Native American Studies In Higher Education Models For Collaboration Between Universities And Indigenous Nations:

Native American Studies in Higher Education Duane Champagne, 2002 In this collection Champagne and Stauss demonstrate how the rise of Native studies in American and Canadian universities exists as an extraordinary achievement in higher education In the face of historically assimilationist agendas institutional racism and structural opposition by Western educational institutions collaborative programs continue to grow and promote the values and goals of sovereign tribal communities The contributors show how many departments grew significantly following the landmark 1969 Senate report Indian Education A National Tragedy A National Challenge They evaluate the university efforts to offer Native students intellectual and technical skills and the long battle to represent Native cultures and world views in the university curriculum In twelve case studies Indian and non Indian teachers provide rich contextual histories of their programs through three decades of growth They frankly discuss successes and failures as innovative strategies and models are tested Programs from University of California Davis Harvard Saskatchewan Arizona and others provide detailed analyses of academic battles over curriculum content the marginalization of indigenous faculty and students the pedagogical implications of integrating native instructors the vagaries of administrative support and funding Native student retention the vulnerability of native language programs and community collaborations A vision of Indian education that emerges from these pages that reveals the university's potential as a vehicle for Indian nation building one in which the university curriculum also benefits from sustained contacts with tribal communities As Native populations grow and the demand for university training increases this book will be a valuable resource for Native American leaders educators in Native American studies race and ethnic studies comparative education minorities in education anthropology sociology higher education administration and educational policy

Native American Studies in Higher Education Duane Champagne, 2002 Thirty three academics from the U S and Canada discuss the formation of American Indian studies programs in mainstream universities over the past 30 years Coverage includes the origination of the programs their relations with the Indian community financial and administrative relations with their university administration contributing factors to their successes and setbacks specific courses offered and the philosophy for Indian studies The 12 case studies detail several specific programs including Dartmouth U of California Davis UCLA Harvard U of Alaska Anchorage U of Minnesota Duluth and Twin Cities U of Oklahoma U of Arizona U of North Carolina Pembroke Trent U and Saskatchewan Indian Federated College Annotation copyrighted by Book News Inc Portland OR

Healing and Mental Health for Native Americans Ethan Nebelkopf, Mary Phillips, 2004-08-27 Substance abuse mental illness and violence are a self perpetuating vicious cycle in many Native American communities In this book the authors highlight the importance of eliminating health disparities and increasing the access of Native Americans to critical substance abuse and mental health services Dedicated educators researchers and clinicians in the Native community

demonstrate how practitioners can work within both the walls of western medicine and the circles of traditional healers and promote healing through changes in the way we treat our sick_spiritually traditionally ceremonially and scientifically_ whether in rural areas on reservations or in cities They emphasize the importance of non profit community based health organizations as nodes for community interaction and sources of mental health services for Native Americans in multi tribal multi ethnic and multi racial urban areas This excellent collection will be invaluable for medical and mental health professionals and the Native health community Encyclopedia of American Indian Issues Today Russell M. Lawson,2013-04-02 This essential reference examines the history culture and modern tribal concerns of American Indians in North America Despite the fact that 565 federally recognized tribes exist on the continent of North America non Native Americans typically know very little about the modern world of American Indians In a few instances the uneasy coexistence of the two cultures has served to create controversy such as fake Indians fraudulently leveraging ethnicity based benefits U S officials disposing of nuclear waste near reservations and sports clubs basing mascots on cultural stereotypes This unique survey scrutinizes the historical background as well as the contemporary issues of American Indian societies as both part of and completely separate from the world around them Encyclopedia of American Indian Issues Today features subjects commonly discussed including reservations poverty sovereignty the problem of solid waste on reservations and the lives of urban Indians among other contemporary issues Organized into ten sections the book also provides helpful sidebars and informative essays to address topics on casinos and gaming sexual identity education and poverty Native Americans in the School System Carol J. Ward,2005-07-19 Carol Ward examines persistent dropout rates among Native American youth which remain high despite overall increases in Native adult education attainment in the last twenty years Focusing on the experiences of the Northern Cheyenne nation she evaluates historical ethnographic and quantitative data to determine the causes of these educational failures and places this data in an economic political and cultural context She shows that the rate of failure in this community is the result of conflicting approaches to socializing youth the struggle between native capital and human capital development systems With high rates of unemployment poverty and school dropouts the Northern Cheyenne reservation provides some important lessons as Native Americans pursue greater educational success This volume will be of use to policy makers instructors of comparative education Native American studies sociology and anthropology

Drinking and Sobriety Among the Lakota Sioux Beatrice Medicine, 2007 Where previous studies have focused primarily upon drinking styles among Indian populations Beatrice Medicine develops an indigenous model for the analysis and control of alcohol abuse This new ethnography of the Lakota Standing Rock in North and South Dakota examines patterns of alcohol consumption and strategies by individuals to attain a new life style and achieve sobriety Medicine describes the ineffectiveness of treatments when researchers policy makers and health professionals do not use a

tribal specific approach to addiction She offers an indigenous perspective and understanding that should lead to improved approaches to treatment in mental health and alcohol abuse Her book is essential for medical anthropologists Native American studies researchers and health professionals concerned with Native American health issues and alcohol abuse

