Shiites Ritual And Popular Piety In A Muslim Community:

The Shiites David Pinault,1992 Shiite Islam is one of the world s major religions with millions of followers throughout the Middle East and South Asia However it is often mistakenly seen by the West as a political movement This book describes what Shiism actually means to those who practise it and outlines Shiite history *The Study of Shi'i Islam* Gurdofarid Miskinzoda,Farhad Daftary,2014-01-08 Shi i Islam with its rich and extensive history has played a crucial role in the evolution of Islam as both a major world religion and civilization The prolific achievements of Shi i theologians philosophers and others are testament to the spiritual and intellectual wealth of this community Yet Shi i studies has unjustly remained a long neglected field despite the important contribution that Shi ism has made to Islamic traditions Only in recent decades partially spurred by global interest in political events of the Middle East have scholars made some significant contributions in this area The Study of Shi i Islam presents papers originally delivered at the first international colloquium dedicated exclusively to Shi i studies held in 2010 at The Institute of Ismaili Studies London Within the book are eight sections namely history the Qur an and its Shi i interpretations hadith law authority theology rites and rituals and intellectual traditions and philosophy Each section begins with an introduction contextualizing the aspects of studying Shi i Islam particular to its theme before going on to address topics such as the state of the field methodology and tools and the primary issues with which contemporary scholars of Shi i studies are dealing The scope and depth here covered makes this book of especial interest to researchers and students alike within the field of Islamic studies The volume benefits from the diverse expertise of nearly 30 world class scholars including Mohammad Ali Amir Moezzi Meir M Bar Asher Farhad Daftary Daniel De Smet Gerald R Hawting Nader El Bizri Etan Kohlberg Wilferd Madelung Andrew Newman Ismail K Poonawala Sabine Schmidtke and Paul E Walker *Vanguard of the Imam* Afshon Ostovar,2016-03-03 Iran s Revolutionary Guards are one of the most important forces in the Middle East today but remain poorly understood to outside observers In Vanguard of the Imam Afshon Ostovar has written the first comprehensive history of the organization Situating the rise of the Guards in the contexts of Shiite Islam Iranian history and international affairs Ostovar takes a multifaceted approach in demystifying the organization and detailing its evolution since 1979 The book documents the Guards transformation into a power player and explores why the group matters now more than ever to regional and global affairs It is simultaneously a history of modern Iran and an engrossing entryway into the complex world of war politics and identity in the Middle East Islamic Britain Philip Lewis,2002-03-29 From the 1980s Britain s large Muslim community a long established but little noticed group suddenly became visible as controversies involving the education and dress of Muslim schoolgirls the Rushdie affair and the Gulf War excited huge media interest Caricatures and misconceptions began to spread and with political Islam on the march in many Middle Eastern countries fears of British Muslims becoming a bridgehead in the West for the establishment of an Islamic theocracy began to loom in the popular imagination How do British Muslims really think about themselves about their

