End Time Signs Kurt B. Bakley,2012-07-27 Will Israel and the U S be destroyed or partially destroyed in 2012 2019 or 2026 2030 and beyond and Muslims Catholics and communism take over most of the world Were there strange things going around the sun the moon changing degrees and phases stars that aren t where there suppose to be and the magnetic poles changing mostly reported secretly in 2001 2011 Did NASA or scientists and astronomers brush the pictures of them away so not to scare people Did the Bible Code predict strange behavior of the moon in 2011 Will a great tidal wave hit the U S East Coast in 2012 2019 and Yellowstone Park super volcano erupt or a comet or asteroid hits the earth or Ocean in 2026 2030 and utterly destroy the entire United States if it still around after the war of 2012 2019 Will the Muslims communism and Catholics persecute Christians Americans and Jews all over the world bringing them before Kings and have them sent to prisons and torture and killed if they don t deny Christ and convert to Islam Will Muslims and people all over the world begin to mock and scoff at Christians and the Bible because Israel and the U S are destroyed and no Rapture or end or Second Coming of Christ happened Several of the Bible prophecies predict God will not make a full end of the U S Israel and the world at this time and pockets of people and nations may or may not survive God may save the U S Israel and the world if the people repent and turn from their sins and begin to humble themselves and heed the harbingers But if they don t then these events may start to happen This book was written by June 12 2012 **Liebert's Five Letter American Telegraphic Code** Benjamin Franklin Lieber,1915 **Lieber's Standard Telegraphic Code** Benjamin Franklin Lieber,1896 *When Time Finally Runs Out* Peter Bellone,2009 Time What is it Time is the measuring device that man uses to account for the passing of the seconds minutes hours days months and years of our lives As 2 Peter 3 8 says But beloved do not forget this one thing that with the Lord one day is as a thousand years and a thousand years as one day This ratio of 1 1000 shows us that God perceives time much more differently than we do However God is aware of what time means to us and therefore when Adam Eve and the serpent sinned in the Garden of Eden God gave Satan and man a six thousand year sentence joining man and Satan at the hip for all this time Upon accepting Satan as his god man became subject to Satan whose way of life is 180 degrees opposite from the true God s way of life All mankind is well aware that the six thousand years should be coming to a close shortly The problem however is that man lost track of time due to the ebb and flow of civilization and the many different ways that man has uses to count time Recognizing that the Bible is a true source of timeline information man attempts to look into the future by going back to the past To do so he counts the years from the creation of Adam then comes forward to the present time Doing this is using faulty logic that leads to a faulty conclusion The result Man still does not

know when this sentence will come to an end Thanks to God and His wisdom When Time Finally Runs Out believes that it reveals the day and hour when man first disobeyed God and when the punishment began Likewise it also reveals the year day and hour when the six thousand year punishment will be fulfilled In addition the birth and death of Jesus is covered quite extensively because these times help us come to the conclusion in this book While God has established a prohibition against us knowing the day and hour when Jesus the Christ will return there is no such prohibition in knowing when the time of our sentence ends The time remaining is short short enough that you will be amazed to learn when time finally runs out

Why I Believe Jesus Is Coming Back Soon Eric M Hill, Generation after generation since the Lord s ascension to heaven believed they could or would be the generation to see the Lord return Time proved them wrong What mistake did they make interpreting the signs of the end times And why does the author believe this generation is uniquely qualified to witness the glorious return of Christ Many modern watchmen have accurately noted the greatest uniquely fulfilled sign of this generation to be the return of the Jews to the land of Israel and its miraculous re establishment as a nation They ve also noted the unique fulfillment of the Jews gaining control of Jerusalem These two uniquely fulfilled prophecies are the greatest signs of the soon return of the Lord But they are not the only signs There are a host of other signs that are jumping up and down and waving their arms to be noticed Eric M Hill identifies and insightfully provides original insight into what he calls macro and micro prophetic trends and events These are small and large trends and events that either fulfill prophecy or help create the environment for it to be fulfilled His method of interpreting the signs of the times allows him to distinguish between what he calls prophetic and non prophetic trends and events After reading *Why I Believe Jesus Is Coming Back Soon* How I Interpret the Signs of the Times you will understand why Eric M Hill is convinced Jesus is coming back soon You will also be equipped to identify and understand prophetic trends and events that point to the second coming of our great God
