Rudyard Kipling's Verse Rudyard Kipling, 1977 *The Cambridge Companion to Rudyard Kipling* Howard J. Booth, 2011-09 An overview of Kipling's work his career and postcolonial views on his often controversial position on imperialism **Rudyard Kipling: Something of Myself and Other Autobiographical Writings** Rudyard Kipling, 1991-06-28 Rudyard Kipling's autobiography *Something of Myself* was the author's last work but it has not received the serious attention it deserves Thomas Pinney's edition of the work supplemented by other autobiographical pieces aims to change that Professor Pinney a leading textual editor currently engaged on Kipling's letters has consulted the available source material relating to *Something of Myself* He has constructed an outline of the book's composition described the history of its publication established a text and a set of variants and given a critical account of the book's design and its main themes His annotations to the work and to the supplementary pieces identify references and allusions and provide a biographical context against which Kipling's selections omissions and distortions may clearly be seen The extent to which Kipling's description of his life failed to match what actually happened is extraordinary Two of the additional items presented here Kipling's Indian diary of 1885 and the illustrations he made for his autobiographical story *Baa Baa Black Sheep* are previously unpublished Pinney shows how they and other forms of autobiographical writing reflect upon or complicate the narrative of *Something of Myself* This carefully prepared edition sheds new light on Kipling as a man and writer **The Ruling Passion** Christopher Lane, 1995 In *The Ruling Passion* Christopher Lane examines the relationship between masculinity homosexual desire and empire in British colonialist and imperialist fictions at the turn of the twentieth century Questioning the popular assumption that Britain's empire functioned with symbolic efficiency on sublimated desire this book presents a counterhistory of the empire's many layers of conflict and ambivalence Through attentive readings of sexual and political allegory in the work of Kipling Forster James Beerbohm Firbank and others and deft use of psychoanalytic theory *The Ruling Passion* interprets turbulent scenes of masculine identification and pleasure power and mastery intimacy and antagonism By foregrounding the shattering effects of male homosexuality and interracial desire and by insisting on the centrality of unconscious fantasy and the death drive *The Ruling Passion* examines the startling recurrence of colonial failure

in narratives of symbolic doubt and ontological crisis Lane argues compellingly that Britain can progress culturally and politically only when it has relinquished its residual fantasies of global mastery Selected Poems Rudyard

Kipling,2006-06-29 Rudyard Kipling 1865 1936 is often regarded as the unofficial Laureate of the British Empire Yet his writing reveals a ferociously independent figure at times violently opposed to the dominant political and literary tendencies of his age Arranged in chronological order this diverse selection of his poetry shows the development of Kipling s talent his deepening maturity and the growing sombreness of his poetic vision Ranging from early exhilarating celebrations of British expansion overseas including Mandalay and Gunga Din to the dignified and inspirational If and the later deeply moving Epitaphs of the War inspired by the death of Kipling s only son it clearly illustrates the scope and originality of his work It also offers a compelling insight into the Empire both at its peak and during its decline in the early years of the twentieth century 'Reshaping Shakespeare' and Later Literary Essays Cedric Watts,2017 Cedric Watts M A Ph D Emeritus