Student Affairs Lesley Andres,Finola Finlay,2005-05 Who has access to higher education today At what financial and personal cost Based on what conditions and criteria How do students describe and interpret their experiences And how can institutions facilitate and constrain successful participation and completion These research studies extend current understandings of what it is to be a student in higher education by embracing the dynamic relationship between students as agents and institutions as living structures which impact on their lives Focusing on the diverse experiences of today s non traditional and traditional students researchers explore how and why institutional rhetoric of inclusion engagement gender and access may or may not be reflected in the reality of students experiences Student Affairs moves from theory to application by suggesting realistic strategies for addressing the challenges surrounding the interrelation of students and institutions Each essay analyzes issues of access and participation in programs ranging from community college development studies to graduate studies As a whole this collection is a testament to how much institutional change has occurred in the social organization of postsecondary education and how much more change is required to meet the challenge of equitable access and inclusion

Ethnic Studies Research Timothy P. Fong,2008-05-02 Study of ethnic groups and race relations have always existed in the academy primarily in the areas of sociology and anthropology However grassroots movements for ethnic studies programs and departments came about with very different agendas for the study of these groups It is surprising then that relatively few books devoted to these methods exist to document and promote this innovation among succeeding generations of graduate students as well as current academics and professional practitioners Ethnic Studies Research synthesizes and benchmarks ethnic studies methodologies as interdisciplinary modes of inquiry providing state of the art summary chapters on key methods and issues extensive bibliographies and promising new directions for the future

Diverse Millennial Students in College Fred A. Bonner II,aretha f. marbley,Mary F. Howard-Hamilton,2023-07-03 While many institutions have developed policies to address the myriad needs of Millennial college students and their parents inherent in many of these initiatives is the underlying assumption that this student population is a homogeneous group This book is significant because it addresses and explores the characteristics and experiences of Millennials from an array of perspectives taking into account not only racial and ethnic identity but also cultural background sexual orientation and socioeconomic status differences all factors contributing to how these students interface with academe In providing a voice to voiceless populations of African American Asian American Bi Multi Racial Latino Native American and LGBT millennial college students this book engages with such questions as Does the term Millennial apply to these under represented students What role does technology pop culture sexual orientation and race politics play in the identity development for these

populations Do our current minority development theories apply to these groups And ultimately are higher education institutions prepared to meet both the cultural and developmental needs of diverse minority groups of Millennial college students This book is addressed primarily to college and university administrators and faculty members who seek greater depth and understanding of the issues associated with diverse Millennial college student populations This book informs readers about the ways in which this cohort differs from their majority counterparts to open a dialogue about how faculty members and administrators can meet their needs effectively both inside and outside the classroom It will also be of value to student affairs personnel students enrolled in graduate level courses in higher education and other social science courses that explore issues of college student development and diversity particularly students planning to work with diverse Millennial college students in both clinical or practical work settings Contributors Rosie Maria Banda Fred Bonner II Lonnie Booker Jr Brian Brayboy Mitchell Chang Andrea Domingue Tonya Driver Alonzo M Flowers Gwen Dungy Jami Grosser Kandace Hinton Mary Howard Hamilton Tom Jackson Jr Aretha F Marbley Samuel Museus Anna Ortiz Tammie Preston Cunningham Nana Osei Kofi Kristen Renn Petra Robinson Genyne Royal Victor Saenz Rose Anna Santos Mattyna Stephens Terrell Strayhorn Theresa Survillion Nancy Jean Tubbs Malia Villegas Stephanie J Waterman Nick Zuniga *Not Far Away* Lois Beardslee, 2007 In *Not Far Away* a semi fictional memoir Lois Beardslee gives a chilling account of racism particularly that leveled against Native women in language that is supple evocative often comical and always incisive Her fictional heroine the teacher Ima Pipiig pronounced buh BEEG endures humiliating insults from school administrators fellow teachers students and callous neighbors For years she suffers in silence believing that opposing bigotry would only fuel its caustic flames but then she begins to speak out Scattered among the chapters chronicling Ima s experiences are essays and speeches written by the author herself blurring the line between fiction and fact and creating a kind of resounding echo of resistance that is the author s response to racism

The Indian History of an American Institution Colin G. Calloway, 2010-07-31 Dartmouth College began life as an Indian school a pretense that has since been abandoned Still the institution has a unique if complicated relationship with Native Americans and their history Beginning with Samson Occom s role as the first development officer of the college Colin G Calloway tells the entire complex story of Dartmouth s historical and ongoing relationship with Native Americans Calloway recounts the struggles and achievements of Indian attendees and the history of Dartmouth alumni s involvements with American Indian affairs He also covers more recent developments such as the mascot controversies the emergence of an active Native American student organization and the partial fulfillment of a promise deferred This is a fascinating picture of an elite American institution and its troubled relationship at times compassionate at times conflicted with Indians and Native American culture

On Indian Ground Michelle M. Jacob, Stephany RunningHawk Johnson, 2019-11-01 *On Indian Ground* Northwest is the second of ten regionally focused texts that explores American Indian Alaska Native Native Hawaiian education in depth The text is designed to be used by

educators of Native youth and emphasizes best practices found throughout the region Previous texts on American Indian education make wide ranging general assumptions that all American Indians are alike This series promotes specific interventions and relies on Native ways of knowing to highlight place based educational practices On Indian Ground Northwest looks at the history of Indian education across the Pacific Northwest region Authors also analyze education policy and Tribal education departments to highlight early childhood education gifted and talented educational practice parental involvement language revitalization counseling and research These chapters expose cross cutting themes of sustainability historical bias economic development health and wellness and cultural competence
