Lords Table Eucharist And Passover In Early Christianity:

The Lord's Table Gillian Feeley-Harnik, 2017-01-30 No detailed description available for The Lord's Table Crossing Boundaries in Early Judaism and Christianity Kimberley Stratton, Andrea Lieber, 2016-10-11 This volume celebrates the scholarship of Alan Segal. During his prolific career, Alan published ground-breaking studies that shifted scholarly conversations about Christianity, rabbinic Judaism, Hellenism, and Gnosticism. Like the subjects of his research, Alan crossed many boundaries. He understood that religions do not operate in academically defined silos but in complex societies populated by complicated human beings. Alan's work engaged with a variety of social scientific theories that illuminated ancient sources and enabled him to reveal new angles on familiar material. This interdisciplinary approach enabled Alan to propose often controversial theories about Jewish and Christian origins. A new generation of scholars has been nurtured on this approach, and the fields of early Judaism and Christianity emerge radically redefined as a result. Handbook of Early Christianity Anthony J. Blasi, Jean Duhaime, Paul-André Turcotte, 2002-08-27 The Christian movement emerged amidst complex social tensions, power politics, ethnic diversity, economic stress, and cultural changes. Both biblical scholars and social scientists find that a social scientific study of early Christian phenomena yields fascinating results. However, biblical scholars are sometimes unaware of the breadth of the useful social scientific concepts and techniques, and social scientists sometimes lack the most basic background in literary research methods. The *Handbook of Early Christianity* provides a much needed overview for biblical scholars and social scientists alike. Drawing on perspectives from anthropology, archaeology, economics, history, literary analysis, psychology, political science, and sociology, the *Handbook* shows the myriad and complementary approaches that shed light on Christianity's formation and early development. Twenty-seven chapters from leading scholars, along with a comprehensive bibliography, make this an essential reference for anyone wishing to understand the social dynamics of Christianity's birth. A Scriptural Theology of Eucharistic Blessings Susan I. Bubbers, 2013-09-12 This study examines the scriptural justification for believers to expect the Eucharist to be a place where God will come and bless them with freedom and formation. Bubbers' focus is not on liturgy but rather on the biblical message of the benefits of participation in the Eucharist. Why keep this Feast? Why is Eucharist important? Bubbers' interpretive approach is a synthesis of historical, literary, aspects of Biblical Theology, and canonical/creedal aspects of the Theological Reading of Scripture, taking into account the biblical/historical place of Eucharist as well as its ongoing presence within the Church. Bubbers begins by displaying the Last Supper as a Passover meal which bridges between Old Testament motifs and the New Testament Feast. She then shows that the Exodus context reveals a paradigm which links blessing with remembrance and suggests that the remembrance motif describes these blessings. Finally, Bubbers gathers a catalogue of specific blessings summarized by freedom and formation. Her conclusion is that the Feast is a divinely designed paradigm for worship which is accompanied by a promise of transformational encounters. **Voices of Early Christianity** Kevin W. Exclusion and Judgment in Fellowship Meals Jamir Lanuwabang, 2017-03-31 In *Exclusion and Judgment in Fellowship Meals* Lanuwabang Jamir seeks to demonstrate that the tradition of fellowship meals in the ancient world form the background against which the Lord's Supper must be understood Similarly the basis of Paul's response to the situation in Corinth and his theology of the Lord's Supper is to be found in these traditions The role of the fellowship meal in Greco-Roman and Jewish culture indicate that it was an important institution that played a pivotal role in the functioning of society

Judgment was an integral part of the fellowship meal traditions and it made such meal practices all the more significant in ancient cultures. For example, Jamir reveals that social economic factors were only part of the problem in Corinth where differences in ideology were the underlying cause of divisions in the church. Paul's response to the problem shows that he upheld the fellowship meal traditions linking sickness and death with the abuse of the Lord's Supper. The concept of judgment in the Lord's Supper while based on the fellowship meal traditions has been redefined in the light of the Gospel tradition.
