L. Parrington, 2015-01-13 A slightly twisted version of the battle between good and evil that all comes together in the character of Alexander the discontented demon who finds his way to earth and joins up with an unlikely pair of angels When a disillusioned demon breaks the bonds of Hades and discovers the wonders of earth and its inhabitants he becomes mankind's only ally in the war between heaven and hell where the human soul is the ultimate prize Join author T L Parrington in this often humorous look at the darker sides of the human spirituality experience as witnessed by two humans each on their own path of enlightenment as they struggle with the realities of hell on earth in the form of an unusual new friend **Becoming Lightning, Becoming Bird** R.S. Robison, 2021-03-22 Becoming Lightning Becoming Bird concerns a journey of evolving consciousness in a particular woman at the midpoint of her life It answers the question of how a journey of evolution might appear through a woman's experiences beyond the ideas in R M Bucke's Cosmic Consciousness and Joseph Campbell's Hero with a Thousand Faces Imagine a woman in the middle of her life in the middle of Oklahoma shocked into the adventure of awakening by totally losing her way Her normal world as an interior designer and ever pleasing wife and mother is turned upside down as she is compelled to break all ties to find a new way of being From the violent storms and dark nights of Oklahoma from betrayal and loss of vision she travels southwest to care for an injured relative and her life changes along the way Symbol clashes upon symbol and everything becomes a metaphor for transcendence Trickster helpers masquerade now as mangy dog now as crow now as shaking old woman The temptation to go back to the way she was remains a constant enticement and new temptations forever arise She's faced again and again with the choice of regression or going beyond In every moment Just as we all are
