Religion and Politics in Contemporary Iran Shahrough Akhavi, 1980 *Religion and Politics in Contemporary Iran* Shahrough Akhavi, 1980-06-30 Indispensable for understanding the recent conflicts in Iran Religion and Politics in Contemporary Iran provides a political history of the fluctuating relationships between the Islamic clergy and Iranian government since 1925 How different factions of the clergy or ulama first lost and then regained a powerful position in Iran is the subject of this book Akhavi analyzes how various factions within the clergy have responded to the government's efforts to encourage modernization and secularization giving particular attention to the changes in the madrasahs or theological colleges He examines the main themes of the Ayatullah Khumayni's book Islamic Government and concludes by examining the alignments among the clergy in the past that indicate how they may develop in the future **Religion and Politics in the Middle East** Robert D. Lee, 2018-04-19 This innovative book analyses the relationship between religion and politics in the Middle East through a comparative study of five countries Egypt Israel Turkey Iran and Saudi Arabia Robert D Lee examines each country in terms of four domains in which state and religion necessarily interact national identity ideology institutions and political culture In each domain he considers contradictory hypotheses some of them asserting that religion is a positive force for political development and others identifying it as an obstacle Among the questions the book confronts Is secularization a necessary prerequisite for democratic development How is it and why is it that religion and politics are so deeply entangled in these five countries And why is it that all five countries differ so markedly in the way they identify themselves and use religion for political purposes The book argues that the nature of religious organization and practice in the Middle East must be understood in the context of individual nation states The second edition is updated throughout and includes an entirely new chapter discussing the political and religious climate in Saudi Arabia Earlier introductory analysis has been condensed to make room for new material and chronologies at the end of each chapter have been added to help students understand the broader context The second edition of Religion and Politics in the Middle East is a robust addition to courses on the Middle East Islam, Democracy and Religious Modernism in Iran, 1953-2000 Forough Jahanbakhsh, 2001-01-01 This book discusses the general problematic of Islam and democracy and the ideas of certain Iranian religious modernists on the issue Examining the development of religious intellectualism in post revolutionary Iran it presents Abdolkarim Soroush's novel approach to this pertinent topic The 'Ulama in Contemporary Pakistan Mashal Saif, 2020-10-22 In this book Mashal Saif explores how contemporary ulama the guardians of religious knowledge and law engage with the world's most populated Islamic nation state Pakistan In mapping these engagements she weds rigorous textual analysis with fieldwork and offers insight into some of the most significant and politically charged issues in recent Pakistani history These include debates over the rights of women the country's notorious blasphemy laws the legitimacy of religiously mandated insurrection against the state sectarian violence and the place of Shi'as within the Sunni majority

nation These diverse case studies are knit together by the project's most significant contribution a theoretical framework that understands the ulama's complex engagements with their state as a process of both contestation and cultivation of the Islamic Republic by citizen subjects This framework provides a new way of assessing state ulama relations not only in contemporary Pakistan but also across the Muslim world

Hidden Iran Ray Takeyh, 2025-06-25 A leading expert explains why we fail to understand Iran and offers a new strategy for redefining this crucial relationship For more than a quarter of a century few countries have been as resistant to American influence or understanding as Iran The United States and Iran have long eyed each other with suspicion all too eager to jump to conclusions and slam the door What gets lost along the way is a sense of what is actually happening inside Iran and why it matters With a new hard line Iranian president making incendiary pronouncements and pressing for nuclear developments the consequences of not understanding Iran have never been higher Ray Takeyh a leading expert on Iran's politics and history has written a groundbreaking book that demystifies the Iranian regime and shows how the fault lines of Iran's domestic politics serve to explain its behavior In Hidden Iran he explains why this country has so often confounded American expectations and why its outward hostility does not necessarily preclude the normalization of relations Through a clearer understanding of the competing claims of Muslim theology republican pragmatism and factional competition he offers a new paradigm for managing our relations with this rising power

