The image displays two sample pages from a 'Body Measurement' notebook. The left page is a simple form with a title 'Body Measurement' and a list of body parts to be measured: waist, hips, chest, shoulders, arms, legs, feet, and hands. Each item has a line next to it for recording the measurement. The right page is a more detailed form with the same title and list, but it also includes a silhouette of a person's body. The silhouette is used to mark the locations for measurements: waist, hips, chest, shoulders, arms, legs, feet, and hands. The right page also has lines for recording the measurements.
