Here's what verified Amazon purchaser's have to say about Lisa London's flagship book *QuickBooks for Churches and Other Religious Organizations*. I have been a church treasurer for more than 8 years and purchased this book to help grow our church QB system to automate reports and information required by our diocese and to track some nuanced restricted/unrestricted gifts. I found it helpful as a reference for best practices that go beyond QuickBooks accounting AND as a how-to manual with straightforward step-by-step instructions to set up the chart of accounts, the item list and other specific QB tools. I'd recommend this as an office reference for churches of all sizes and accounting systems. Lois Wallenhost. We are transitioning from Quicken to QuickBooks and Lisa's book has been outstanding. Her book has been extremely helpful in assisting me in making the transition from Quicken to QuickBooks. As well as understanding the differences for a church trying to utilize a commerce-focused product. QuickBooks as a religious organization. I would highly recommend this book to anyone. James Underwood. This is a great resource to have by your side if you are setting up QB or already using QB's. It is very easy to understand and explained in detail.
