The Immortal's Hunger Kelli Ireland, 2016-10-01 WHEN YOU PLAY WITH FIRE It was only a matter of time before Gareth Brennan had to die Before he made that ultimate sacrifice the assassin wanted to know warmth once again His recent experiences had destroyed his ability to create fire yet sexy bartender Ashley Clement was now igniting one within him As a Phoenix Ashley had limited time herself soon a male Phoenix would claim her Unless she could find a lover Gareth was the perfect man for the job Except he was no human and their union might draw even more danger But to deny their fiery attraction that was a truly impossible task Hunger Knut Hamsun, 2023 Hunger is the first person story of a young man desperately trying to establish himself in the city as a writer living in shabby lodgings where he can seldom afford to pay the rent eating almost nothing and engaging spasmodically and manically with landladies eccentric elderly men policemen shopkeepers pawnbrokers and others on the way He wanders around the streets sits on benches trying to write spends a night locked in a pitch dark police cell thinks slides into remarkably inventive reveries speculates on his mental health his ethical comportment his relation to the divinity the topics he might write about The traces of a consistent narrative logic are uncertain and blurred the voice of the narrator keeps shifting between pragmatic appraisal of his situation wild fantasies manic outbursts anger and despair This is a story that lies on the threshold of modernism anticipating many of the dislocations that narrative will be subject to in the decades to come Book by Book Michael Dirda, 2025-04-16 As warm and stimulating as a library to which one returns again and again the Pulitzer Prize winning critic discusses the rewards of reading books Chicago Tribune Editor's Choice Once out of school most of us read for pleasure Yet there is another equally important though often overlooked reason that we read to learn how to live Though books have always been understood as life teachers the exact way in which they instruct cajole and convince remains a subject of some mystery Drawing on sources as diverse as Dr Seuss and Simone Weil P G Wodehouse and Isaiah Berlin Pulitzer Prize winning critic Michael Dirda shows how the wit wisdom and enchantment of the written word can inform and enrich nearly every aspect of life from education and work to love and death Organized by significant life events and abounding with quotations from great writers and thinkers Book by Book showcases Dirda's considerable knowledge which he wears lightly Favoring showing rather than telling Dirda draws the reader deeper into the classics as well as lesser known works of literature history and philosophy always with an eye to what is relevant to how we might better understand our lives Highly cultured yet never pretentious Dirda's survey convincingly demonstrates what a wealth of life lessons moral emotional and aesthetic a good library can contain Publishers Weekly Hunger, Hope, and Healing Sarahjov Marsh, 2015-02-24 A yoga centric approach to dealing with disordered eating like overeating food addiction and stress eating and the resulting emotional distress such behaviors

Paul Anderson, 2011-07-27 An epic novel of genius and obsession apocalyptic lyrical and erotically charged Spanning three centuries and two cultures Hunger's Brides brings to vivid life the greatest Spanish poet of her time Sor Juana In s de la Cruz and plumbs a mystery that has intrigued writers as diverse as Robert Graves Diane Ackerman Eduardo Galeano and Nobel laureate Octavio Paz Why did a writer of such gifts silence herself At the time of her death in 1695 Juana In s de la Cruz was arguably the greatest writer working in any European tongue yet she had never set foot in Europe Instead she was born among the descendants of the Aztec empire in the shadow of the mountain pass Cort s and his troops descended on their advance to Montezuma s capital A child prodigy from a barbarous wilderness her beauty and wit provoked a sensation at the viceregal court in Mexico City But at the age of nineteen still a favourite of the court Juana entered a convent and from that point her life unfolded between the mystery of her sudden flight from palace to cloister and the enigma of her final vow of silence signed in blood After a quarter century of graceful often sensuous poetry plays and theological argument Sor Juana chose silence which she maintained until she died of plague at the age of forty five Drawing on chronicles of the conquest

and histories of the Inquisition myth cycles and archeological studies ancient poetry and early Spanish accounts of blood sacrifice Hunger's Brides is a mammoth work of inspired historical fiction framed in a contemporary mystery In the dead of a Calgary winter night a man escapes from an apartment in which a young woman lies bleeding in his arms he clutches a box he has found on her table addressed to him He is Donald Gregory a once respected now disgraced academic She is Beulah Limosneros one of his students and for a brief time his lover Brilliant erratic voracious she had disappeared two years earlier in Mexico following the thread of her growing obsession with Sor Juana Over the ensuing days and weeks as a police investigation closes in around him Gregory pieces together the contents of the box she has left him a poetic journal of her travel in Mexico diaries research notes unposted letters and a strange manuscript part biography part novel on Sor Juana Hunger's Brides is a dramatic unveiling of three intimate journeys a man's forced march to self knowledge a great poet's withdrawal from the world and a profane mystic's pilgrimage into modern Mexico in which the bones of the past constantly poke through a present built on the ruins of the vanguished Excerpt from Hunger's Brides From the moment I was first illuminated by the light of reason my inclination toward letters has been so vehement that not even the admonitions of others nor my own meditations have been sufficient to cause me to forswear this natural impulse that God placed in me that inclination exploded in me like gunpowder Sor Juana in a letter of self defence written to a bishop in 1691 just before she Hunger: A Novella and Stories Lan Samantha Chang, 2009-09-08 A masterwork of enormous power took a vow of silence Min Jin Lee author of Pachinko The searing debut of one of the most influential writers in American letters Hunger is a masterpiece a necessary haunting Justin Torres author of We the Animals A powerful exploration of the Asian American experience Hunger weaves the forces of war and magic food and desire ghosts and family into poignant tales of love and loss Celebrated author Lan Samantha Chang illuminates the lives of first generation immigrants from China culturally and emotionally uprooted from their homeland who mistrust connection even as they hunger for attachment and shows how their choices shape their children The characters who inhabit this extraordinary collection a work of gorgeous enduring prose Helen C Wan Washington Post are caught between the burden of their past and the fragility of their unchartered future
