A New Nation ,2000 **Democracy & Education** ,2006 *The Nordic Wave in Place Branding* Cecilia Cassinger,Andrea Lucarelli,Szilvia Gyimóthy,2019 The widespread international interest in the Nordic region and the mobility of Nordic brand imaginaries call for more research into the global relevance of Nordic place branding practices This book offers a timely attempt to unpack the specificity of the Nordic in regard to place branding by gathering different transdisciplinary accounts written by researchers in marketing tourism geography communication sociology and political science *El-Hi Textbooks & Serials in Print*, 2000 ,2000 **The Software Encyclopedia 2001** ,2001 *The adventure* Sébastien Bachelet,2025-07-08 This ethnographic exploration of irregular migration from Western and Central Africa in Morocco deconstructs dehumanising narratives of a migration crisis and a sub Saharan problem in politics of migration The book provides an original focus on how migrants understood and experienced their entrapped mobility The emic notion of the adventure at the heart of this study sheds light on a transformative epic quest to carve out a better life and future The book traces how young men from Western and Central Africa sought to assert themselves as agents of their own destinies despite uncertain illegalising processes In steering away from aesthetics of despair and fearmongering narratives the book brings new insights into inter disciplinary debates e g illegality uncertainty immobility violence suffering transit etc Such focus is essential to draw out the complexity and existential depth of irregular migrants lives journeys and stories **Geography in America at the Dawn of the 21st Century** Gary L. Gaile,Cort J. Willmott,2005 Geography in America at the Dawn of the 21st Century surveys American geographers current research in their specialty areas and tracks trends and innovations in the many subfields of geography As such it is both a state of the discipline assessment and a topical reference It includes an introduction by the editors and 47 chapters each on a specific specialty The authors of each chapter were chosen by their specialty group of the American Association of Geographers AAG Based on a process of review and revision the chapters in this volume have become truly representative of the recent scholarship of American geographers While it focuses on work since 1990 it additionally includes related prior work and work by non American geographers The initial Geography in America was published in 1989 and has become a benchmark reference of American geographical research during the 1980s This latest volume is completely new and features a preface written by the eminent geographer Gilbert White *A Survey of Reclamation: how the Great Government Adventure in Irrigation of the Arid West Came Into Being and what it Has Accomplished* ,1923 *Alternative Health Practices for Livestock* Thomas Morris,Michael Keilty,2008-06-02 The idea that current methods of food production are not sustainable in the long term is a controversial topic This book provides information that will advance a form of livestock production that meets the long and short term goals of human food production minimizing degradation of natural resources Important concerns regarding food safety particularly antibiotic and chemical residues in meat milk and other livestock foods have stimulated renewed interest in alternative methods of

promoting livestock health Alternative Health Practices for Livestock is the first compilation of its kind for veterinarians agriculture extension educators and livestock producers It provides a well referenced overview of some of the alternative livestock practices currently being examined Key Features A much needed information source on alternative health for large animals Contributions from veterinarians farmers extension educators and university professors Discusses the necessity for more validated scientific assessments of alternative and herbal therapies in livestock production Includes chapters on ways to promote alternative methods of health care for livestock including steps to obtain research funding

The Sola Valley and the Monte Albán State Andrew K. Balkansky, 2002-01-01 Balkansky's full coverage survey of the Sola Valley 65 km southwest of Oaxaca City documents 120 sites By combining his data with that of 13 other regions of Oaxaca he produces a model for Zapotec state expansion that integrates colonization diplomacy and military conquest

Personal Growth Through Adventure David Hopkins, Roger Putnam, 2013-11-26 First Published in 1994 Hopkins and Putnam hold a questioning and healthily sceptical attitude towards the theory and practice of adventure education something they claim has received insufficient reflection by practitioners on the nature of the process of adventure education This title outlines their claims that a clear and simple exposition of principles and consequently practice has not been well enough informed Written to stimulate debate the critical stance that prompted the authors way of thinking and so ultimately the book has a great deal to do with the pervading attitudes at the Outward Bound schools
