Angry White Men Michael Kimmel,2013-11-05 We can t come off as a bunch of angry white men Robert Bennett chairman of the Ohio Republican Party One of the enduring legacies of the 2012 Presidential campaign was the demise of the white American male voter as a dominant force in the political landscape On election night after Obama was announced the winner a distressed Bill O Reilly lamented that he didn t live in a traditional America anymore He was joined by others who bellowed their grief on the talk radio airwaves the traditional redoubt of angry white men Why were they so angry Sociologist Michael Kimmel one of the leading writers on men and masculinity in the world today has spent hundreds of hours in the company of America s angry white men from white supremacists to men s rights activists to young students in pursuit of an answer **Angry White Men** presents a comprehensive diagnosis of their fears anxieties and rage Kimmel locates this increase in anger in the seismic economic social and political shifts that have so transformed the American landscape Downward mobility increased racial and gender equality and a tenacious clinging to an anachronistic ideology of masculinity has left many men feeling betrayed and bewildered Raised to expect unparalleled social and economic privilege white men are suffering today from what Kimmel calls aggrieved entitlement a sense that those benefits that white men believed were their due have been snatched away from them **Angry White Men** discusses among others the sons of small town America scarred by underemployment and wage stagnation When America s white men feel they ve lived their lives the right way worked hard and stayed out of trouble and still do not get economic rewards then they have to blame somebody else Even more terrifying is the phenomenon of angry young boys School shootings in the United States are not just the work of misguided youth or troubled teens they re all committed by boys These alienated young men are transformed into mass murderers by a sense that using violence against others is their right The future of America is more inclusive and diverse The choice for angry white men is not whether or not they can stem the tide of history they cannot Their choice is whether or not they will be dragged kicking and screaming into that inevitable future or whether they will walk openly and honorably far happier and healthier incidentally alongside those they ve spent so long trying to exclude

COVID 19 almost every aspect of our day is mediated by these bright surfaces Whether it was ever the real villain in the first place or merely a convenient proxy for unaddressed familial social and institutional failures screen time is now all the time Avidly Reads Screen Time is a funny insightful work of cultural criticism and history about how we define screens and how they now define us From Mad Men to iCarly Vine to FaceTime binge watching to doom scrolling Phillip Maciak leads us on a sometimes heartwarming sometimes harrowing tour of the media that brings us together and tears us apart
