

never appear on a biscuit-tin, this remarkable and responsible biography exposes this particular Jacobite, warts and all, and expands our understanding of the man, his movement, his nation, and his period.

Robert Landrum,

*Department of History, University of South Carolina, Beaufort*

William Kenefick. *'Rebellious and contrary'. The Glasgow Dockers, 1853–1932*. Tuckwell Press: East Linton, 2000, xx + 284 pp. £16.99 pbk. ISBN 1 86232 1 809

*'Rebellious and contrary'* is a fitting sequel to Dr. Kenefick's preceding published work and Ph.D. research on dock labour in the West of Scotland. Kenefick's work forms part of a rich seam of Clydeside labour and industrial relations history, which has emerged from the Department of History at the University of Strathclyde. This also includes the prodigious and influential work of the Glasgow Labour History Workshop, of which Kenefick was an active member, and another excellent scholarly examination of labour relations and employers in the West of Scotland, Ronald Johnston's *Clydeside Capital, 1870–1914*, published in the same year as *Rebellious and Contrary*.

This history will be of interest, and value, to labour, business, social and economic historians, as well as the reader with a more general interest in local, regional and Scottish history. In light of the longstanding need for increased inter-disciplinary collaboration, it should also be of interest to the sociologist and student of industrial relations looking for patterns of historical correlation.

Kenefick has divided his book into three parts, examining: the historiography of dock labour, economic context and employment patterns (part one); the ethnography of the dock labour force and their communities, technological change, work methods and organisation and health and safety in the Glasgow docks (part two); and the growth of and cleavages between the various trade unions representing dock labour in Glasgow between 1853 and 1914 (part three). This is followed by an epilogue covering the period 1914 to the 1930s. In an otherwise cogent work, the choice of covering the last eighteen years in the epilogue is the only structural weakness as you are left with the feeling that the latter period is an adjunct rather than being an integral part of the work.

Nevertheless, the book is pre-eminent in its extensive examination of Glasgow dock labour, as distinct from dock labourers in East of Scotland and English ports. It also adds, with plenty of disaggregated examples, to the body of historical knowledge covering the role of Irish immigrants and Highland migrants in the Scottish, and British, labour movements. In particular, Kenefick extends existing deliberations on how Irish and Highland rural upbringing and the land reform movements respectively shaped work patterns and union politics in the Glasgow docks. In addition, Kenefick shows how the experiences of the Irish Famine and the Highland Clearances were, in part, responsible for developing a mutual understanding between the, predominantly, Catholic Irish and Protestant Highlanders and for avoiding the religious sectarianism which was so prevalent in the Liverpool docks.

**J.J. Smyth**

## **Rebellious And Contrary The Glasgow Dockers 18531932:**

**Masculinities on Clydeside** Chand Alison Chand,2016-07-08 Masculinities on Clydeside explores the experiences of civilian men on Clydeside during the war using oral history interviews as a means to explore subjectivity and arguing for continuous personal agency through major historical changes While men in reserved occupations are understood as extensively influenced by imagined discourses often resulting in feelings of guilt and emasculation their subjectivities were nonetheless ultimately rooted in their lived and immediate local vicinities and the people and places of their everyday lives This ultimate relevance of lived existence and the everyday also meant that while wartime relations between men and women were clearly shaped by a range of gender discourses and continually renegotiated gender boundaries were never fixed or truly separate The analysis looks at wider subjectivities encompassing national and political identities class consciousness religious subjectivities and social activities as well as examining women s experiences of working in reserved occupations in wartime and their interactions with civilian men **Rebellious and Contrary** William Kenefick,2000 This text provides an authoritative historical account of life and work along the Glasgow waterfront in the 19th and 20th centuries Glasgow dockers composed mainly of Catholic Irish and Protestant Scottish Highlanders were at the forefront of dock trade unionism in Britain in the 19th and 20th centuries Formidable and fiercely independent they fashioned their trade unionism to protect the casual system of employment preserve traditional workplace practices and defend local Scottish autonomy In the 20th century they broke away from two national British unions because of the tyranny of English trade unionism Reputedly Ernest Bevin leader of the Transport and General Workers Union described them as rebellious and contrary when they seceded and formed their own independent Scottish union in 1932 **Gender and Political Identities in Scotland, 1919-1939**

