Beyond Reason Mark J. Boone,2024-07-16 The relationship between faith and reason is multifaceted Faith transcends reason in that it is more than reason alone can contain or fully guarantee yet it is neither unreasonable nor something to which reason is irrelevant and reason says some pretty fine things about it This volume updates nine previously published articles on faith and reason by a Christian philosopher who has been studying these matters for two decades alongside one new essay and a philosophical dialogue These articles explain and integrate key ideas on faith and reason including Alvin Plantinga s account of how Christian belief can be knowledge even without evidence defenses of faith from Augustine and

William James accounts of empirical evidence for faith from different world religions the distinction between faith and sight in the New Testament the structure of the evidence for the authority of the Bible the idea that faith transcends reason because some articles of faith are beyond human comprehension even if we have evidence that they are true and the nature of faith as a total commitment beyond what the evidence alone can guarantee **Crime and Criminality** Sandie

divine providence Four Views on Divine Providence helps readers think theologically and biblically about all the issues involved in exploring this doctrine The point counterpoint format reveals the assumptions and considerations that drive equally learned and sincere theologians to disagreement with each other It unearths the genuinely decisive issues beneath a philosophically dense debate The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Divine Beauty Revealed Youngraee Kim, 2025-09-11 This book explores the theological aesthetics of Jonathan Edwards through the lens of his biblical interpretation presenting a fresh and much needed perspective on one of America's greatest religious thinkers While previous scholarship has focused heavily on Edwards's philosophical or systematic theology this study uniquely centers his aesthetic vision on Scripture It argues that Edwards's understanding of beauty rooted in the Triune God revealed through Christ and reflected in creation is fundamentally shaped by his exegetical writings and pastoral vocation Engaging key works such as his Sermons Miscellanies Religious Affections and The Blank Bible the book demonstrates that Edwards's theology of beauty permeates core doctrines including the Trinity salvation ecclesiology and eschatology In contrast to Enlightenment rationalism Edwards upheld the Bible as the supreme source of truth interpreted through the Spirit enabled new sense of the heart This study fills a critical gap in Edwards scholarship by integrating his aesthetic theology with his biblical hermeneutics offering new insights into his vision of divine beauty and its transformative impact on the believer and the church
