**The Jungle Book** Rudyard Kipling, 1894 Stories of animals in British India including several with Mowgli the boy raised in the jungle by them Interspersed with poems *Selected Poems* Rudyard Kipling, 2006-06-29 Rudyard Kipling 1865-1936 is often regarded as the unofficial Laureate of the British Empire Yet his writing reveals a ferociously independent figure at times violently opposed to the dominant political and literary tendencies of his age Arranged in chronological order this diverse selection of his poetry shows the development of Kipling's talent his deepening maturity and the growing sombreness of his poetic vision Ranging from early exhilarating celebrations of British expansion overseas including *Mandalay* and *Gunga Din* to the dignified and inspirational *If* and the later deeply moving *Epitaphs of the War* inspired by the death of Kipling's only son it clearly illustrates the scope and originality of his work It also offers a compelling insight into the Empire both at its peak and during its decline in the early years of the twentieth century *Burma, Kipling and Western Music* Andrew Selth, 2016-11-03 For decades scholars have been trying to answer the question how was colonial Burma perceived in and by the Western world and how did people in countries like the United Kingdom and United States form their views This book explores how Western perceptions of Burma were influenced by the popular music of the day From the First Anglo-Burmese War of 1824-6 until Burma regained its independence in 1948 more than 180 musical works with Burma-related themes were written in English-speaking countries in addition to the many hymns composed in and about Burma by Christian missionaries Servicemen posted to Burma added to the lexicon with marches and ditties and after 1913 most movies about Burma had their own distinctive scores Taking Rudyard Kipling's 1890 ballad *Mandalay* as a critical turning point this book surveys all these works with emphasis on popular songs and show tunes also looking at classical works ballet scores hymns soldiers' songs sea shanties and film soundtracks It examines how they influenced Western perceptions of Burma and in turn reflected those views back to Western audiences The book sheds new light not only on the West's historical relationship with Burma and the colonial music scene but also Burma's place in the development of popular music and the rise of the global music industry In doing so it makes an original contribution to the fields of musicology and Asian Studies *The Imperial Experience* C.C. Eldridge, 1996-10-02 This book examines attitudes towards empire and the creation and perpetuation of a British world view during the years 1834-1924 Besides focusing on the usual Victorian and Edwardian novelists and poets surveys of popular culture and anti-empire views are also included By adopting a longer chronological context the high level of continuity in beliefs and actions throughout the nineteenth and twentieth centuries is highlighted As a result the period is

viewed as a dramatic episode in a much longer story      **The Man Who Would Be Kipling** A. Hagiiioannu,2003-11-04 This study places Kipling s fiction in its original cultural intellectual and historical contexts exploring the impact of India America South Africa and Edwardian England on his imperialist narratives Drawing on manuscripts journalism and unpublished writings Hagiiioannu uncovers the historical significance and hidden meanings of a broad range of Kipling s stories extending the discussion from the best known works to a number of less familiar tales Through a combination of close textual analysis and lively historical coverage The Man Who Would Be Kipling suggests that Kipling s political ideas and narrative modes are more subtly connected with lived experience and issues of cultural environment than critics have formerly recognized