Annmarie Hughes,2010-05-15 This work offers a unique contribution to gender and Scottish history breaking new ground on several fronts there is no history of inter war women in Scotland very little labour or popular political history and virtually nothing published on women the home and family This book is a history of women in the period which integrates class and gender history as well as linking the public and private spheres Using a gendered approach to history it transforms and shifts our knowledge of the Scottish past unearthing the previously unexplored role which women played in inter war socialist politics the General Strike and popular political protest It re evaluates these areas and demonstrates the ways in which gender shaped the experience of class and class struggle Importantly the book also explores the links between the public and private spheres and addresses the concept of masculinity as well as femininity and pays particular reference to domestic violence The strength of the book is the ways in which it illuminates the complex interconnections of culture and economic and social structure Although the research is based on Scottish evidence it also uses material to address key debates in gender history and labour history which have wider relevance and will appeal to gender historians labour historians and social and cultural historians as well as social scientists *Labour in Glasgow, 1896-1936* J.J. Smyth,2000-12-21 This book

provides the first single overview of Labour's electoral progress in Glasgow from its hesitant steps in the shadow of Liberalism to the moment it became the dominant party in the city in parliamentary and municipal politics. The unfolding narrative is not one of uninterrupted progress but a more complex story of partial breakthroughs and setbacks. Labour's electoral challenge is detailed over forty years and focuses on local elections more than parliamentary. This allows a broader and fuller picture to be presented rather than the narrower emphasis on the Red Clydeside period of the Great War and immediately after. The Great War was the critical turning point. After 1918 Labour emerged from being a permanent minority to a position where it could genuinely seek to present itself as the major political voice in Glasgow. The nature of this transformation is identified as both the radicalising effect of the war itself and the attendant changes this provoked in Labour's attitude to its actual and potential constituency. Unlike other studies of the franchise system, the view expressed here is that the franchise was biased against the working class and this operated against Labour. However, Labour was effectively handicapped by its own ambivalence towards complete democracy, fuelled by fear of the poor and belief in the reactionary tendencies of the existing male local electorate. While the war resolved the franchise issue for Labour in Glasgow, the Party's own mobilisation over housing provided the means to appeal to the new female electorate.

*Ireland, Radicalism, and the Scottish Highlands, c.1870-1912* Andrew Newby, 2019-08-06. No detailed description available for Ireland, Radicalism, and the Scottish Highlands c. 1870-1912.

**Scottish Ethnicity and the Making of New Zealand Society, 1850-1930** Tanja Bueltmann, 2011-07-07. The Scots accounted for around a quarter of all UK born immigrants to New Zealand between 1861 and 1945 but have only been accorded scant attention in New Zealand histories, specialist immigration histories, and Scottish Diaspora Studies. This is peculiar because the flow of Scots to New Zealand, although relatively unimportant to Scotland, constituted a sizable element to the country's much smaller population. Seen as adaptable, integrating relatively more quickly than other ethnic migrant groups in New Zealand, the Scots' presence was obscured by a fixation on the romanticised shortbread tin facade of Scottish identity overseas. Uncovering Scottish ethnicity from the verges of nostalgia, this study documents the notable imprint Scots left on New Zealand. It examines Scottish immigrant community life, culture, and identity between 1850 and 1930.

The Late Medieval Scottish Parliament Roland Tanner, 2022-04-07. In this ground-breaking study of the medieval parliament, Roland Tanner gives the Scottish Parliament a human face by examining the actions and motives of those who attended. In the past, the Scottish Parliament was seen as a weak and ineffective institution, damned because of its failure to be more like its English counterpart. But Roland Tanner shows that the old picture of weakness is far from accurate. In its very different way, the Scottish Parliament was every bit as powerful as the English institution. The Three Estates, the clergy, nobility, and burgh representatives who attended Parliament, were able to wield a surprising degree of control over the Crown during the fifteenth century. For instance, they threatened to lock James I's taxation in a box to which he, the king, would have no access. Made James II swear not to alter acts of Parliament and prevented him from using his own

