Reality Of The Second Coming Of Christ:

Ad 2036 Is the End Christian T. Jacobsen, 2008-03-31 Did you know that the exact year of Jesus crucifixion was predicted over five hundred years before His birth Did you know that a similar prophecy predicts the exact year of Jesus return to earth In fact the timing of the Second Coming of Christ is foreshadowed in no less than eleven places in the scriptures These timelines all point to the end of human history within this generation Although the Bible teaches that no one knows the day or hour when these things will happen Mark 13 32 it says nothing about not knowing the year Faithful Christians most certainly won't be surprised when the day of the Lord comes 1 Thessalonians 5 4 rather they will see the day approaching Hebrews 10 25 This book reveals that the Glorious Day will occur within three and a half years of AD 2036 CHRIST HAS DIED CHRIST IS RISEN CHRIST WILL COME AGAIN The Nature of Consciousness, the Structure of Reality Jerry

Davidson Wheatley, 2001 This book describes how understanding the structure of reality leads to the Theory of Everything Equation The equation unifies the forces of nature and enables the merging of relativity with quantum theory The book explains the big bang theory and everything else *The Little While of the Saviour's Absence and the Prospect of His Speedy Return* John Dunmore Lang, 1872 **New Realities of the Twenty-first Century, Part 1** Prophet

Wildman, 2017-02-07 *New Realities of the Twenty first Century Part 1* by Prophet Wildman The psychic parapsychic experience in the supernatural is one that is not readily understood or accepted by the masses After enjoying the gift of psychic future predictive awareness for more than fifty years Prophet Wildman had a deep understanding of the psychic and parapsychic experience However it wasn't until 2008 when he began receiving Holy subject Tribulation awareness as a precognitive psychic medium that he really began to delve deeper into this relatively unknown subject and explore psychic and parapsychic experiences as they related to the supernatural and Christianity Prophet Wildman wows his readers with first hand experiences both from the perspective of being Christian and of being a psychic medium while also providing a comprehensive dissection and decoding of the Tribulation event as it relates to the prophecy Wildman's deeply personal experiences along with factual statements and others first hand experiences provide the reader with a comprehensive read that will strengthen one's faith in Christ and Christianity while opening up rarely explored doors to the supernatural psychic and parapsychic worlds Explore the unknown with Prophet Wildman as he weaves his unwavering Christian beliefs with everything from extraterrestrials and ultraterrestrials to vampires U F Os and government cover ups An open mind and a strong religious conviction are all that's needed to begin searching and discovering some of the biggest mysteries of our time

The End Wanda Watkins, 2013-03-01 *The End* Experiencing the Second Coming of Christ is a compelling inspiring account of the second coming of Jesus Christ The author Wanda Watkins uses her imagination supported by the Holy Bible to heighten the reader's awareness regarding the divine promise of this celestial occasion This book begins with the writer's resurrection from the dead an imagined occurrence that brings the reader fully into the reality of her experience For this

reason Wanda considers it a fictional account entrenched in and underscored by biblical references that support its credibility Throughout her experience Wanda informs the reader of her emotions upon beholding her awaited Savior and shares all of what she feels what she says what she hears what she sees and even what she thinks As Wanda informs she also ruminates about the challenges obstacles and trials that peculiarly served as such beautiful catalysts for this glorious occasion Concurrently she imparts spiritual insight and wisdom into the biblical truths that accompany the certainty of the appointed day that Christ will return As she is raised higher and higher toward Heaven Wanda the created educator continues to teach persuade encourage and inspire To further elaborate The End is a captivating literary work that truly allows scriptural references about God's second coming to transfer the reader into the event's truths Since the second coming of Christ is a reality that has been long awaited many no longer think about it some no longer believe it and others are indifferent Not only that but much of what some do consider about Christ's second coming is clouded by false teachings regarding the subject Many have accepted certain rumors myths and or fables about what will happen or the date that it will take place This informative book or account includes facts that endorse its credibility and compels the reader to either respond by faith or react according to self will Its thorough candor erases doubt and replaces it with the insight that transforms the occasional interest in Christ's return from a possibility to a certainty The experience of reading it is a magnet that draws one into both the beauty of Christ returning for His Bride as well as the dismay of the unprepared Regardless of the reader's response to The End the book is unforgettable

