable contains mainstream religious names and symbolism and is suited for beginners in Golden Dawn inspired occultism The Barhatiah is a conjuration that is shrouded in myth of unknown origin it has a multitude of variations has names that have yet to be properly translated over the span of 800 years and is useful for a multitude of purposes with promised great effectiveness

The Enchanted Kiss Wolfgang Waldmann, The ancient garden of Rosenhof Castle slumbered beneath a canopy of silver moonlight its weathered stone paths winding between overgrown hedges that had once been meticulously maintained Elara Nightingale pulled her woolen cloak tighter against the autumn chill as she stepped through the wrought iron gate her heart racing with equal parts excitement and trepidation The letter in her pocket written in elegant script on parchment that seemed to shimmer with its own inner light had arrived three days ago with no explanation of its origin Come to the garden at the stroke of midnight on the night of the harvest moon it had read Your destiny awaits among the roses As the village s herbalist and keeper of old remedies Elara was no stranger to the whispered tales of magic that surrounded the abandoned castle The locals spoke in hushed tones of lights that danced in the empty windows and strange melodies that drifted on the wind Most dismissed these as mere superstition but Elara had always felt a peculiar pull toward the mysterious estate that crowned the hill overlooking their small German village The garden stretched before her like something from a fairy tale wild roses climbing the crumbling walls in defiant beauty Moonbeams filtered through the leaves casting dancing shadows that seemed almost alive At the center of the garden stood a marble fountain dry for decades but still graceful in its decay adorned with carved cherubs whose faces seemed to watch her with knowing smiles A rustle in the bushes made her freeze From the shadows emerged a figure that took her breath away a man perhaps thirty years of age with dark hair that caught the moonlight and eyes that seemed to hold depths she could not fathom He moved with fluid grace as if he belonged to the night itself and when he smiled Elara felt something stir in her heart that she had never experienced before
