Number Hall:

Narrative of the Second Arctic Expedition Made by Charles F. Hall Charles Francis Hall, United States Naval Observatory, 1879 Contains a preliminary chapter on Hall's three expeditions and the Franklin search and two chapters on the preparations for the second expedition **Lineal List of Commissioned and Warrant Offices of the Marine Corps Reserve, 1 September 1956** United States. Marine Corps, 1957 Porn Robert J. Stoller, 1991-01-01 Bill Merlin Happy and Kay are among the porn film performers and producers who tell their stories to Dr Robert J Stoller in this psychodynamic ethnography of adult heterosexual pornography Their engrossing accounts reveal in rich detail not only the inner workings of the Industry and the fantasies and motivations of its participants but also the relation between this most denigrated of occupations and normal human erotic behavior and attitudes Consistently nonjudgmental about the material he presents Dr Stoller nevertheless draws provocative conclusions about porn its practitioners and its effects on society Everyone at work on a porn production he says uses it as a vehicle for unloading his or her rage against something mores institutions laws parents females or males According to Dr Stoller pornography does not exist only to degrade women there is no reliable evidence that it increases the frequency of rape and with the exception of child porn it does little harm Pornography says Dr Stoller seems more the result of our changing society than a cause of change it reflects more than influences our values and mores

By Strength, We Are Still Here Crystal Gail Fraser, 2024-12-13 The first comprehensive study of Indian residential schools in the North In this ground breaking book Crystal Gail Fraser draws on Dinjii Zhuh Gwich in concepts of individual and collective strength to illuminate student experiences in northern residential schools revealing the many ways Indigenous communities resisted the institutionalization of their children After 1945 federal bureaucrats and politicians increasingly sought to assimilate Indigenous northerners who had remained comparatively outside of their control into broader Canadian society through policies that were designed to destroy Indigenous ways of life Foremost among these was an aggressive new schooling policy that mandated the construction of Grollier and Stringer Halls massive residential schools that opened in Inuvik in 1959 eleven years after a special joint committee of the House of Commons and the Senate recommended that all residential schools in Canada be closed By Strength We Are Still Here shares the lived experiences of Indigenous northerners from 1959 until 1982 when the territorial government published a comprehensive plan for educational reform Led by Survivor testimony Fraser shows the roles both students and their families played in disrupting state agendas including questioning and changing the system to protect their cultures and communities Centring the expertise of Knowledge Keepers By Strength We Are Still Here makes a crucial contribution to Indigenous research methodologies and to understandings of Canadian and Indigenous histories during the second half of the twentieth century *The Cyclopædia, Or, Universal Dictionary of Arts, Sciences, and Literature* Abraham Rees, 1819 **Uniform Numbers of the NFL** John Maxymuk, 2015-02-16 Football is a game of numbers fourth and inches the three man rush a two point conversion first down

Even with the obvious numbers in the statistics rules and game situations the players uniform numbers themselves have become part of professional football and its lore NFL players like modern day gladiators are fitted head to toe in protective gear obscuring even their faces from their most loyal fans They have become largely identifiable through their uniform numbers You cannot conjure up Larry Csonka without seeing the number 39 crashing through the line of scrimmage or recall Lawrence Taylor without imagining the fear his 56 inspired in opposing quarterbacks This comprehensive reference work lists all 32 current franchises of the NFL and includes brief team histories statistics and interesting facts Each chapter ends with an all time numerical roster listing the numbers 1 through 99 in some cases beginning with 00 and everyone from Hall of Famer to replacement player who has ever worn the corresponding number for that club Four appendices are included
