## **Receiving The Promise The Spirits Work Of Conversion:**

*God as Spirit* Geoffrey William Hugo Lampe,1977 This book sets out to present a Christian understanding of God in terms of the fundamental category of God as Spirit It shows that such an approach offers an alternative and preferable way of interpreting the biblical revelations as compared with the traditional account in terms of orthodox trinitarian and incarnational theology **The Promise of the Spirit** Andrew Murray,1990 *The School of Faith* Thomas F.

Torrance,1996-12-05 With this book Thomas Torrance purposes to gather together in a single volume all Catechisms officially authorized and employed by the Church of Scotland since the Reformation so that they may be conveniently studied together

[When You Believed? \(Acts 19:2\)](#) Bob McArthur,2011-06-08 Do you know how to lead someone to Christ This book will make you think again Do you know the gospel message Do you know the purpose for church leaders Are you fully birthed into the family of God Did you receive the Holy Spirit when you believed Think again That is what this book will challenge you to do The Rev Paul Hoyt a retired Church of the Nazarene pastor said of the book My mind is being challenged and stretched The question is simply What does the Bible say about how New Testament believers became Christians What were their experiences and what does the Bible say they believed and understood about those experiences This book will challenge you to rethink commonly held positions and universally understood practices and beliefs Dont be alarmed This book is completely Jesus focused The age old biblical truths about Christ are not being challenged Jesus is God the second person of the triune Godhead born of a virgin crucified and resurrected bodily and spiritually to new life His blood cleanses mankind of all sin no one comes to God except through Him and the Bible is the Word of God But the evangelistic message and experiences of the Bible of those early believers about this saving Jesus should correspond to the thought and practice of present day evangelism The disparity however might surprise you This book will help the Church get back to a New Testament evangelism that has somehow been lost along the way **The Holy Spirit** Gregg Allison,Andreas J.

***The Lutheran Theology of the Holy Spirit*** Fred Perry Hall, 2024-01-11 Questions about Lutherans and the Holy Spirit. This book probes Lutheranism from Luther to the Formula of Concord 1517-1577 and presents a striking consistency regarding the Holy Spirit among Lutheran Reformers. The Holy Spirit dominated Luther's writing not only in theology but in all aspects of living out God's will. Six of the theologians researched in this book were also pastors dealing with enormous challenges from government interference, war, religious disputes, and as Luther declared, "The rage of the devil." The solution was not brilliant arguments or best practices. The solution to a Christian's guilty conscience or lukewarm faith was not trying harder or doing good works. Rather, it was to confess failure to eliminate self-dependence and to cry out to the Holy Spirit who alone is totally sufficient in every situation. Theologians, pastors, missionaries, Sunday school teachers, workers, and retirees, moms and dads, students and kids, everyone is powerless to accomplish anything in the kingdom of God. Only the Holy Spirit is able to change hearts and meet needs. He graciously responds to all who call. Yes, the work of the Holy Spirit and his power is Lutheran for Luther in the sixteenth century and for Lutherans today.

**The Works of Jonathan Edwards: Volume II - II** Jonathan Edwards, 2017-03-29 Bringing together a collection of letters between two theologians along with other observations and reflections, this volume continues to open the mind of any person wishing to be a serious theologian. While many know about the big names such as Calvin or Luther, many do not give credence to some of the important landmark works that writers such as Edwards helped to promote.

**Signs of Continuity** Greg Rhodea, 2019-12-11 For

more than a century scholars have debated whether Paul the apostle was a faithful follower of Jesus or a corruptor of Jesus's message and the true founder of Christianity. Signs of Continuity intervenes in this debate by exploring a largely overlooked element of similarity between the two men: the place of miracles in their ministries. In his close analysis of the miracles performed by Jesus and Paul, Greg Rhodea points to signs of continuity between these two historical figures of Christianity. He argues that both Jesus and Paul understood their miracles as accompanying and actualizing a message of gracious inclusion of the marginalized, resisted proving their ability to work miracles to those who asked for a sign despite the importance of miracle working to their personal authentication and interpreted miracles as proof of the presence of the eschatological kingdom. Based on these similarities, Rhodea concludes that Paul the apostle knew of Jesus's miracles and that he imitated Jesus in his own ministry of miracle working. In highlighting this previously unexplored area of continuity, Rhodea makes a significant contribution to the debate over the relationship between Jesus and Paul. Biblical scholars and students interested in this debate will find *Signs of Continuity* enlightening and informative.

