Radical Holiness For Radical Living:

Radical Holiness for Radical Living C. Peter Wagner, 1998-11 **Apostles and Prophets** C. Peter Wagner, 2000-10-05
Jesus revealed Himself to be the cornerstone of the church But He has built His church and continues to build it through apostles and prophets people who are empowered by the Holy Spirit Now a leader of the New Apostolic Reformation gives us new insights into how the people called to crucial roles in the church apostles prophets evangelists pastor and teachers must work together to fulfill their divine purpose For the first time since the Early Church God is harnessing apostles and prophets to fulfill the promises of His divine plan Prepare to play your part **Charisma and Christian Life** ,1999 *Warfare Prayer* C. Peter Wagner, 2009-10-28 Warfare Prayer provides a toolbox and an operator s manual for those who take seriously the Apostle Paul s statement that we wrestle not against flesh and blood but against principalities and powers The demonic world around us is a reality but all too few believers understand that realm of darkness to say nothing of having the skills to use effectively the weapons of warfare that God has given us Based on a combination of sound biblical theology and real life experiences this book is a user friendly guide for those committed enough to join the army of God **Reformer's Pledge** Bill Johnson, Lance Wallnau, Chuck Pierce, Heidi Baker, C. Peter Wagner, James W. Goll, John Arnott, Cindy Jacobs, Lou Engle, Jim Garlow, 2010-11-01 Too often Christian leaders trying to reform society are perceived as intolerant right wing conservatives without an ounce of compassion The truth is many people trying to bring about positive societal reformation are very compassionate and loving people The selected writers who contributed to this book are compassionate reformers I am privileged to know each author and consider all of them dear friends Ch Ahn The Reformer s Pledge is an exciting collection of ten essays by the following respected and dedicated Church leaders Bill Johnson James W Goll Lance Wallnau John Arnott Chuck Pierce Cindy Jacobs Heidi Baker Lou Engle C Peter Wagner Jim Garlow With insight and anointing each author presents a clear picture of reforms that need to be made and the kind of actions required by believers to be in step with God s plan Poignant topics include racism love prayer defending the sanctity of marriage and other fundamental issues facing the Church today Each important topic is addressed thoroughly and sensitively in Spirit inspired chapters sure to stir your soul ignite your calling and fulfill your God given destiny *A Divine Alliance* Jim Laffoon, 2001-07 **Saints and Feasts of the Liturgical Year** John Paul Thomas, 2023-12-10 If a list were made of the greatest human beings who have ever lived those reflected upon in this four volume series would be at the top of that list Though historians often attempt to judge greatness from their own subjective perspective there must be an objective criteria by which human greatness is judged The only Person Who is capable of establishing that criteria is God The criteria that God has established are the virtues as identified by Jesus and revealed by Him through the holy Gospels The goal of this four volume series is to present each saint found on the Catholic liturgical calendar as a Solemnity Feast or Memorial in such a way as to identify the Godly virtues that place them on the top of that list Though their greatness has already been established and their heroic virtues confirmed by the

Church God chose the men and women found in these pages not only for greatness in their lifetimes but also as models of holiness in ours These men and women are gifts to you given by God through the Church Every saint is unique but every saint is similar because each one became living witnesses to Christ and living Gospels for a world in need Some saints were united to God through martyrdom some through virginity and chastity some through works of charity and some through lives of intense prayer The saints have come from every culture every socio economic background every level of education and every personality type Through every saint God shines forth radiating His abundant mercy through the diversity of their lives In the end it is not their personality preferences gifts or any other unique qualities that unite them as the one communion of saints It is God and God alone Who floods their souls and forms them into a united song of praise of God s eternal glory Why read about the saints Why learn about their lives Why ponder what they said and did The answer is simple You are called to be among their company You are called to become as holy as they were transformed by God s grace and to radiate that grace in the world today At first the virtues of the saints might seem to be out of your reach The saints can appear to be superhuman The truth is that the saints became fully human by becoming who they were created to be They rejected the deceptions of the devil the seductions of the world and the weaknesses of the flesh Instead they discovered the truths of God sought out the riches of Heaven and became filled with the strength of every virtue As you read about the lives of the saints ponder their words and actions study their heroic virtues and learn from their lives of prayer allow yourself not only to be inspired by them but also to desire to imitate them Nothing is stopping you from being counted among the saints in Heaven God promises to lavish every grace upon you that you need to walk down that holy path Only when you refuse His grace is that mission thwarted

Church, Identity, and Change David A. Roozen, James R. Nieman, 2005-05-02 Since colonial days religious work in American has happened through denominations At least since the start of the twentieth century these religious bodies consisted of a fairly tight intra denominationally connected system of congregations regional judicatories and national offices This system was the product of more than two centuries of consolidation among Americanbs historic immigrant and indigenous churches The vast majority of these structures are still in place retain some semblance of internal coherence have considerable social and religious significance and will be with us for the foreseeable future Nevertheless the stresses upon them today clearly indicate that they are entering an unsettled period of transition The purpose of this book is to examine the national structures of eight diverse Protestant denominations as a part of that shift The frame of this study is the relationship between the theological and organizational nature of national denominational structures as they adapt to the changing situation of the twenty first century
