them These pageants were one of the most significant aspects of popular engagement with the past between the 1900s and
the 1970s they took place in large cities small towns and tiny villages and engaged a whole range of different organised
groups including Women s Institutes political parties schools churches and youth organisations Pageants were community
events bringing large numbers of people together in a shared celebration and performance of the past they also involved
many prominent novelists professional historians and other writers as well as featuring repeatedly in popular and highbrow