lands and wealth as patronage for his supporters and forbade James III to leave the country Roland Tanner has avoided a dry constitutional approach Instead he has sought to bring Parliament to life through the people who attended the reasons why they attended and the complex interactions which occurred when all the most wealthy powerful and ambitious people in the kingdom gathered in one place *New Perspectives on the Irish in Scotland* Martin J. Mitchell, 2008-09-22 Irish immigrants and their descendants have made a vital contribution to the creation of modern Scotland This book is the first collection of essays on the Irish in Scotland for almost twenty years and brings together for the first time all the leading authorities on the subject It provides a major reassessment of the Irish immigrant experience and offers social cultural and religious development of Scotland over the past 200 years *Scotland and the French Revolutionary War, 1792-1802* Atle Wold, 2015-07-07 For the British government s supporters in Scotland in the 1790s one thing was paramount they were fighting French principles in any shape or form they might take Whether this meant defeating the influence of French revolutionary ideas in Scotland or defeating the military menace of the French republic they were determined to stand firm in their support of the British state This book charts the Scottish contribution to both the war effort of the 1790s and the British governments struggles to defeat political radicalism at home lasting from the first outbreak of political disturbances in Scotland in 1792 until the French revolutionary war came to an end in 1802 In this the Scots made their very distinct mark in terms of recruitment for armed service demonstrations of loyalty and prosecutions against political radicals in the law courts but perhaps less so in terms of their financial contributions The government of Scotland was further integrated into the British state in a structural sense over the course of the decade yet retained many distinctly Scottish features none the less and on the whole the 1790s comes across as a time when the Scots found little difficulty in seeing themselves as both British and Scottish **Maritime Labour** Richard Gorski, 2007 This is a collection of soundings into various aspects of the history of maritime labor from the close of the Middle Ages to the present The spatial emphasis of the essays is north European and Atlantic since they deal with the countries around the North Sea and Baltic with some coverage of North America Indeed from time to time the authors leave the sea behind in order to examine broader issues such as labor markets the regulation and institutions of seafaring and industrial relations on the waterfront But at all points there is a common theme of sea related labor and a common objective of better understanding what have often been perceived as difficult and elusive groups of people *The Dublin Docker* Aileen O'Carroll, Don Bennett, 2017-08-09 As a port city Dublin owes much to the labourers who strove against the heavy duty tide of imports and exports a league of thousands who were hired on a day to day basis for generations defining the bustle of Dublin city centre a cornerstone of the urban industrial working class in Ireland The Dublin Docker is a sumptuously illustrated history that determines the dockers and stevedores importance as an industrial subculture within the Dublin that they navigated The authors excavated the archive of the Dublin Dockworkers Preservation Society to discover a wealth of photographs spanning the mid nineteenth century to the 1970s that capture the

dockers arduous labour and the energy of Dublin port These evocative images bring this beautifully designed social history to life complementing the inimitable voices revealed in interviews with the dockers themselves How they negotiated working hours and pay the changes that came with epochal events the Dublin Lockout the First World War the Easter Rising and War of Independence and the innumerable myths and dark stories that shrouded their image The Dublin Docker is a history of the dockers and their deep woven connection to the city

**Famine in Scotland - the 'Ill Years' of the 1690s** Karen J.

Cullen,2010-02-15 This book examines the climatic and economic origins of the last national famine to occur in Scotland the nature and extent of the crisis which ensued and what the impact of the famine was upon the population in demographic economic and social terms Current published knowledge about the causes extent and impact of the famine in Scotland is limited and many conclusions have been speculative in the absence of extensive research Despite the critical importance of this crisis one of the four disasters of the 1690s which are widely acknowledged to have contributed to the economic arguments in favour of the Union of the Parliaments in 1707 the topic has been largely neglected and even underplayed by historians This is the first full study of the famine providing a unique scholarly examination of the causes course characteristics and consequences of the crisis A comprehensive study of agricultural climatic economic social and demographic issues the book seeks to establish answers to the fundamental question concerning the event How serious was it Using detailed statistical and qualitative analysis it discusses the regional factors that defined the famine the impact on the population and the interconnected causes of this traumatic event

Britain and Transnational Progressivism D. Gutzke,2016-04-30 This collection of essays explores how Progressivism was the historical catalyst for reforms across the social and political spectrum in Britain for over half a century

**Labour Revolt in Britain 1910-14** Ralph Darlington,2023-03-20 New insights into one of the most important episodes in British labour history The Labour Revolt that swept Britain in the early 20th century was one of the most sustained dramatic and violent explosions of industrial militancy and social conflict the country has ever experienced It involved large scale strikes by miners seamen dockers railway workers and many others and was dominated by unskilled and semi skilled workers many acting independently of trade union officials Amidst this powerful grassroots energy the country saw widespread solidarity action phenomenal union membership growth breakthroughs in both industrial unionism and women s union organisation and a dramatic increase in the collective power of the working class movement It heralded political radicalisation that celebrated direct action and challenged head on the Liberal government and police and military as well as parliamentary reformism of the Labour Party Exploring the role of the radical left and the relationship

between industrial struggles and political organisation with new archival research and fresh insights and combining history from below and above Ralph Darlington provides a multi dimensional portrayal of the context causes actors dynamics and contemporary significance of the Labour Revolt Ralph Darlington is Emeritus Professor of Employment Relations at Salford University His books include *Glorious Summer* and *Radical Unionism* His research has been featured in national newspapers and radio and television

