## **Radio Canada International History And Development:**

*War of the Black Heavens* Michael Nelson, 1997-12-01 International diplomacy and a changing global economy did not bring about the fall of the Iron Curtain Radio did and it was mightier than the sword Based on first hand interviews and documents from the Central Committee of the Soviet Communist Party Michael Nelson shows that Western radio principally the British Broadcasting Corporation Radio Free Europe Radio Liberty and the Voice of America were unrivaled forces in the fight against communism and the fall of the Iron Curtain The Communists did everything in their power to prevent the infiltration of Western thought into their world resorting to jamming radio signals assassinating staff and bombing stations The Russians for example decided to stop the mass production of short wave radios so that their citizens could not hear Western broadcasts *War of the Black Heavens* reveals that due to administrative incompetence short wave radio production continued making worthless many of the billions of dollars spent on jamming These radio programs introduced a forbidden exciting culture to millions of eager listeners Pop music talk shows news and information about consumer goods all relayed a message of the good life subtly undermining the values of the communist regimes Western radio actively connected listeners with the cultures of Europe and North America *War of the Black Heavens* describes an unheralded story of success and adds a new interpretation that helps us understand some of the most momentous political events of this century

**Cyber-diplomacy** Evan H. Potter, 2002 Potter communications U of Ottawa formerly a senior strategist in the Communications Bureau at the Canadian Department of Foreign Affairs and International Trade DFAIT argues that advances in information technology will act as catalysts for forces of fragmentation and integration in the current international system He presents seven contributions that explore the theoretical implications of the growth of information technologies and test their ideas on how the processes have manifested and the DFAIT Also discussed are the ability of NGOs and social movements to use communication technologies to resist multilateral trade agreements the impact of CNN and other global television phenomena and the possibilities that governments can use information technologies to enhance their public diplomacy and their soft power Annotation copyrighted by Book News Inc Portland OR **The Early Shortwave Stations**

Jerome S. Berg, 2013-10-04 In July 1923 less than three years after Westinghouse station KDKA signed on company engineer Frank Conrad began regular simulcasting of its programs on a frequency in the newly discovered shortwave range It was an important event in a technological revolution that would make dependable worldwide radio communication possible for the first time In subsequent years countless stations in practically all countries followed suit taking to shortwave to extend reception domestically or reach audiences thousands of miles away Shortwave broadcasting would also have an important role in World War II and in the Cold War In this his fourth book on shortwave broadcast history the author revisits the period of his earlier work *On the Short Waves 1923 1945* and focuses on the stations that were on the air in those early days The year by year account chronicles the birth and operation of the large international broadcasters as well as the numerous

smaller stations that were a great attraction to the DXers or long distance radio enthusiasts of the time With more than 100 illustrations and extensive notes bibliography and index the book is also a valuable starting point for further study and research

**Broadcasting on the Short Waves, 1945 to Today** Jerome S. Berg, 2008-10-24 Shortwave broadcasting originated in the 1920s when stations used the new technology to increase their range in order to serve foreign audiences and reach parts of their own country not easily otherwise covered The early days of shortwave radio were covered in *On the Short Waves 1923 1945 Broadcast Listening in the Pioneer Days of Radio* published by McFarland in 1999 paperback 2007 Then two companion volumes were published picking up the story after World War II They were *Listening on the Short Waves 1945 to Today* McFarland 2008 paperback 2010 which focuses on the shortwave listening community and the present *Broadcasting* title about the stations themselves and their environment The heart of the book is a detailed year by year account of the shortwave bands in each year from 1945 to 2008 It reviews what American listeners were hearing on the international and domestic shortwave bands describes the arrivals and departures of stations and recounts important events The book describes the several categories of broadcasters international domestic private religious clandestine and pirate It explains the impact of relay stations frequency management and jamming It also addresses the considerable changes in shortwave broadcasting since the end of the Cold War The book is richly illustrated and indexed and features a bibliography and extensive notes

**Radio Canada International** James L. Hall, 1997 Radio Canada International probes the policies of Canadian shortwave broadcasting the Canadian Broadcasting Corporation's International Service and Radio Canada International from 1945 to 1985 to determine why and how this voice of a middle power broadcast to a world radio audience Hall explains why Radio Canada International's shortwave service persisted despite the absence of documentable impact and despite challenges to its legitimacy as the voice of Canada

*Wheeler's Wake Volume I* Andrew Clyde Little, 2012-02-06 Volume II of *Wheeler's Wake* continues the story of a communications pioneer involved in shortwave radio and the birth of television Wheeler also managed to raise a son while dealing with a highly neurotic wife It traces how he balanced a demanding career with the role of a father in a difficult marriage This support for his son allowed the author to grow into a responsible adult who eventually followed in his father's wake shaping his own career using some of the technology Wheeler developed It is a tribute to a remarkable man from a devoted and loving son Andrew Clyde Little

