This collection of vividly illustrative sermons by a leading contemporary Episcopalian preacher eloquently heralds the Christian call to faith in the face of modern challenges Widely known for their up to the minute relevance to modern life the sermons of Fleming Rutledge are always out on the edge challenging the boundaries of contemporary thought and experience No issue is too threatening no event too shocking no question too impertinent to be addressed Following Karl Barth s dictum that sermons should be written with the Bible in one hand and the newspaper in the other Rutledge weaves the changing events of the daily news together with the unchanging rhythms of the church seasons Her book leads readers through the liturgical year from All Saints to Pentecost showing how the biblical story intersects with our own stories
