

The background of the image is a dark, atmospheric landscape. It features a winding road that leads into the distance, flanked by dark, silhouetted hills and mountains. The sky is a deep, dark blue or black, filled with numerous small, bright stars, suggesting a clear night sky. The overall mood is serene and contemplative.

Receive All God Has To Give:

To Walk in Forgiveness You Must Walk in Forgiveness Marvin L. Ward, 2009-10-14 I have spent many a year and shed many a tear over bitterness in my life time including experiencing the condemnation it brings I grew up feeling very rejected in life As a result I developed a very low self esteem of life My biggest argument was always But I know how I feel when someone would try to offer me counsel Our personal feelings are very real but very false I had to learn the truth of God's word of who I really am Please read this book and allow the Holy Spirit to guide you to your freedom in Christ from the emotions you fight with every day The second part deals with bitterness we could not avoid and that we need to deal with this bitterness with forgiveness as well

As a Child: God's Call to Littleness Phil Steer, 2012-04-22 Beautifully written and produced Packed full of thought provoking truths A good devotional read or for anyone with a busy schedule Part serialised in Quiet Spaces the prayer and spirituality journal from BRF Jesus said I tell you the truth unless you change and become like little children These are radical words potentially life changing words Yet how many of us truly believe that we need to become like little children What might be the implications for our life and faith As a Child is an exploration of this call to childlikeness this call to littleness a call made not to children but to adults not to those who are naturally childlike but to those who have grown out of their childlike nature It is a book for all who desire to grow in their faith to enter into all that God has for us to live the life God wants us to live and to be the people God wants us to be For all are willing to respond to Jesus call and become like a little child

Live Hope Minute Mark Smeby, 2017-12-12 Become a champion of hope As we see chaos in the world around us we want to have hope But what is hope and where does it come from Hope is more than simple optimism that things get better or a finger crossed wishing that things go our way Live Hope Minute explores the life transforming concept of true hope and how to keep a godly perspective in our current circumstances Through these short inspiring devotions Your hope will become grounded in unshakeable faith Your life will become marked by love that you cannot help but give away Your vision will grow and keep you moving toward God and his plan for your life When you discover true hope you will find you are building your house on the rock that will not move Regardless of the storms and challenges you face you can demonstrate to those around you that life is more than just what we can see or feel Be amazed at the power and comfort God's hope can offer

The Life That Wins Watchman Nee, 2009-09-16 Do you know the life that wins Are you ashamed of the kind of Christian life you live Have you failed so terribly in your striving for victory that you cry out Wretched man that I am who shall deliver me Rom 7:24 Be assured that your salvation is at hand thank God through Jesus Christ our Lord v 25 For the life that wins is not attained but obtained It is not a life changed but rather a life exchanged It is not suppression only expression It is frankly not in you

yourself because it is in Christ who lives in you The life which God gives and you receive at the time you believe in His Son Jesus Christ is such a life It is a life that overcomes sin provides intimate communion with God and is full of satisfaction and power It is already in you waiting to be explored by you The secret towards experiencing its power is to let go of yourself and let Christ live instead of you This requires a childlike faith Then shall you more than conquer through Him who loves you In order to help believers into enjoying this life that wins Watchman Nee delivered a series of messages on this subject at a conference held in Shanghai China in the months of September and October 1935 He dealt with the full range of this important subject in his usual thoroughness yet simplicity and directness At that conference the author began with the believer s personal experience which shamefully is much less than desired Then by contrast he described the kind of Christian life as ordained by God Next he dealt with the nature of this life that wins before he showed the way of entering into it In more detail he treated the matters of yielding and believing which are the conditions for crossing the threshold of victory But the author of these messages then warned his audience of the testing of faith which must follow He exhorted believers to grow in the grace of Jesus Christ He stressed also the need for having the note of triumph which is praise And finally he concluded with the first and last act after victory which is consecration These messages are now being translated from the Chinese for the first time and presented to the readers in book form May the Lord of glory be glorified through His life being lived out in His own

Receiver, Bearer, and Giver of God's Spirit Leopoldo A. Sanchez, 2015-03-27 What difference does the Spirit make in the life of Jesus and in our lives Answering that question without doing away with the divine dignity of Christ has been a challenge in the distant and recent past But this need not be the case The current work is a contribution to the growing field of Spirit Christology which seeks to enrich the classic Logos Christology of the ecumenical Councils with a Spirit oriented trajectory Sanchez tests the productivity of a Spirit Christology as a theological lens for assessing the main events of Jesus life and mission accounts of the atonement the significance of the incarnation the concepts of person and relation and models of the Trinity Seeing Christ as the privileged locus of the Spirit also has implications for the church s life in the Spirit Sanchez shows how a Spirit Christology fosters Christian practices such as proclamation prayer and sanctification Among the highlights of this work the reader will note the author s assessment of early church fathers readings of the place of the Spirit in the anointing of Jesus a constructive proposal towards the complementarity of Logos and Spirit Christologies ecumenical engagement with various theological traditions in the East and the West and the first constructive assessment of the field informed by the Lutheran tradition
