**Bacon Versus Shakespeare** George Seibel, 2017-11-26 Excerpt from Bacon Versus Shakespeare Who Wrote the Plays As Aristotle could take to pieces all the achievements of the human race like some surgeon in the dissecting room so Shakespeare like a great architect builded of dreams and passions those lofty temples and towers of poetry which the tempests of time and the revolutions of history have not bereft of their grace and grandeur About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Bacon and Shakespeare** Albert F. Calvert, 2016-08-20 To anticipate for this little book that it may prove the means of convincing a single Baconian of the error of his ways would be to express a hope that has only the faintest chance of realisation Baconianism is so wilful and so obstinate that it is not amenable to any treatment that has yet been invented It has its root in an entire misconception of the character and temperament of the man Bacon it is nourished on the grossest misrepresentation of the man Shakespeare that the memory of an author has ever been subjected to So long as the fallacy backed up by specious argument was confined to the consideration of the mighty few it was scarcely necessary to enter into the lists with the Baconian champions but the new and energetic move which is now being made to cast down Shakespeare from the topmost pinnacle in the temple of fame and to set up the figure of Bacon in his stead has had the result of bringing the subject once more into public view In the circumstances the publication of the following summary of the evidence may be found not inopportune It may not effect a cure in the case of confirmed Baconians but I have a modest hope that it will enable the unprejudiced inquirer to be on his guard against the hallucination The Baconians have woven a cunning mesh of fact and fable to entangle the mind of the unwary the task I have set myself is to review the premises test the arguments and combat the conclusions upon which Bacon's pretensions to the authorship of Shakespeare's plays is alleged to rest and to explain the reasons that we hold for ascribing the authorship of the Plays to Shakespeare