**Land, Faith and the Crofting Community** Allan W. MacColl, 2006-04-20 This book probes the deep rooted links between the land the people and the religious culture of the Scottish Highlands and Islands in the nineteenth century The responses of the clergy to the social crisis which enveloped the region have often been characterised as a mixture of callous indifference cowering deference or fatalistic passivity Allan MacColl s pioneering research challenges such stereotypical representations of Highland ministers head on *Land Faith and the Crofting Community* is the first full scale examination of Christian social teaching in the nineteenth century Gaidhealtachd and addresses a major gap in the historical understanding of Gaelic society Seeking to lay bare the existing myths by a wide ranging analysis of all the denominational theological and social factors at play this study boldly overturns the received scholarly and popular interpretations A ground breaking work it explores a substantial but under utilised field of evidence and questions whether or not Highland Christians both clergy and laity were committed to land reform as an engine of social improvement and conciliation The Christian contribution to the development of a distinctively Highland identity which found expression during the Crofters War of the 1880s is delineated while wider links between theology and social philosophy are examined from beyond the perspective of the Highlands

*Scots and the Spanish Civil War* Raeburn Fraser Raeburn, 2020-09-25 Few causes before or since have inspired such passion determination and sacrifice than the Spanish Civil War 1936-9 This book explores the many ways in which Scots responded to the war in Spain covering the activists and humanitarians who raised funds and awareness at home as well as the hundreds of Scots who journeyed to Spain to fight as part of the International Brigades Their stories reflect much larger narratives of the rise of European fascism the networks and cultures of international communism and the wider modern phenomenon of transnational foreign fighters Scots and the Spanish Civil War is a groundbreaking study of Scottish involvement in one of the 20th century s most famous and divisive conflicts drawing on newly declassified government documents and international archives in Spain and beyond As well as shedding new light on Scottish politics in the 1930s Fraser Raeburn argues that this case study part of the largest wave of foreign war volunteering in the 20th century can help us understand other such mobilisations past and present

**Radical Cultures and Local Identities** Krista Cowman, Ian Packer, 2020-05-22 This edited interdisciplinary collection draws together recent original work on the connections between radicalism and localism in a variety of international locations over the last two hundred years The areas covered include the United Kingdom North America South Africa the Caribbean Germany Italy and Spain The book questions whether certain political issues have more impact at a local level and whether common radical responses

can be discerned across space and time The contributors essays also consider to what extent the local offers a space in which new political possibilities can be explored and especially the extent to which radical participation from groups who are under represented in many national campaigns appears more easily available at the local level Finally the essays in the collection examine the distinctiveness of local political radicalism This involves looking at the activities of communal organizations and political parties that defined themselves against nationally situated sites of power but also at how the many cultural manifestations of radicalism such as music theatre and art were shaped distinctively at local level and how radical ideas were spread across wider areas from local bases

Of Laws of Ships and Shipmen' Edda Frankot,2012-08-27 This volume is an important addition to the history of Scotland and European law utilising innovative research and methodologies to highlight Scotland s position in medieval Europe as a sophisticated legal player It places Scotland in a wider historical

*Red Scotland!* William Kenefick,2007-07-16 An excellent resource for teaching and learning this book explores the rise and decline of left radicalism in Scotland c 1872 to 1932 A journey through these turbulent times observes the response of Scottish artisans to legal restrictions on trade union activities in the 1870s trade union formation among the unskilled from the late 1880s and the origins and impact of the Scottish socialist movement The Labour movement in Scotland was to face many new challenges by the twentieth century During the era of Red Scotland 1910 to 1922 we see Scottish workers fully engaged in the labour and social unrest in the years before the Great War monitor the incubation of workers grievances during the war see the growth of the anti war movement and the influence of revolutionary politics from 1918 and witness Scottish Labour on the threshold of an extraordinary political breakthrough by 1922 The 1920s saw the rapid rise of Labour but growing unemployment and a massive emigration of Scottish workers helped to fragment the left and set in motion the decline of left radicalism in Scotland This book represents a major and up to date survey of the most dramatic years in the history of Scottish Labour

## **Rebellious And Contrary The Glasgow Dockers 18531932 Introduction**

In today's digital age, the availability of *Rebellious And Contrary The Glasgow Dockers 18531932* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *Rebellious And Contrary The Glasgow Dockers 18531932* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *Rebellious And Contrary The Glasgow Dockers 18531932* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *Rebellious And Contrary The Glasgow Dockers 18531932* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, *Rebellious And Contrary The Glasgow Dockers 18531932* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *Rebellious And Contrary The Glasgow Dockers 18531932* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for *Rebellious And Contrary The Glasgow Dockers 18531932* books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rebellious And Contrary The Glasgow Dockers 18531932 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rebellious And Contrary The Glasgow Dockers 18531932 books and manuals for download and embark on your journey of knowledge?

### FAQs About Rebellious And Contrary The Glasgow Dockers 18531932 Books

1. Where can I buy Rebellious And Contrary The Glasgow Dockers 18531932 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Rebellious And Contrary The Glasgow Dockers 18531932 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Rebellious And Contrary The Glasgow Dockers 18531932 books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Rebellious And Contrary The Glasgow Dockers 18531932 audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Rebellious And Contrary The Glasgow Dockers 18531932 books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
