My Gift A Relentle Abault On Parksinsons And Lifes Other Obstacles:

My Gift Bruce Layne, 2003-06 We've all heard several of our friends state with conviction those famous hollow words I should write a book As Bruce Layne reflected on his life it occurred to him that he had a lot to say to his kids and grandkids that would best be expressed in a book These would not be passing words They would be etched in print for his family and offspring to read over and over through the years Layne's story tells of overcoming the challenges of a family split up a disastrous first attempt at college his efforts to revolutionize the insurance industry his bringing business acumen to the often helter skelter world of big time boxing his foray into state politics and his latest major battle against Parkinson's disease Through it all he's employed a gentle demeanor and a firm resolve that is beguiling and intoxicating to observe One of his friends said of Bruce He's a velvet hammer When you see what he's faced and what he's overcome you can't help but be inspired by his life **Parliamentary Debates (Hansard)**.
