Beyond My Dreams Peter Marmureanu, 2014-11-25 When Peter Marmureanu started learning tennis in communist held Romania he was ten years old playing barefoot on clay courts swinging a wooden paddle that served as a racket Eight years later as a member of Romanias Davis Cup team Marmureanu was traveling side by side with Ilie Nastase and Ion Tiriac to the worlds capitals playing tournaments in Cairo Monte Carlo Paris London Moscow and scores of other cities In Beyond My Dreams Marmureanu recounts his life story and how he was forced to become a designated courier for the Securitate traveling with packets of top secret documents concealed in his racket cover for delivery to Romanian embassies In a last minute flight to freedom that sounds like an espionage thriller Marmureanu narrates how he made his escape But even in America where Donald Rumsfeld and President Gerald Ford helped secure his citizenship he lived for many years under FBI protection carrying a handgun for his own safety knowing the danger that loomed over Romanias defectors and what might happen if he ever went back And yet for the sake of his family Marmureanu risked a return witnessing firsthand the initial moments of insurrection preceding the fall of an evil regime In this memoir filled with intrigue courage and defiance Marmureanu tells how he escaped one of the most repressive regimes on earth the incredible but true adventure of one mans flight to freedom

**My Therapist's Dog** Diana Wells, 2004-01-06 Diana Wells s intriguing exploration into the rewards of relationships both the canine and human varieties begins when she reluctantly starts seeing a psychologist Beth during a difficult time in her life With no insurance to pay for counseling a barter is arranged in which the client becomes part time caretaker to the therapist s dog Luggs a sweet clumsy black Labrador retriever As Wells examines her past her peripatetic childhood her eccentric family her grief over the deaths of loved ones Luggs provides a bridge between therapist and patient Dog lover by nature historian by trade Wells finds herself curious about the connections that dogs and humans have shared for centuries and what these bonds tell us about our own psyches Wells observes that training a dog has much in common with the therapeutic techniques her psychologist employs Looking into recent experiments that have proved dogs better at interpreting human behavior than chimps or wolves Wells explores the subtleties of her own relationship with dogs Increasingly she finds herself agreeing with Diogenes the

original Greek cynic the word cynic comes from the greek kuon meaning dog who said that unless we think like dogs happiness will elude us Wells analyzes what we name our dogs how we breed them how we've explored the wilderness with them the kinds of literature we write about them why we love them and most important what we can learn from them When an unexpected illness befalls Beth Luggs comforts the two women and his devotion helps Wells come to accept that relationships despite the possibility of hurt and pain are what life is all about *Accounts and Papers of the House of Commons* Great Britain. Parliament. House of Commons, 1864 Hearts on Fire: Dogs, Love, and Calendar Heroes Joanna Slodownik, 2020-11-05 From the author of *A Taste of Love Eat Love* Vegan Recipes for Love and Life here's another heart warming funny and inspiring read for animal lovers Olivia is a lawyer and a vegan but quit her well paying job to work at an animal shelter Ryan is a hot firefighter and a hero who saves people and animals from fire Sparks fly from the moment they meet but after a recent breakup Olivia is not ready to trust men again When the shelter is in danger of closing down the plan is to create a calendar featuring the firefighters and the dogs to be sold at the next fundraiser Asking Ryan for help may be their last hope only can he be trusted With shocking rumors being spread about the shelter people turning their backs on them and firefighters joining the competing event will the fundraiser be a success Will Olivia and Ryan end up together or will Olivia's impossibly high standards keep them apart ever after My friends keep telling me that I need a relationship with a man because the whole world doesn't revolve around cats dogs pigs and rabbits But is it my fault that men are mostly liars and cheaters animals on the other hand never laugh at you behind your back or pretend they love you when in fact they're having sex with somebody else when you aren't watching Being bitter and wary may not be a solution but why should I lower my standards I've been down the dating love relationship path before and I'm not going there again certainly not with that smug firefighter hero no matter how many animals or humans he saves When the shelter catches on fire the local fire department is there to save the animals with Ryan saving the most dogs and cats and is all over the television networks acting like a hero As I'm watching Ryan Kowalski and his crew posing for pictures talking to reporters who treat them as if they're gods it bothers me is that it's just another piece of news that people will forget The thing about heroes is that they do this epic thing and leave but then it's up to everyone else to clean up the mess which in this case means taking care of the dogs and cats in the Kind Heart Animal Shelter and do our best to save their lives every day before it's too late and they're sent to animal heaven Only that's not newsworthy enough not dramatic enough There's no fire gushing in the background Just mouths to feed and poops to scoop No one will show us on prime time television doing that The truth is no one cares about the life and death of these animals and many of them will end up dead maybe even next week or month because there's not enough space and no money to keep them alive in the shelter Why don't people come and save them That way everybody can be a hero It's easy Adopt Foster Volunteer Meanwhile the question is if we can keep providing safe heaven for the animals in our care and find homes for them before it's too late and they're sent to kill shelters And will I be able to find a man I

can trust or will my impossibly high standards keep me from love ever after A novella for all animal lovers and vegans You will laugh and you will cry Buy the book today and watch out for more new releases from this author coming soon *The Dark of the Sun* Wilbur Smith,2018-01-01 An action packed thriller by global sensation Wilbur Smith A master storyteller Sunday Times Wilbur Smith is one of those benchmarks against whom others are compared The Times No one does adventure quite like Smith Daily Mirror The highest prize comes at the highest price Captain Bruce Curry has a simple enough mission to lead his mercenary soldiers to rescue a town cut off by rebel fighting in the Belgian Congo But events quickly take a turn for the worse as it becomes clear that the town s diamond supplies are the real focus of the mission And where there is treasure danger always seems to follow It isn t long before Curry finds something even more valuable than diamonds in the town Something he ll do anything to protect And soon he discovers that his most deadly enemies might be those closest to him **Over the Hookah** George Frank Lydston,1896 **It's Been one Hell of a Week** O.T
