Diane Foxhill Carothers, 2016-11-10 First published in 1991 this book presents a comprehensive annotated bibliography of radio broadcasting Its eleven chapter categories cover almost the entire range of radio broadcasting with the exception of radio engineering due to its technical complexity although some of the historical volumes do encompass aspects thus providing background material Entries are primarily restricted to published books although a number of trade journals and periodicals are also included Each entry includes full bibliographic information including the ISBN or ISSN where available and an annotation written by the author with the original text in hand The Collected Letters of Robinson Jeffers, with Selected Letters of Una Jeffers James Karman, 2011-10-12 The 1930s marked a turning point for the world Scientific and technological revolutions economic and social upheavals and the outbreak of war changed the course of history The 1930s also marked a turning point for Robinson Jeffers both in his career as a poet and in his private life The letters collected in this second volume of annotated correspondence document Jeffers rising fame as a poet his controversial response to the turmoil of his time his struggles as a writer the growth and maturation of his twin sons and the network of friends and acquaintances that surrounded him The letters also provide an intimate portrait of Jeffers relationship to his wife Una including a full account of the 1938 crisis at Mabel Dodge Luhan s home in Taos New Mexico that nearly destroyed their marriage *The Adventures of Ozzie Nelson* John R. Holmes, 2021-09-28 When Ozzie Nelson died in 1975 he was no longer a household name For a guy who had created the longest running TV sitcom in history invented the rock video and fronted one of the most successful big bands of the 1930s it s baffling that Nelson has faded so far from American media memory Larger than life offscreen an attorney college football star cartoonist songwriter major band leader Ozzie created a smaller than life TV persona the bumbling average Dad who became known to the rock generation which included his teen idol son Rick Nelson as the essence of blandness But America also saw Ozzie as their iconic Dad not a father knows best since his pontifications usually proved flawed by the end of each episode but the father who tried his best This book is the only full length biography of Ozzie Nelson since he published his memoirs in 1973 It treats the big band and early TV icon with affection and hints that American pop culture may owe more to Ozzie than is generally acknowledged **Reagan's Journey** Margot Morrell, 2011-05-03 A RENOWNED LEADERSHIP EXPERT EXAMINES THE LIFE OF R ONALD REAGAN EXTRACTING THE KEY C OMponents OF HIS IMMENSE S Uccess PERSONAL AND PROFESSIONAL AND OFFERS AN ILLUMINATING MODEL F OR LEADERS AND MANAGERS IN EVERY WALK OF LIFE Since leaving office Ronald Reagan has emerged as among America s greatest and best loved leaders Today he is known as the Great Communicator but in the course of his sixty year career Reagan faced obstacles and hardships that could have stalled him at any point along the way After every disaster he picked himself up and kept moving forward How did he manage his career and handle the hurdles involved in

transitioning from actor and union official into a public speaker in high demand and from there into an extraordinarily successful politician What can we learn from the way the perennial new kid in town muscled through adversities maintained his focus stayed true to his principles and achieved his goals In a compelling narrative that is both a motivational leadership teaching tool and a fascinating biography bestselling author Margot Morrell sheds light on the challenges and heartbreaks that shaped Ronald Reagan Four times his life slammed into a brick wall his 1948 divorce from actress Jane Wyman the termination of his long standing contract with Warner Bros the end of his eight year association with General Electric and a hard fought loss to President Gerald Ford in the 1976 primary campaign Setting politics and policies largely aside Morrell highlights the strategies and tactics Ronald Reagan used to transform himself from shy introvert to confident communicator the methods and tools he employed to keep his career on track and the skills he developed that led to his many accomplishments Each chapter of Reagan s Journey is followed by summary bullet points and an essential overview titled Working It In to facilitate these lessons into your formation as a leader Anyone interested in strengthening their leadership and communications skills becoming more resilient in the face of setbacks or taking their careers to the next level will find practical and useful lessons in the life of Ronald Reagan
