Organization Of Services For Mental Health:

Organization of Services for Mental Health Michelle Funk, World Health Organization, Soumitra Pathare, 2003-12-11
The organisation of mental health services has an important bearing on the effectiveness of service delivery and on the achievement of objectives of national mental health policies This publication does not aim to prescribe a single model for service organisation as this depends on the social cultural political and economic context within individual countries rather it seeks to highlight examples of good practice in successful service delivery models in order to provide guidance to countries in different regions of the world on the key issues involved This publication is also available as part of a set of eight mental health policy and service publications containing practical guidance to assist policy makers and planners in WHO member countries ISBN 0119894173 The Future Organization of Mental Health Services in California California.
