Princess Kaiulani The Last Hope Of Hawaii's Monarchy:

Princess Ka'iulani of Hawaii Kristin Zambucka, 1998 *Princess Kaiulani* Kristin Zambucka, 1982 *Princess Kaiulani of Hawaii* Kristin Zambucka, 1998 **Who Owns the Crown Lands of Hawai'i?** Jon M. Van Dyke, 2007-12-31 The 1846 1848 Mahele division transformed the lands of Hawai'i from a shared value into private property but left many issues unresolved Kamehameha III agreed to the Mahele which divided all land among the monarch, the ali'i chiefs and the maka'inana commoners in the hopes of keeping the lands in Hawaiian hands even if a foreign power claimed sovereignty over the Islands The monarch's share was further divided into Government and Crown Lands the latter managed personally by the ruler until a court decision in 1864 and a statute passed in 1865 declared that they could no longer be bought or sold by the monarch and should be maintained intact for future monarchs After the illegal overthrow of the monarchy in 1893 Government and Crown Lands were joined together and after annexation in 1898 they were managed as a public trust by the United States At statehood in 1959 all but 373 720 acres of Government and Crown Lands were transferred to the State of Hawai'i The legal status of Crown Lands remains controversial and misunderstood to this day In this engrossing work Jon Van Dyke describes and analyzes in detail the complex cultural and legal history of Hawai'i's Crown Lands He argues that these lands must be examined as a separate entity and their unique status recognized Government Lands were created to provide for the needs of the general population Crown Lands were part of the personal domain of Kamehameha III and evolved into a resource designed to support the monarch who in turn supported the Native Hawaiian people The question of who owns Hawai'i's Crown Lands today is of singular importance for Native Hawaiians in their quest for recognition and sovereignty and this volume will become a primary resource on a fundamental issue underlying Native Hawaiian birthrights 64 illus 6 maps

Displacing Natives Houston Wood, 1999 Book written from a decolonization perspective of Hawaiian history The work is derived from oral and written Hawaiian language texts by invoking Native representations as alternatives to those constructed by outsiders and settlers **The Mana Keepers** Kristin Zambucka, The Mana Keepers is the second book in Kristin Zambucka's Classic Trilogy In it the reader is reminded of the power of nature The life force called Mana runs through all things even inanimate rocks Everything is alive in the ocean and on the land **Emma** George S.

Kanahele, 1999-01-01 In her reign as queen Emma both helped Kamehameha IV prevent the extinction of the Hawaiian people during the end of colonial rule and dedicated much of her philanthropic efforts to Hawai'i's education and health care

Princess Victoria Ka'iulani Ralph Thomas Kam, Marilyn Stassen-McLaughlin, 2024-10-03 This new biography of Princess Victoria Ka'iulani goes far beyond most accounts of her life which tend to dwell on nostalgic recollections of what could have been rather than the reality of her life Many of the most cherished depictions of Ka'iulani originate from other people's reflections rather than the actions and words of the princess herself By using historical documents including archival manuscripts Hawaiian and English language newspapers government records firsthand testimonies poetry and mele a factual

and thoroughly supported narrative of Ka iulani's life during tumultuous times emerges surpassing fairy tale like portrayals

The Fire Lily Kristin Zambucka, 1996 **Ano Ano The Seed** Kristin Zambucka, 1984-09 **Modernism, Gender, and Culture** Lisa Rado, 2013-09-05 Focusing on cultural practices and gender issues during a period of the early 20th century that witnessed radical transformations in sex roles this anthology of original and one classic essays will generate a greater understanding of women's contributions to modernist culture and explore how that culture was affected by gender issues The essays provide a wealth of insights into literature painting architecture design anthropology sociology religion science popular culture music issues of race and ethnicity and the influence of 20th century women and sexual politics **The High**
