Maigret And The Dossier:

Maigret and the Dossier Georges Simenon, 1973-01-01 *Maigret and the Tramp* Georges Simenon, 2019-07-16 A writer as comfortable with reality as with fiction with passion as with reason John Le Carr When a beggar is pulled from the River Seine having been badly beaten Inspector Maigret must investigate the man to uncover his attacker While sleeping under the Pont Marie bridge a homeless man known as Doc is viciously beaten and thrown into the River Seine to drown A pair of bargemen manage to rescue him and his identification reveals he was once a doctor in Mulhouse where coincidentally Inspector Maigret's sister in law lives Seizing on this connection Maigret must delve into the man's personal circumstances to figure out just who might have wanted him dead and why A fascinating fast paced story about the past lives we try to leave behind and the ways in which they return Maigret and the Tramp is a riveting mystery from Georges Simenon *Maigret and Monsieur Charles* Georges Simenon, 1975 **Maigret & the Dossier** Georges Simenon, 1973 **Maigret's World** Murielle Wenger, Stephen Trussel, 2017-08-07 Georges Simenon's 75 novels and 28 short stories that feature Chief Inspector Jules Maigret provide us with a great deal of information about the French police detective but only in small episodic doses As readers become acquainted with Maigret one detail at a time he slowly takes on a flesh and bone realism not merely a character in a story but someone we would like to meet in real life This book presents all the canonical facts and details about the detective and his world in one place presented with tabulations and analyses that enable a better understanding of the works and of Maigret himself **Investigating Simenon** Russell Campbell, 2022-10-04 For nearly a century the work of Belgian crime writer and psychological novelist Georges Simenon creator of Chief Inspector Maigret has captivated readers worldwide This investigation situates Simenon's work in its historical context and interprets it as a reaction to shifting gender relations in Western society Simenon's compelling narratives capture the anxieties of men whose patriarchal position was under threat in an era of insurgent feminist movements These concerns are also evident in Simenon's pervasive preoccupation with sexuality as well as his political stance that stems from his petit bourgeois upbringing This groundbreaking study includes interwoven commentary on all 191 novels Simenon published under his own name including several that have never been translated into English as well as a number of short stories and several pseudonymous works

Maigret and the Ghost Georges Simenon, 2003 Inspector Lognon a plain clothes detective with a reputation for misfortune is shot in the street with the word ghost on his lips It soon emerges that he spent the night in the nearby apartment of a beautiful young woman who has since vanished While the injured man fights for his life in hospital Chief Superintendent Maigret discovers that the hapless Inspector may finally have been on to something big And when he encounters suave art dealer Norris Jonker and his glamorous wife Mirella Maigret begins to wonder if their strange lifestyle is the reason for Lognon's presence on the Avenue Junot In *Maigret and the Ghost* Simenon's tenacious detective is perplexed by a constant stream of conflicting evidence as he explores the underground world of art collecting **Maigret**
