Men Mutuality:

Mutuality Dawn M. Nothwehr, 2005-07-25 By selecting as her focus mutuality Nothwehr brings to the fore an issue of perennial importance in Christian social ethics that of power As she shows feminist theology invites religious ethicists to reconceive normative questions of power from the vantage point of its dynamic mutual sharing a sharing that encompasses not only individual relations but society and the natural world She also demonstrates how attention to relations of mutuality sheds light on the spectrum of classical Christian theological and moral topics revealing dimensions of our traditions that standard assumptions about power as domination tend to obscure Christine Firer Hinze Associate Professor of Theology Marquette University This book allows mutuality to take its rightful place along with love and justice in Christian social ethics Written with great clarity with excellent scholarship and with the thinking of key historical figures in mind this book focuses on the thinking of four contemporary Christian feminists Beverly Wildung Harrison Carter Heyward Elizabeth Johnson and Rosemary Radford Ruether to show that mutuality is at the heart of ethics But it does more It shows that mutuality at the heart of the human at the heart of the divine and at the heart of the meeting between the two John J Shea visiting Associate Professor of Pastoral Care and Counseling Boston College Dawn Nothwehr employs a corrective category mutuality At first blush the term would seem too tender and nebulous to address the splits in our consciousness but this theologian brings well informed care to its definition It becomes in her hands a critical tool which can do healing surgery on many foundational categories of Catholic theology and indeed on much of modern thinking beyond the pale of Catholicism Mutuality calls attention to the essential interdependency of all that is in our cosmos Daniel C Maguire Professor of Theological Ethics Marquette University

Deleuze and Masculinity Anna Hickey-Moody, 2019-08-16 This book uses Deleuze's work to understand the politics of masculinity today. It analyses masculinity in terms of what it does, how it operates and what its affects are. Taking a pragmatic approach, Hickey-Moody shapes chapters around key Deleuzian concepts that have proved generative in masculinity studies and then presents case studies of popular subjects and offers overviews of disciplines that have applied Deleuze's work to the study of men's lives. This book shows how the concepts of affect and assemblage have contributed to and transformed the work undertaken by the foundational concept of performativity in gender studies. Examining the work of Deleuze and Guattari on the psychoanalytic boy as exemplified by their writing on Little Hans, Hickey-Moody reconsiders the politics of their approach to psychoanalytic models of young masculinity. In this context, the author examines contemporary lived performances of young masculinity drawing on her own fieldwork. The field of disability and masculinity studies has taken up the work of Deleuze and Guattari in a nearly unprecedented fashion. Accordingly, the book also explores the gendered nature of disability and canvases some of the substantive scholarly contributions that have been made to this interdisciplinary space before introducing case studies of the work of North American photographer Michael Stokes and the popular Hollywood film *Me Before You*. The book provocatively concludes by challenging scholars to take up Deleuze's thought to re-shape gendered economies of knowledge and matter that support and contribute to systems of patriarchal domination mediated through environmental exploitation.

The Equal-Regard Family and Its Friendly Critics John Witte, M. Christian Green, Amy Wheeler, 2007-10-17 This volume is both a celebration and an evaluation of the work on sex marriage and family life by Don S. This book is a true interdisciplinary effort with insights from psychology, history, law, theology, biology, ethics, feminist theology, childhood studies and education theory. *The Equal Regard Family and Its Friendly Critics* includes seven honorary forewords, ten original essays and a concluding essay by Don Browning himself. Contributors: Herbert Anderson, Carol Browning, Don S. Browning, Lisa Sowle Cahill, M. Christian Green, Timothy P. Jackson, Martin E. Marty, Rebekah Miles, Bonnie J. You Didn't Care Santosh Jha, 2016-01-01 Most men want their women bare. However, when women decide to unclothe their consciousnesses off suffocating fabric of procrastination, men run away. A young woman abandoned by her lover bares it all for her ex to see through. Because she still loves him, men need to be in apt audience as a woman resonates her bosom baritone. A neurotic woman's monologue men need to engage with.

Return of the Furies Hollida Wakefield, Ralph C. Underwager, 1994 Recovered memory therapy, which has become a rapidly growing industry in the past ten years, is based on the controversial

theory that adults often suffer emotional problems because of forgotten childhood traumas People who experience everyday difficulties like anxiety of overeating are now often told by therapists that the root of their trouble is a repressed memory of abuse in childhood The cure is to bring back the memory a process that usually takes many months and then publicly humiliate the alleged perpetrators of the abuse most often the victim s parents But are the supposed memories recovered in therapy genuine Or are they concocted by therapists and clients in the course of therapy Attempts to find independent corroboration of recovered memories have drawn a blank Contrary to folklore there is not a shred of scientific evidence for the notion that a memory can be repressed and there is plenty of evidence that false memories can be created Mutual Underwriter ,1913 **Chicago Independent** ,1893