religion and their politics What dilemmas do they face as they give up the myth of return that sustained first generation immigrants and struggle to define a British Islam In this important book the first major study of British Muslims Philip Lewis deals with the reality behind distorted media images through a rich first hand account of the Muslim community in Bradford the city which became the epicentre of British Muslim anger and resistance to The Satanic Verses *Encyclopedia of Islamic Civilisation and Religion* Ian Richard Netton,2013-12-19 The Encyclopedia of Islamic Civilization and Religion provides scholarly coverage of the religion culture and history of the Islamic world at a time when that world is undergoing considerable change and is a focus of international study and debate The non Muslim world s perceptions of Islam have often tended to be dominated by unrepresentative radical extremist movements and media interpretations of events involving such movements to the extent that many people are unaware of the depth and variety of Islamic thought At the same time many who have had a formal training in Islamic studies have tended to concentrate on the traditional to the exclusion of the contemporary The Encyclopedia of Islamic Civilization and Religion covers the full range of Islamic thought in historical depth but it also provides substantial coverage of contemporary trends across the Muslim world With well over a thousand entries on Islamic theology history arts science law and institutions and coverage of Islam in individual countries and cities around the world the Encyclopedia of Islamic Civilization and Religion provides an extremely rich resource for students and researchers in religious studies and Middle Eastern studies Entries are cross referenced and bibliographies are provided There is a full index Routledge published The Qura n An Encyclopedia in 2005 an excellent companion to the Encyclopedia of Islamic Civilization and Religion **Borrowed Imagination** Samar Attar,2014-02-19 Borrowed Imagination The British Romantic Poets and Their Arabic Islamic Sources examines masterpieces of English Romantic poetry and shows the Arabic and Islamic sources that inspired Coleridge Wordsworth Blake Shelley Keats and Byron when composing their poems in the eighteenth or early nineteenth century Critics have documented Greek and Roman sources but turned a blind eye to nonwestern materials at a time when the romantic poets were reading them The book shows how the Arabic Islamic sources had helped the British Romantic Poets not only in finding their own voices but also their themes metaphors symbols characters and images The British Romantic Poets and Their Arabic Islamic Sources is of interest to scholars in English and comparative literature literary studies philosophy religion government history cultural and Middle Eastern studies and the general public *Spiritual Care in Nursing Practice* Kristen L. Mauk,Nola A. Schmidt,2004 Focusing on spirituality as an inherent component of effective nursing care this text presents an unbiased view of the nature of human spirituality apart from religion The text offers a unique interdisciplinary and inter religious perspective representing a range of Eastern and Western religious traditions while addressing lifespan considerations and belief systems within the nursing process framework Readable interactive chapters apply the content clinically and highlight timely research on spirituality and health Each chapter includes case studies critical thinking questions and personal reflection questions Website references are also

first text to offer a complete picture of the role of communication in terrorist activity Through the extensive examination of state of the art research on terrorism as well as recent case studies and speech excerpts communication and terrorism scholar Jonathan Matusitz explores the ways that terrorists communicate messages through actions and discourse Using a multifaceted approach he draws valuable insights from relevant disciplines including mass communication political communication and visual communication as he illustrates the key role that media outlets play in communicating terrorists objectives and examines the role of global communication channels in both spreading and combating terrorism This is an essential introduction to understanding what terrorism is how it functions primarily through communication how we talk about it and how we prevent it

Racial Blackness and Indian Ocean Slavery Parisa Vaziri, 2023-12-26 Rethinking the history of African enslavement in the western Indian Ocean through the lens of Iranian cinema From the East African and Red Sea coasts to the Persian Gulf ports of Bushihr Kish and Hurmuz sailing and caravan networks supplied Iran and the surrounding regions with African slave labor from antiquity to the nineteenth century This book reveals how Iranian cinema preserves the legacy of this vast and yet long overlooked history that has come to be known as Indian Ocean slavery How does a focus on blackness complicate traditional understandings of history and culture Parisa Vaziri addresses this question by looking at residues of the Indian Ocean slave trade in Iranian films from the second half of the twentieth century Revealing the politicized clash between commercial cinema filmfare and alternative filmmaking the Iranian New Wave she pays particular attention to the healing ritual zar which is both an African slave descendent practice and a constitutive element of Iranian culture as well as to cinematic syncretism Persian black play Moving beyond other studies on Indian Ocean and trans Saharan slavery Vaziri highlights the crystallization of a singular mode of historicity within these cinematic examples one of absence that reflects the relative dearth of archival information on the facts surrounding Indian Ocean slavery Bringing together cinema studies Middle East studies Black studies and postcolonial theory **Racial Blackness and Indian Ocean Slavery** explores African enslavement in the Indian Ocean through the revelatory and little known history of Iranian cinema It shows that Iranian film reveals a resistance to facticity representative of the history of African enslavement in the Indian Ocean and preserves the legacy of African slavery's longue dure in ways that resist its overpowering erasure in the popular and historical imagination Retail e book files for this title are screen reader friendly with images accompanied by short alt text and/or extended descriptions

