Reinventing Richard Nixon Daniel E. Frick, 2008 Examining Nixon's autobiographies and political memorabilia Frick offers far reaching perceptions not only of the man but of Nixon's version of himself contrasted with those who would interpret him differently He cites reinventions of Nixon from the late 1980s particularly the museum at the Richard Nixon Library and Birthplace to demonstrate the resilience of certain national mythic narratives in the face of liberal critiques And he recounts how celebrants at Nixon's state funeral at which Bob Dole's eulogy depicted a God fearing American hero attempted to bury the sources of our divisions over him rendering in some minds the

judgment of redeemed statesman to erase his status as disgraced president With dozens of illustrations Nixon posing with Elvis the National Archives most requested photo Nixonian cultural artifacts classic editorial cartoons no other book collects in one place such varied images of Nixon from so many diverse media These reinforce Frick s probing analysis to help us understand why we disagree about Nixon and why it matters how we resolve our disagreements BOOK JACKET

theory of matria an imagined maternal space and time as a postcolonial psychoanalytic feminist framework for reading fictions of maternal history written by and about Caribbean women Tracing the development of the historical novel in four periods of the Caribbean past slavery colonialism revolution and decolonization this study argues that a pan Caribbean generation of women writers of varying discursive racial ized realities has depicted similar matria constructs and maternal motifs A politicized concept matria functions in the historical novel as a counternarrative to traditional historical and literary discourses Through close readings of the mother daughter plots in contemporary Caribbean women s historical fiction such as Andrea Levy s *The Long Song* Edwidge Danticat s *The Farming of Bones* Paule Marshall s *Praisesong for the Widow* and Marie Elena John s *Unburnable Matria Redux* considers the concept of matria an important vehicle for postcolonial psychoanalytic feminist literary resistance and political intervention Matria as a psychoanalytic postcolonial strategy therefore envisions by returning to history alternative feminist fictions futures and Caribbeans

Fiction, Film, and Indian Popular Cinema Florian Stadler, 2013-10-30 This book analyses the novels of Salman Rushdie and their stylistic conventions in the context of Indian popular cinema and its role in the elaboration of the author s arguments about post independence postcolonial India Focusing on different genres of Indian popular cinema such as the Social Mythological and Historical Stadler examines how Rushdie s writing foregrounds the epic the mythic the tragic and the comic linking them in storylines narrated in cinematic parameters The book shows that Indian popular cinema s syncretism becomes an aesthetic marker in Rushdie s fiction that allows him to elaborate on the multiplicity of Indian identity both on the subcontinent and abroad and illustrates how Rushdie uses Indian popular cinema in his narratives to express an aesthetics of hybridity and a particular conceptualization of

culture with which India has become identified in a global context Also highlighted are Rushdie s uses of cinema to inflect his reading of India as a pluralist nation and of the hybrid space occupied by the Indian diaspora across the world The book connects Rushdie s storylines with modes of cinematic representation to explore questions about the role place and space of the individual in relation to a fast changing social economic and political space in India and the wider world **What If I Had Been the Hero?** Sue Thornham,2019-07-25 Sue Thornham s study explores issues in feminist filmmaking through an examination of a wide range of films by women filmmakers ranging from the avant garde to mainstream Hollywood and from the 1970s to the present day discussing directors including Sally Potter Jane Campion Julie Dash Patricia Rozema and Lynne Ramsay **Eatymology** Josh Friedland,2015-11-03 Do you like your garlic Goodfellas thin Have you ever been part of a carrotmob Why are bartenders fat washing their spirits and what does that even mean Eatymology demystifies the most fascinating new food words to emerge from today s professional kitchens food science laboratories pop culture the Web and more With 100 definitions illustrations and fun food facts and statistics on everything from bistronomy to wine raves Eatymology shows you why it s absolutely imperative to adopt a coffee name and what it means to be gastrosexual and is the perfect gift for everyone from foodiots to brocavores Undead Ends S.