Islam and Democracy in Iran Ziba Mir-Hosseini, Richard Tapper, 2006-05-26 In today's world all eyes are on Iran which has grappled with an experiment that has had a massive global impact For some the Iranian Revolution of 1978-79 was the triumph of a modern political Islam heralding Muslim justice and economic prosperity Others including many of the original revolutionaries saw religious fanatics attempting to roll back time by creating a despotic theocracy Either way the Iranian Revolution changed the Muslim world It not only inspired the Muslim masses but also reinvigorated intellectual debates on the nature and possibilities of an Islamic state The new Islamic Republic of Iran combined not just religion and the state but theocracy and democracy Yet the revolution's heirs were soon engaged in a protracted struggle over its legacy Dissident thinkers from within an Islamic framework sought a rights based political order that could accept dissent tolerance pluralism women's rights and civil liberties Their ideas led directly to the presidency of Mohammad Khatami and despite their political failure they did leave a permanent legacy by demystifying Iranian religious politics and condemning the use of the Shariah to justify autocratic rule This book tells the story of the reformist movement through the world of Hasan Yousefi Eshkevari An active supporter of the revolution who became one of the most outspoken critics of theocracy Eshkevari developed ideas of Islamic democratic government which have attracted considerable attention in Iran and elsewhere In presenting a selection of Eshkevari's writings this book reveals the intellectual and political trajectory of a Muslim thinker and his attempts to reconcile Islam with reform and democracy As such it makes a highly original contribution to our understanding of the difficult social and political issues confronting the Islamic world today

An Intellectual Biography of Mohammad

Mojtahed Shabestari Katajun Amirpur, 2025-03-03 This monograph details the life and ideas of Mohammad Mojtaba Shabestari the leading representative of secular Islam among the Iranian clergy and a pioneer of the Post Islamist Movements in Iran Shabestari stands as the leading representative of secular Islam among the Iranian clergy advocating for a progressive interpretation of Islamic thought that aligns with modern secular values This biography delves into Shabestari's intellectual journey tracing his evolution from a traditional cleric to a pioneering figure in the Post Islamist Movements in Iran The book meticulously examines Shabestari's philosophical and theological contributions highlighting his efforts to reconcile faith with reason and democracy It provides an in depth analysis of his seminal works illustrating his critical stance on authoritarian interpretations of Islam and his advocacy for human rights and individual freedoms within an Islamic framework By shedding light on his unique perspectives and the socio political context in which he operates this biography offers readers a nuanced understanding of Shabestari's impact on contemporary Islamic thought and the broader movement towards secularism in Iran The book is an essential read for those interested in Middle Eastern studies Islamic theology and the ongoing discourse on the role of religion in modern society

The Hojjatiyeh Society in Iran R. Cohen, 2013-02-12 This book analyzes the evolution of the Hojjatiyeh movement in Iran a semi clandestine movement which emerged in the 1950s as an anti Baha'i movement went underground in the 1960s and re emerged openly after Iran's 1979 revolution with its members coming to occupy some of the highest echelon posts in Iranian politics

Domesticity and Consumer Culture in Iran Pamela Karimi, 2013-05-29 Examining Iran's recent history through the double lens of domesticity and consumer culture Domesticity and Consumer Culture in Iran demonstrates that a significant component of the modernization process in Iran advanced beyond political and public spheres On the cusp of Iran's entry into modernity the rules and tenets that had traditionally defined the Iranian home began to vanish and the influx of new household goods gradually led to the substantial physical expansion of the domestic milieu Subsequently architects designers and commercial advertisers shifted their attention from commercial and public architecture to the new home and its contents Domesticity and consumer culture also became topics of interest among politicians Shiite religious scholars and the Left who communicated their respective views via the popular media and numerous other means In the interim ordinary Iranian families who were capable of selectively appropriating aspects of their immediate surroundings demonstrated their resistance toward the officially sanctioned transformations Through analyzing a series of case studies that elucidate such phenomena and appraising a wide range of objects and archival documents from furnishings appliances architectural blueprints and maps to photographs films TV series novels artworks scrapbooks work logs personal letters and reports this book highlights the significance of private life in social economic and political contexts of modern Iran Tackling the subject of home from a variety of perspectives Domesticity and Consumer Culture in Iran thus shows the interplay between local aspirations foreign influences gender roles consumer culture and women's education as they intersect with taste fashion domestic architecture and interior design

Democracy

in Iran Ali Gheissari,2009-07-24 In this book Ali Gheissari and Vali Nasr look at the political history of Iran in the modern era and offer an in depth analysis of the prospects for democracy to flourish there After having produced the only successful Islamist challenge to the state a revolution and an Islamic Republic Iran is now poised to produce a genuine and indigenous democratic movement in the Muslim world Democracy in Iran is neither a sudden development nor a western import and Gheissari and Nasr seek to understand why democracy failed to grow roots and lost ground to an autocratic Iranian state