The Living and the Dead Liz Wilson, 2012-02-01 This collection examines the social dimensions of death in South Asian religions exploring the ritualized exchanges between the living and the dead performed by Hindus Buddhists Muslims and other religious groups Using ethnographic and historical tools associated with the comparative and historical study of religion the contributors also record the voices and actions of marginalized groups such as tribal peoples women and members of lower castes who are often underrepresented in studies of South Asian deathways which typically focus on the writings and practices of elite groups For many religious people death entails a

journey leading to some new condition or place As the ultimate experience of passage it is highly ceremonial and ritualized and those beliefs and practices associated with the moment of death itself death bed ceremonies funerary rites and rituals of mourning and of remembering are examined here The Living and the Dead offers historical depth ethnographic detail and conceptual clarity on a subject that is of immense importance in South Asian religious traditions **The Crucifix on**

Mecca's Front Porch David Pinault, 2018-08-01 This book on Islam has an unusual perspective It argues that a critically minded examination of Islam can help Christians achieve a deeper appreciation of the unique truths of their own faith It draws on the author's personal experiences living in Islamic countries and his fieldwork with persecuted Christian minority communities especially in Pakistan Yemen Egypt and Indonesia It includes the author's own original translations of Islamic texts in Arabic Persian and Urdu as well as primary source materials in Latin that were written by Christian participants in the Crusades The author focuses on Muslim interactions with the Christian tradition He examines and takes issue with the misguided approach of those Christians and Muslims who in the interests of Christian Muslim rapprochement minimize theological differences between the two faiths especially in the area of Christology Such attempts at rapport he writes do a profound disservice to both religions Illustrating the Muslim view of Christ with Islamic polemical texts from the eleventh to the twenty first centuries the author draws on Hans Urs von Balthasar and other theologians of kenotic Christology to show how Islamic condemnations of divine weakness and neediness can deepen our appreciation of what is most uniquely Christian in our vision of Jesus as God made man who voluntarily experiences weakness suffering and death in solidarity with all human beings Both timely and urgently needed The Crucifix on Mecca's Front Porch invites readers to reflect on the stark differences between Christianity and Islam and to appreciate the uniqueness of the Christian faith **The Secular Sacred**

Markus Balkenhol, Ernst van den Hemel, Irene Stengs, 2020-09-01 How do religious emotions and national sentiment become entangled across the world In exploring this theme The Secular Sacred focuses on diverse topics such as the dynamic roles of Carnival in Brazil the public contestation of ritual in Northern Nigeria and the culturalization of secular tolerance in the Netherlands The contributions focus on the ways in which sacrality and secularity mutually inform enforce and spill over into each other The case studies offer a bottom up practice oriented approach in which the authors are wary to use categories of religion and secular as neutral descriptive terms The Secular Sacred will be of interest to sociologists anthropologists ethnographers political scientists and social psychologists as well as students and scholars of cultural studies and semiotics Chapter 1 is available open access under a Creative Commons Attribution 4.0 International License via link.springer.com

Non-Shia Practices of Muharram in South Asia and the Diaspora Pushkar Sohoni, Torsten Tschacher, 2021-09-26 This book analyses engagements with non Shia practices of Muharram celebrations in the past and present in South Asia and within a larger diaspora Breaking new ground by bringing together a variety of regional perspectives the Deccan the Punjab Singapore South Africa and Trinidad and Tobago and linguistic backgrounds Bhojpuri Gujarati Marathi Punjabi Tamil Urdu

the chapters discuss the importance of Mu arram celebrations in terms of their respective actors While in some cases these include an interrelationship with Shia Muslims and their traditions of mourning during Mu arram other contributions address contexts in which Shias and even Muslims form only a minor component of the celebrations or even none at all Focusing on Mu arram celebrations that are beyond the script provided by Shia Mu arram practices this book opens up new perspectives on Mu arram as a social practice widely shared by South Asians across regions The book will be a key resource to scholars and students of South Asian studies Asian religion in particular rituals and religious practices and Islamic studies but also engaging to non academic readers interested in the practices of several regions