**Propaganda and Mass Persuasion** Nicholas J. Cull, David H. Culbert, David Welch, 2003-07-15 A truly international authoritative A Z guide to five centuries of propaganda in both wartime and peacetime which covers key moments techniques concepts and some of the most influential propagandists in history This fascinating survey provides a comprehensive introduction to propaganda its changing nature its practitioners and its impact on the past five centuries of world history Written by leading experts it covers the masters of the art from Joseph Goebbels to Mohandas Gandhi and examines enormously influential works of persuasion such as *Uncle Tom's Cabin* techniques such as films and posters and key concepts like black propaganda and

brainwashing Case studies reveal the role of mass persuasion during the Reformation and wars throughout history Regional studies cover propaganda superpowers such as Russia China and the United States as well as little known propaganda campaigns in Southeast Asia Ireland and Scandinavia The book traces the evolution of propaganda from the era of printed handbills to computer fakery and profiles such brilliant practitioners of the art as Third Reich film director Leni Riefenstahl and 19th century cartoonist Thomas Nast whose works helped to bring the notorious Boss Tweed to justice *Media and the British Empire* C. Kaul,2006-03-28 The only true history of a country wrote Thomas Macaulay is to be found in its newspapers This book explores how the media shaped and defined the economic social political and cultural dynamics of the British Empire by viewing it from the perspective of the colonised as well as the colonisers *Branding Canada* Evan H. Potter,2009 Looking at Canada's public diplomacy abroad through culture international education and international broadcasting **History of International Broadcasting** James Wood,1992 Vol 1 The following topics are dealt with radio instrument foreign policy information broadcasting radio telephony and wartime broadcasting *Distant Stage* Eric Fillion,2022-11-04 It is a little known fact that the first cultural agreement Canada signed was with Brazil in 1944 The two countries rapprochement launched a flurry of activity connecting Montreal to Rio de Janeiro amid the turbulence of war and its aftermath Why Brazil And what could songs and paintings achieve that traditional diplomacy could not *Distant Stage* examines the neglected histories of Canada Brazil relations and the role played by culture in Canada's pursuit of an international identity The efforts of French Canadian artists intellectuals and diplomats are at the heart of both Eric Fillion demonstrates how music and the visual arts gave state and non state actors new connections to the idea of nation which in turn informed their sense of place in the world Tracing the origins of Canadian cultural diplomacy to South America the book underscores the significance of race and religion in the country's international history showing how Brazil served as a distant stage where Canadian identity politics and aspirations could play out Both a timely invitation to think about cultural diplomacy as a critical practice and a reflection on the interplay between internationalism and nationalism *Distant Stage* draws attention to the ambiguous yet essential roles played by artists in international and intercultural relations *Mirror Images* Alan J. Yates,2011-08-31 Take an unusual and wry look at the mass media by joining an industry insider who recalls the high and low points of an almost forty year career Alan J Yates a media professional and academic dissects the media business as a consumer theorist and participant He observes that we tend to be literate when it comes to information technology but often illiterate regarding media process and impact As Yates looks back over his career he shares personal anecdotes and lessons learned on the front lines of the business He also examines a multitude of issues including various connotations of the truth ways to improve the training of media professionals strategies to break into the news business and further your career The physical nature and infrastructure of the media constantly changes and as technology becomes faster smaller and handier the media can begin to have insidious influences Yates emphasizes the importance of knowing what to

guard against in this fast changing world Whether you are an observer of the media a participant or a student in Mirror Images youll find an honest assessment of the medias history future and impact on the world *John P.L. Roberts, the CBC/Radio Canada, and Art Music* Friedemann Sallis, Regina Landwehr, 2020-10-15 This book examines the impact of the Canadian Broadcasting Corporation Soci t Radio Canada CBC SRC on the development of art music in Canada during the broadcaster s first fifty years 1936 1986 In so doing it investigates the achievement of one man John Peter Lee Roberts Born in Australia he arrived in Canada in 1955 and over the next thirty years he worked tirelessly as a producer administrator and adviser at the state broadcaster to bring the music of Canada to the world and the world of music to Canadians Roberts also played a crucially important role in commissioning disseminating and promoting new music by Canadian composers

**Plateaus of Freedom** Mark Kristmanson, 2003-01-01 This book is a cultural studies reading of Canadian culture and its security dimension during the Second World War and then later the Cold War Kristmanson uses a wide variety of evidence to construct a provocative argument about the formation and maturity of the Canadian state during the time period other historians have characterized as Canada s evolution from colony to nation **Reading Beyond the Book** Danielle

Fuller, DeNel Rehberg Sedo, 2013-04-02 Literary culture has become a form of popular culture over the last fifteen years thanks to the success of televised book clubs film adaptations big box book stores online bookselling and face to face and online book groups This volume offers the first critical analysis of mass reading events and the contemporary meanings of reading in the UK USA and Canada based on original interviews and surveys with readers and event organizers The resurgence of book groups has inspired new cultural formations of what the authors call shared reading They interrogate the enduring attraction of an old technology for readers community organizers and government agencies exploring the social practices inspired by the sharing of books in public spaces and revealing the complex ideological investments made by readers cultural workers institutions and the mass media in the meanings of reading Canadian Sport Marketing Norm O'Reilly, Benoit Seguin, Gashaw Abeza, Michael L. **Disputes and Cultural Ideas in the Canadian Arctic** Danita Catherine Burke, 2017-08-22 This book explores the Canadian relationship with its portion of the Arctic region which revolves around the dramatic split between the appearance of absent

minded governance bordering on indifference toward the region and the raging nationalism during moments of actual and perceived challenge toward the sovereignty of the imagined Canadian Arctic region Canada's nationalistic relationship with the Arctic region is often discussed as a reactionary phenomenon to the Americanization of Canada and the product of government propaganda As this book illustrates however the complexity and evolution of the Canadian relationship with the Arctic region and its implication for Canada's approach toward international relations requires a more in depth exploration Please be aware that an error has been noted for Table 1.1 on page 71 In this table the sub category Inuit is mislabelled It should read Native Indians and Inuit as the data presented represents this Canadian census sub category which calculated all indigenous peoples and Inuit peoples together
