Magic From The Mountain:

America's Magic Mountain Curtis White,2004 Filled with many compelling outrageous and comic voices White s novel is disturbing charming and biting Curtis White s new novel begins with Mann s unassuming young man Hans Castorp visiting his cousin at a health retreat In this book though the retreat is a spa for recovering alcoholics totally unlike all other rehab centres Rather than encouraging their patients to free themselves from addiction the directors of The Elixir believe that sobriety isn t for everyone that you must let alcohol work its way on you It is about a weird and unlikely world that nevertheless is quite recognisable as our own **Thomas Mann's The Magic Mountain** Rodney Symington,2011-09-22

Thomas Mann s novel The Magic Mountain presents a panorama of European society in the first two decades of the 20th century and depicts the philosophical and metaphysical dilemmas facing people in the modern age In the years leading up to the First World War the fundamental elements of human nature were thrown into sharp relief by the political tensions that resulted in the ultimate metaphor for the innate destructiveness of humankind the War itself If such a war is the true expression of human tendencies what hope is there for the future Through the figure of the main character of the novel Thomas Mann explores the alternative philosophies of life available to human beings in the modern age and invites the reader to undertake a personal odyssey of discovery with a view to adopting a positive approach in an era that seems to offer no clear cut answers This book is a comprehensive commentary on Thomas Mann s seminal novel one of the key literary artefacts of the 20th century The author has taken upon himself the task of explaining all the references and allusions contained in the novel and of providing readers who know little or no German with enough explanatory comment to enable them to understand the novel and extract the maximum reading pleasure from it **A study guide for Thomas Mann's "The Magic Mountain"** Gale, Cengage Learning,2015-03-13 A study guide for Thomas Mann s The Magic Mountain
