Reality Fundamental Topics In Metaphysics:

Reality Peter Loftson, 2001-01-01 Explores some of the major topics in metaphysics such as essence existence substance purpose space time mind causality God freedom and the possibilities of immortality An excellent companion to metaphysical studies

Reality Peter Loftson, 2001 In this compelling work Peter Loftson provides an accessible exploration of the major topics in metaphysics He considers problems such as essence existence substance purpose space time mind causality God freedom and the possibilities of immortality In addition he looks at the major historical metaphysical systems and defends the metaphysical project as a whole The book offers both historical and contemporary perspectives and includes Loftson's lucid arguments in which he propounds a naturalist and common sense view of the world Loftson defends the ineliminability and the logical or categorical mutual irreducibility of individual substances he advocates an empiricist view of space but a rationalist view of time and he presents a treatment of possible worlds that limits them to cases with only actual members In a special contribution he explores the idea of metaphysical luck which leads to puzzling and significant results Replete with historical references explanations of terminology and directional signposts the book provides an excellent companion to metaphysical studies filling a gap for scholars and specialists in this field

Reality Peter Loftson, 2010-10-27 In *Reality Fundamental Topics in Metaphysics* Peter Loftson argues for a conception of metaphysics as the most general or comprehensive method of inquiry Working from a broadly analytic and naturalist perspective he confronts positions that claim metaphysics to be impossible as advanced in ancient Kantian post Kantian and contemporary philosophy showing them to be unsuccessful He draws the topics of his selective investigation of metaphysics partly from the work of Kant whom he conceives as a primary guide to what metaphysical enquiry seeks to know Loftson provides accounts of basic categories of what is real and outlines major historical metaphysical systems He then goes on to explore aspects of existence essence substance universals space time causality mind freedom and other topics This important contribution to metaphysics offers both sustained arguments on all aspects of the subject and important insights into the major metaphysical systems from the history of philosophy

First Philosophy III: God, Mind, and Freedom - Second Edition Andrew Bailey, 2011-07-08 *First Philosophy* God Mind and Freedom brings together classic and ground breaking readings on metaphysics the philosophy of mind and the philosophy of religion Andrew Bailey's highly regarded introductory anthology has been revised and updated in this new edition The comprehensive introductory material for each chapter and selection remains and new sections on philosophical puzzles and paradoxes and philosophical terminology have been added New to this edition are readings from Alvin Plantinga Frank Jackson David Chalmers A J Ayer Bernard Williams and Thomas Nagel

Reality Making Mark Jago, 2016-02-12 What makes up reality and how What kinds of entity are fundamental to reality and how do dependent entities depend on the fundamental ones How does one entity metaphysically ground another These questions are central to contemporary metaphysics The papers in this collection written by a new generation of metaphysicians address these and

related questions They investigate the metaphysical concepts of grounding and fundamentality and the relationship between the fundamental and all the other parts of reality Together these papers represent the cutting edge of a central topic in contemporary metaphysics

Chasing Reality Mario Bunge, Professor Mario Bunge, 2006-01-01 Dealing with the controversies over the reality of the external world this work offers a defense of realism a critique of various forms of contemporary anti realism and a sketch of the author s version of realism namely hylorealism It examines the main varieties of antirealism and argues that all of these in fact hinder scientific research

The Atheist's Primer Malcolm Murray, 2010-04-06 The Atheist's Primer is a concise but wide ranging introduction to a variety of arguments concepts and issues pertaining to belief in God In lucid and engaging prose Malcom Murray offers a penetrating yet fair minded critique of the traditional arguments for the existence of God He then explores a number of other important issues relevant to religious belief such as the problem of suffering and the relationship between religion and morality in each case arguing that atheism is preferable to theism The book will appeal to both students and professionals in the philosophy of religion as well as general audiences interested in the topic

Freedom, Nature, and World Peter Loftson, 2008-01-31 Freedom Nature and World is a collection of essays by Peter Loftson which examine issues posed by a broadly naturalistic view of the world which Loftson defends while also exploring some of the challenges it confronts Papers on freedom Kant Christianity Homer the history of analytic philosophy the place of humanity in nature and other topics are brought together within a synoptically naturalistic purview All the essays rest on and in some cases extend that synoptic perspective which seeks to encompass both a scientific understanding of humankind in the natural world and the complexities of free rational agency within our cultural and historical settings

An Essay on Ontology Joseph Kaipayil, 2008

Russell vs. Meinong Nicholas Griffin, Dale Jacquette, 2008-11-19 A century after On Denoting was published the debate it initiated continues to rage On the one hand there is a mass of new historical scholarship about both Russell and Meinong which has not circulated very far beyond specialist scholars On the other hand there are continuing problems and controversies concerning contemporary Russellian and Meinongian theories many of them involving issues that simply did not occur to the original protagonists This work provides an overview of the latest historical scholarship on the two philosophers as well as detailed accounts of some of the problems facing the current incarnations of their theories

Mystery 101 Richard H. Jones, 2018-02-15 Offering readers much to ponder Richard H Jones approaches the big questions of philosophy such as the nature of reality consciousness free will the existence of God and the meaning of life not by weighing the merits of leading arguments in these debates but instead by questioning the extent to which we are even in a position to answer such questions in the first place Regardless of continuous technical and even groundbreaking advances in knowledge there will always be gaps in what we can fully understand Distinguishing true mysteries from problems yet to be solved but within the scope of our intellectual grasp Jones provides a penetrating and high level overview of the scope and limits of scientific and philosophical inquiry
