The Unheard Voice of God Lee Roy Martin, 2019-05-21 With the wealth of colorful characters described in the book of Judges scholars and general readers alike have a strong fascination for Israel's leaders in its earliest days Theologians and biblical scholars from Luther on have found it difficult to relate to these figures From a Pentecostal point of view in particular those characters can sometimes be an embarrassment as their personal lives appear to be in stark tension with the purity conscious holy life to be expected of those touched by the Spirit of God Apart from the moments of power where is God in the lives of these characters As the title suggests it is time to listen and learn from God's role and perspective in these stories who in faithfulness to his covenant acts with constant patience to save his flawed servants Through a fresh hearing of The Unheard Voice of God the positive message of the book of Judges can become more apparent and accessible Readers are shown a crucial part of the book's dynamics which they may have missed

Hijacked! Clarence Washington Sr., 2021-06-24 In this four volume series Hijacked How Dr King's Dream Became a Nightmare author Clarence Washington Sr dissects Dr Martin Luther King's dream and explores how our failure to adhere to its principles has allowed the dream to be hijacked and turned to a nightmare and it's time to wake up In the final volume of the Hijacked collection The Recovery the author specifies with brutal honesty a doable strategy that will bring America back from the edge of the precipice of destruction God gave Dr King a dream that contained a plan to fix what is wrong with America However nobody

has the desire to admit that the problem is that no one in America not even the church has been following the principles of Dr King's dream. The Recovery explores what the church must do to be an effective watchman for the nation and lead America in the recovery process while also thoroughly delineating the special function that the Black church must effectively perform in order for the recovery of America to be successful and Dr King's dream a reality. This final volume presents an exposition of some vital things that all Americans must do to recover from the nightmare and maintain Dr King's dream and America's status as an exceptional nation. For the full dissection of Dr King's dream and how our failure to adhere to its principles has led to a nightmare, explore the other volumes in *Hijacked: How Dr King's Dream Became a Nightmare*. Previous volumes in this series focus on the dream, the hijack itself, and the nightmare.

[The True Jesus](#) David Limbaugh, 2017-04-10 A New York Times Bestseller. Who do you say that I am? Uttered by Jesus Christ, this profound question has presented an age-old challenge to believers, skeptics, scholars, and rulers. In attempting to answer this question, *The True Jesus* goes straight to the unimpeachable source: the books of Matthew, Mark, Luke, and John. Only in the Gospels, says 1 New York Times bestselling author David Limbaugh, do we come face-to-face with the Son of God. Whose sublime teachings, miraculous actions, and divine essence leap off every page and into our hearts. In this book, Limbaugh combines the four Gospel stories into a unified account, though not he humbly admits a perfect harmony and guides readers on a faith journey through the Four Evangelists' testimonies of the life of Jesus Christ. Along the way, Limbaugh shares his insights on Jesus' words and deeds as well as His unique nature as fully human and fully divine. In *The True Jesus*, you will learn why even the apostles failed to completely understand Jesus' true identity and mission until after His crucifixion. The real basis for the rejection of Jesus' message by skeptics in His hometown and elsewhere. The historical events preceding Jesus' birth that providentially paved the way for Christianity. How Jesus' message utterly contradicted modern attempts to portray Him as being non-judgmental. Limbaugh's passion for the Gospels infuses the pages of *The True Jesus*, which is both a primer for new Bible readers and an outstanding guide to the Gospels for long-time believers. Who really is the true Jesus? Open this book and begin your odyssey toward the answer.

A Theology of Sleep Marc Webb, 2023-11-09 Marc Webb's new book speaks of a very precious commodity to us all: SLEEP. It is a gift of God. It is a blessing that reminds us how great God is and how human we are. But this book is also a gift in teaching an overview of the biblical story from the biblical text on sleep. I promise it won't put you to sleep. Bryant Wright, President of Send Relief. Dr. Marc Webb had me hooked with the title of his book. As a big fan of sleep, including the occasional nap, I couldn't wait to dive into what he discovered in Scripture about this gracious gift from God. I recommend Dr. Webb's book as he traces the God-given gift of sleep throughout the Old and New Testament. Todd Gray, Executive Director/Treasurer for The Kentucky Baptist Convention. Among books on the work-rest rhythm, Marc Webb's work studies the actual act of sleep in the Bible. His insights are both thoughtful and vulnerable concerning the causes and consequences of sleep, using sometimes unexpected biblical passages. This is an original and helpful resource in understanding such an important

part of our lives Taylor Field Send Relief Missionary and author of Upside Down Leadership *The Bible, Natural Theology and Natural Law: Conflict Or Compromise?* Robert A. Morey, 2010-05 Dr Robert Morey's study of natural law and natural theology raises important questions that every Bible believer will want answered His careful study and explanation of various Bible passages will yield a useful orientation to the classic arguments furnished us by the Reformers and their faithful heirs Dr Nelson Kloosterman The present volume presents a devastating critique of natural theology and natural law Its argument is solidly biblical and its accumulation of biblical data is overwhelming I hope that God prospers it so that many will read it and take heed Dr John Frame A W Tozer said the most important thing about any person is what comes into their mind when they think of the word God If you digest Dr Morey's book you will think of God as the glorious One depicted in Holy Scripture John G Reisinger I appreciate Dr Morey's emphasis on making the Bible alone the theoretical basis for science and the arts All throughout the book he consistently points to the Scriptures as the basis for sustaining everything else Dr Simon Kistemaker **Policy Document: Corruption Within Modern Christianity, Form #08.012** Sovereignty Education and Defense Ministry (SEDM), 2020-02-06 Issues that pastors either refuse to discuss or misrepresent to Congregations To Find and Enjoy the Love of Your Life Mark E.
