God and Reason Mitchell E. Buchta, 2021-06-14 While we cannot prove the

existence of a Spiritual Being such as God with a mathematical kind of precision, we can have reason enough to be able to confidently say: The existence of a Judeo-Christian God has internal consistency and is according to reason. This book prepares Christians to give cogent reasons for the God of the Bible. For the non-Christian wondering about Jesus and why He came, this book is evangelistic in that it gives the curious person real reasons why the Christian Faith can be believed.

God's Prescription For Healing Eriq T. Harris, 2018-05-17 Are you fighting a battle for your health? Are you standing in faith to see a loved one healed? Healing is available for you today. **Cast Your Bread** Warren Ravenscroft, 2016-08-22 As this is the fourth book in the series *Cast Your Bread*, the author has once again, under the guidance of the Holy Spirit, brought significant detail to the devotions and Bible studies shared in this edition. Again, it is easy to read the material with a depth of insight for those who choose to mine the depths of God's Word. While the devotional talks take you on some wide and varied subjects, all relevant Bible references have been given to make these articles easy to follow and to be able to readily find and follow through the messages given and shared. As you delve more into the Word of God seeking understanding, the astute student will be rewarded with much insight about truth, and as we know, it is only the truth that sets us free. The Bible studies are exactly that: with in-depth teaching that will probably require more than one sitting to fully comprehend the extensive work contained within these pages. Where possible, the author has blended several accounts of the gospels so the full and true picture can be gained. The last section has been gleaned from the

authors experience with the preparation of interesting Bible talks and messages to congregations who come under the ministry of the person who shares the truth of the Bible As you read and study all the pages contained within these covers may you be enriched beyond measure as you uncover the spiritual gems hidden in the mine of Gods Holy Word *The Spurgeon Series 1859 & 1860* Charles H. Is God for Real Chris

Leonard, 2012-05-04 There are moments in life when the everyday is touched by something more glorious than we usually encounter. The beauty of a summer dawn, the kindness of a stranger, the comfort of feeling held during a time of great personal difficulty, perhaps an experience like this has got us wondering. Perhaps it has got us thinking about God. Is God for Real is the question many struggle with. So Chris Leonard spoke to people from all kinds of backgrounds and asked them to explain how their relationship with God works out in practice during crises, but mainly in normal everyday life. The stories she has gathered together of real personal experience will be an encouragement to us whether we have known God for many years or are just feeling our way to a trusting relationship with him.