#### **The Ultimate Evidence** Larry Vern

Newman, 2009-01-01 It is quite an assertion to claim that one is filled with the Spirit of God. What does a person offer as proof that this is actually true? Pentecostals at the turn of the twentieth century read the Bible, debated the issue, and then proposed an evidence they thought the scriptures indicated was the primary verification of Spirit baptism. It was determined that the evidence to prove one had been baptized with the Holy Spirit was that the person had spoken in an unknown language as prompted by the Holy Spirit. The primary evidence of Spirit baptism, it was concluded, was the expression of a charism. It was charismatic. In *The Ultimate Evidence*, Larry Newman argues that the initial evidence doctrine as it stands is inadequate and needs to be revisited and adjusted. Without discrediting or devaluing speaking in tongues, Newman points the reader to the ultimate evidence of Spirit baptism: the more excellent way. Gathering from historical, cultural, and biblical sources, Dr. Newman argues that the biblical evidential paradigm is ethical and issues forth from the agape of the Cross. It is the ethical dimension of the Christian life that is primary. In 1 Cor. 13:1, Paul wrote, "If I speak in the tongues of men and of angels but have not love, I am only a resounding gong or a clanging cymbal."

#### **Covenant: Dutch Reformed Covenant Theology and Group Identity in Colonial South Africa, 1652-1814**

Gerstner, 2021-12-06 This study presents the religious factor in the development of a separatistic group identity among the forebears of the Afrikaners during the Dutch colonial period of South African history. Dutch Reformed covenant theology and baptism practice, rooted in the thousand generation covenant theory, helped to shape this self-understanding. It traces the basic developments of covenant theology in the Netherlands during the period and demonstrates how these concepts were conveyed to colonial South Africa. The dominant strain of covenantal thought treated the entire community as redeemed and called to be separate. It was presented through a variety of means through which virtually every colonist was exposed. This

study offers a balanced historical approach to the role of theological concepts in the colonial roots of Afrikaner group identity. It answers traditional scholarship in the field which either directly identifies the concepts behind the development of apartheid with Calvinist theology or more recently deny that the Reformed faith had any role in the development of apartheid ideology until the twentieth century. Perspectives on Spirit Baptism Chad Brand, 2004-11-01. Views presented include the Charismatic, the Pentecostal, the Reformed, the Sacramental, and the Wesleyan. Reformed Systematic Theology, Volume 3 Joel Beeke, Paul M. Smalley, 2021-12-01. Here is catechesis at its best, instructing the student of theology, providing pastors with a sermon-enriching manual, and giving growing Christians a resource book that will both inform and nourish them, as well as provide endless theological enjoyment. Sinclair B. Ferguson, Chancellor's Professor of Systematic Theology, Reformed Theological Seminary, Teaching Fellow, Ligonier Ministries. The aim of systematic theology is to engage not only the head but also the heart and hands. Only recently has the church compartmentalized these aspects of life, separating the academic discipline of theology from the spiritual disciplines of faith and obedience. This multivolume work brings together rigorous historical and theological scholarship with spiritual disciplines and practical insights, characterized by a simple, accessible, comprehensive Reformed and experiential approach. In this volume, Joel R. Beeke and Paul M. Smalley unpack the work and role of the Holy Spirit, Pneumatology, and salvation soteriology. The authors examine the Holy Spirit's role in the history of salvation, the order of salvation, and the believer's experience of salvation. As readers consider the interrelationship between the Spirit and salvation, they are invited to explore the direct activity of the Lord in their lives for their salvation.
