Rehabilitation Programmes The Performance And Quality Of Life Of Adults With Developmental Handicaps:

Quality of Life for People with Disabilities Roy I. Brown, 1997 Interest in quality of life has increased considerably over recent years and is now making considerable impact amongst all practitioners concerned with people with disabilities This book looks critically at the concepts assessment and practice as they relate to quality of life issues in many fields of disability The issues for professional training and practice are evaluated and the benefits of involvement in creative activities are examined Vocational social and leisure implications for quality of life considerations are also explored in a number of chapters Case studies and examples are used throughout the book to make this edition accessible and of real practical use to all those working with people with disabilities

Rehabilitation Programmes Roy I. Brown, Max B. Bayer, Christine MacFarlane, 1989

Behavioural and Social Rehabilitation and Training Roy I. Brown, E. Anne Hughson, 1993

Quality of Life and Disability Ivan Brown, 2003 The authors apply ideas about quality of life to the field of disability to assist front line professionals managers and policy makers in effective service provision They examine the historical context of the concept of quality of life and discuss the application of quality of life in the daily lives of people who have disabilities

Quality of Life: Application to persons with disabilities Robert L. Schalock, 1996 Volume II focuses on how the concepts and research on quality of life can be applied to people with mental retardation

International Review of Research in Mental Retardation, 2001-03-19 International Review of Research in Mental Retardation is an ongoing scholarly look at research into the causes effects classification systems syndromes etc of mental retardation Contributors come from wide ranging perspectives including genetics psychology education and other health and behavioral sciences

Professional Child and Youth Care Roy Ferguson, Carey J. Denholm, Alan R. Pence, 1993 Provides an overview of the spectrum of concerns within the field of child care in Canada The book pays particular attention to developments in the field from the mid 1980s to the mid 1990s

The Handbook of Intellectual Disability and Clinical Psychology Practice Alan Carr, Christine Linehan, Gary O'Reilly, Patricia Noonan Walsh, John McEvoy, 2014-01-02 The Handbook of Intellectual Disability and Clinical Psychology Practice will equip clinical psychologists in training with the skills necessary to complete a clinical placement in the field of intellectual disability The book is divided into seven sections which cover conceptual frameworks assessment frameworks and intervention frameworks and the specific problems that arise in infancy and early childhood middle childhood adolescence and adulthood Chapters combine discussion of the theoretical and empirical issues with practical considerations The authors incorporate detailed practice descriptions throughout which will allow clinicians to use the book as a step by step guide to clinical work Practice exercises are also included where relevant to aid skills development This comprehensive evidence based practice Handbook will prove an invaluable resource for anyone undertaking postgraduate training in clinical psychology as well as practising clinical psychologists psychiatrists and psychotherapists The Handbook of Intellectual Disability and Clinical Psychology Practice is one of a set of three Handbooks published by Routledge which includes The

Handbook of Child and Adolescent Clinical Psychology and The Handbook of Adult Clinical Psychology Edited by Alan Carr Muireann McNulty *Mental Health, Intellectual and Developmental Disabilities and the Ageing Process* Vee P.

Prasher, Philip W. Davidson, Flavia H. Santos, 2020-12-22 This book brings together findings from research and clinical practice with comprehensive coverage of the important aspects of mental health in ageing persons with intellectual and developmental disabilities It is crucial for professionals involved in the care of persons with all intellectual and developmental disabilities to have a broad understanding of the essential range of issues and therefore this book provides a truly multi disciplinary perspective complete with many figures and illustrations to underline the key points Undoubtedly research and clinical practice are much more advanced in the general ageing population than in persons with intellectual and developmental disabilities and so professionals and academics must be made fully aware of commonalities and idiosyncrasies of older people with intellectual and developmental disabilities This book presents the ongoing developments concerning mental health and aging which will become relevant to the intellectually disabled population Through experience this book also acknowledges that the impact on the persons themselves and on their carers always needs to be taken into account with treatment programs established with a multi faceted team approach in mind Avoiding the jargon of many titles in this area while maintaining the hands on approach of clinical practice this book meshes the practical and scientific worlds with all chapters written by leading experts in the field Beyond the US the IASSIDD support expands the book message worldwide