Walk with Jesus Christ, the Truth II' 2008 Ed. (maturing in Jesus Christ) , *Realities of Christian Theology* Clarence Augustine Beckwith, 1906 THE TRUTH OF THE ORIGIN OF THE UNIVERSE Sabrie Soloman, 2024-06-12 In a world filled with scientific explanations and theories it can be easy to lose sight of the ultimate truth of our existence The truth is that the universe with all its intricate complexities did not come into being by mere chance or a random explosion It was carefully designed and orchestrated by a higher power a Creator who holds everything together When we look up at the night sky and see the countless stars and galaxies stretching out into infinity we cannot help but be in awe of the sheer magnitude and beauty of it all The heavens declare the glory of God as it says in the Bible and remind us of the greatness of the one who made it all The theory of the Big Bang which posits that the universe began as a singular point and expanded over billions of years is a flawed explanation for the origin of the universe It fails to account for the intricate design and order that we see in the cosmos as well as the existence of life on earth The marvel of our planet Earth with its perfect conditions for sustaining life points to a Creator who had a purpose and a plan in mind when he made it The countless galaxies and stars that we observe in the universe are a testament to the power and creativity of God They show us that we are part of a vast and wondrous creation one that was made by an intelligent designer who had a vision for it all The theory of evolution put forth by Charles Darwin is another flawed explanation for the diversity of life on earth It fails to explain the intricate complexities of living organisms and their unique design as well as the

existence of the human soul It is clear that we are not the product of blind chance or random mutations but rather the handiwork of a loving and powerful Creator The truth of the origin of the universe points to a Creator who holds everything together and has a purpose and a plan for it all God stretches out the heavens and allows light to reach us here on earth showing us his care and provision for his creation We are not the product of random chance or blind evolution but rather the cherished creation of a loving God who made us in his image Let us never forget the marvel and wonder of the universe and the greatness of the one who made it all

Dispensational Truth Clarence Larkin, 2021-07-27

Dispensational Truth is the Rev Clarence Larkin's famous book on dispensationalism with his beautifully drawn black and white charts. A must-have book for any student of dispensationalism; the book contains more than 115 charts, maps, and drawings. The result of thirty years of study, *Dispensational Truth* is a gold mine of information on prophetic truth for the busy pastor, evangelist, Bible teacher, and everyone who loves God's Word. In fact, Larkin's charts have been called the gold standard of pre-tribulation knowledge. A trained draftsman, Larkin diagrammed what he read during his Bible studies. From his drawings and charts, the study of God's Word has enriched generations of those who seek illumination and clarification regarding history, prophecy, and the future of mankind. This book has sold thousands of copies since it was first published in 1920.

[The Rapture](#) Bill Vincent, 2023-04-03

Unfortunately, most of our modern-day teachings on this most important doctrine are misleading. To say the very least, Bill Vincent has studied for years and now is releasing his findings in this book, *The Rapture*. A careful scrutiny of the Scriptures will reveal the truth about the second coming of Christ, which we generally refer to as the rapture. In *The Rapture*, he has set out to correct the most obvious errors of the pre-tribulation doctrine and to establish the basic foundation for understanding the truth of the matter. Great care is taken to follow the guidelines of Scripture and the Biblical basis of doctrinal interpretation, precept upon precept and line upon line. This is the only method of interpretation used in the pages of *The Rapture*. Since God Himself revealed His method of understanding doctrine, it is believed by the author to be the best method to use. Therefore, with Bible in hand, follow along with the Scriptures quoted and see if you don't find truth within its pages. In *The Rapture*, Bill answers questions that many do not know the answers to. Be open and allow this page-turner to open up the biggest controversial subject of the rapture of Jesus Christ. If you are a lover of truth, you will enjoy this very basic presentation of Biblical facts concerning the doctrine of the gathering together of Christ's saints unto Himself.

[The Truth about Rapture](#) Olatunde Olaniyi Ola-Daniel, 2023-02-12

Discover all you need to know about the biblical truths about the rapture. In the last few years, the world has witnessed unprecedented events that were difficult to imagine. However, the Bible has not left us in darkness concerning all these happenings. Unfortunately, many Christians are in darkness about the next sets of events coming. Gladly, the Bible is not silent about the future; either. The event of Rapture is one of such matters. Though Christians are divided about the actual timing of the rapture, the Bible is clear on the exact timing. The timing of rapture as the Bible puts it has been painstakingly searched out and written in this book. Order your copy now, and you won't be left with an iota of doubt about the timing of the coming of Christ.

Clarence Larkin (1850-1924) was an American Baptist pastor, Bible teacher, and author whose writings on Dispensationalism had a great impact on