Eternal Iran P. Clawson,M. Rubin,2005-11-26 Exploring continuities and changes this book provides the historical backdrop crucial to understanding how Iranian pride and sense of victimization combine to make its politics contentious and potentially dangerous *The Modern Middle East, Third Edition* Mehran Kamrava,2013-10-05 From the fall of the Ottoman Empire through the Arab Spring this title offers a classic treatise on the making of the contemporary Middle East remains essential reading for students and general readers who want to gain a better understanding of this diverse region **Islam**

Jacques Waardenburg,2008-08-22 This book presents some twenty essays on different aspects of Islam in history and the present These essays are grouped into eight larger sections The first The Beginnings deals with the transition from pre Islamic understandings and reason an essential part of the Quranic message The next two sections deal with Islam specifically as a religion with its particular signs and symbols The question of rules of interpretation in Islam and its structural features is discussed here Sections four and five deal with ethics in Islam including Muslim identity and human rights and certain social functions of Islam Section six introduces some 19th and 20th century reform movements with special attention given to developments in Saudi Arabia and the puritan characteristics of present day Islamic revival movements The final two sections discuss contemporary issues Islamization processes and policies Islamic ideologies the ideologization of Islam and the political uses of religion Throughout the book the author shows the links between the religious and other interpretations and uses made of Islam and the contexts in which they are made The Introduction signals some important developments in Islamic studies since World War II **The Resurgence of Religion** David S.

Zeidan,2018-11-13 This book is a comparative study of basic themes in Christian and Islamic fundamentalist discourses analyzing and comparing texts from a wide variety of fundamentalist leaders and movements looking for family resemblances and significant differences in order to better understand the contemporary phenomenon of religious resurgence After placing fundamentalisms in a theoretical framework the study looks at selected themes important to fundamentalists noting resemblances and differences These themes include their anti secularist stance their theocentric worldviews their reliance on inerrant sacred scriptures and their attitudes to politics government state and democracy The study also looks at the fundamentalist view of the world as a perennial battlefield between the forces of good and those of evil in the realm of ideologies as well as politics and the legitimation of violence *The Making Of Iran's Islamic Revolution* Mohsen M Milani,2018-03-09 In this fully revised and expanded second edition Dr Milani offers new insights into the causes and

profound consequences of Iran's Islamic Revolution Drawing on dozens of personal interviews with the officials of the Islamic Republic and on recently released documents he presents a provocative analysis of the dynamics and characteristics of factional politics in Islamic Iran Among the new issues covered are the events leading up to the Teheran hostage crisis Ayatollah Khomeini's life and writings President Rafsanjani's activities against the Shah Rafsanjani's recent reforms Iran's involvement in the Kuwaiti crisis and the domestic and foreign policy challenges facing Iran in the post Cold War era The second edition is specifically revised for use as a text for courses dealing with Iran the Middle East and revolutionary movements

The Politics of State Intervention Shireen Burki, 2013-08-22 The Politics of State Intervention Gender Politics in Pakistan Afghanistan and Iran examines how three culturally and religiously interconnected neighboring states have sought to regulate the lives of their female populace in order to gauge how successful or unsuccessful these efforts have been at the grassroots level Utilizing a historical framework it explores the gender specific policies of these states to assess whether or not shared cultural religious and social characteristics translate into similar gender policies and outcomes across borders and if not why Through comparison it conclusively identifies social and political roadblocks that threaten both the long term prospects and security for all females as well as factors that tend to somewhat ameliorate detrimental tendencies

Iran Abbas Amanat, 2017-10-24 A masterfully researched and compelling history of Iran from 1501 to 2009 This history of modern Iran is not a survey in the conventional sense but an ambitious exploration of the story of a nation It offers a revealing look at how events people and institutions are shaped by currents that sometimes reach back hundreds of years The book covers the complex history of the diverse societies and economies of Iran against the background of dynastic changes revolutions civil wars foreign occupation and the rise of the Islamic Republic Abbas Amanat combines chronological and thematic approaches exploring events with lasting implications for modern Iran and the world Drawing on diverse historical scholarship and emphasizing the twentieth century he addresses debates about Iran's culture and politics Political history is the driving narrative force given impetus by Amanat's decades of research and study He layers the book with discussions of literature music and the arts ideology and religion economy and society and cultural identity and heritage
