Mendoza Montonera:

Facundo y la montonera Rodolfo Ortega Peña, Eduardo Luis Duhalde, 1999 **Obras de D.F. Sarmiento:**
Civilización y barbarie. 1914 Domingo Faustino Sarmiento, 1914 El país de Cuyo Nicanor Larrain, 1906 **Obras de D. F. Sarmiento...: Civilización y barbarie. 1896** Domingo Faustino Sarmiento, 1917 **Facundo, ó civilización y barbarie en las Pampas argentinas ... Cuarta edición en castellano** Domingo Faustino SARMIENTO (President of the Argentine Republic.), 1874 *El Chacho* Domingo Faustino Sarmiento, 2010-08-31 Sarmiento comienza a escribir *El Chacho* mientras reside en Estados Unidos como representante del gobierno argentino y lo hace con el propósito de incluirlo en el mismo volumen de la 3ª edición del *Facundo* que aparecerá en Nueva York durante el último tramo de su campaña presidencial. Este es un texto provocativo y desafiante y cabe preguntarse qué le llevó a Sarmiento publicar en 1868 la historia de Vicente Pealoza, un general de la Nación asesinado cinco años antes, vencido, prisionero y desarmado, mientras el coronel Sarmiento combatía a la montonera desde el gobierno de San Juan. Vicente Pealoza más conocido como el Chacho, Pealoza se rindió al comandante Ricardo Vera en Loma Blanca, paraje aledaño al pueblo de Olta, entregándole su propia última arma que le quedaba. Una hora más tarde llegó Irrazabal y de forma vengativa lo asesinó con su lanza y a continuación hizo que sus soldados lo acribillaran a balazos. Al Chacho le cortaron la cabeza y la clavaron en la punta de un poste en la plaza de Olta en presencia de su familia. Una de sus orejas presidió por mucho las reuniones de la clase civilizada de San Juan. A Victoria Romero, su esposa, la obligaron a barrer la plaza mayor de la ciudad de San Juan atada con cadenas. Al conocer la noticia, Sarmiento escribió al presidente Mitre: «No sé qué pensar de la ejecución del Chacho, yo inspirado en los hombres pacíficos y honrados he aplaudido la medida precisamente por su forma sin cortarle la cabeza al inveterado pícaro; las chusmas no se habrán aquietado en seis meses». La Voluntad 3. La patria socialista (1973 - 1974) Martín Caparrós Rosenberg, Eduardo Alfredo Anguita, 2021-12-01 Entre la vida y la muerte, un retrato profundo del día a día de los jóvenes revolucionarios de los 70 y un momento excepcional de la historia argentina. *La Voluntad* es un intento de reconstrucción histórica de la militancia política en la Argentina en los años sesenta y setenta. Y también la tentativa de ofrecer un panorama general de la cultura y la vida en esos años. *La Voluntad* es la historia de una cantidad de personas muy distintas entre sí que decidieron arriesgar todo lo que tenían para construir una sociedad que consideraban más justa. Elegimos las historias que la componen para que ofrecieran un cuadro de las corrientes y los espacios sociales de la época. La elección siempre se puede discutir; por otro lado, no todos los que contactamos quisieron dar su testimonio. Pero creemos que la veintena de relatos que se cruzan en su trama muestran cómo eran la vida cotidiana, los intereses, odios, convicciones, objetivos, miedos y satisfacciones de los que eligieron ese camino. Los autores: Una historia de la militancia revolucionaria en la Argentina 1973-1974. El breve período que va de la asunción presidencial de Hector J. C. Morpón el 25 de mayo de 1973 a la muerte de Juan Domingo Perón su mentor y sucesor el 1 de julio del año siguiente marcan el apogeo y ocaso de un sueño. La pesadilla ya se había anunciado en Ezeiza cuando un

sector del justicialismo emboscó y tiroteó a la izquierda del movimiento que también recibió a su líder después del largo exilio. En esos pocos meses el vertigo de los acontecimientos cambia el signo ideológico de la época y erosiona a la patria socialista. La velocidad de esos días decisivos acelerados por el triunfo aplastante de la fórmula Perón Perón en las urnas y el asesinato de Ignacio Rucci por parte de Montoneros poco después tiene en Martín Caparrós y Eduardo Anguita a sus mejores cronistas. La crítica ha dicho: Es una obra indispensable. Buena parte de la narrativa de ficción sobre los setenta tiene en La Voluntad una cantera muy importante. Guillermo Saccomanno hay que entender el entusiasmo de esos años leyendo al pie de la letra los testimonios. Beatriz Sarlo. Punto de Vista. La edición definitiva de La Voluntad de Eduardo Anguita y Martín Caparrós pone en perspectiva lo que significa su publicación: hace quince años cuando por primera vez apareció una historia de la militancia revolucionaria en la Argentina sin eufemismos, una apuesta a combatir la desmemoria desde la escritura. Mora Cordeu. Tlam. Más allá del enorme valor que tuvo en su momento y que por supuesto mantiene, La Voluntad permite comparar el impacto de una misma historia desde dos contextos. Nadie que haya leído este libro en su primera edición y lo relea hoy lo verá con los mismos ojos. Es otro el mirador de la historia. Revista La Voluntad tiene el indudable mérito de haber puesto en primer plano el pasado militante de los detenidos desaparecidos que hasta el momento se habían visto aprisionados en su papel de víctimas. María Virginia Castro.

Facundo; ¿, civilizaci?n i barbarie en las pampas argentinas Domingo Faustino Sarmiento,

La Voluntad 4. La patria peronista (1974 - 1976) Martín Caparrós, Eduardo Alfredo Anguita, 2021-12-01. Entre la vida y la muerte, un retrato profundo del día a día de los jóvenes revolucionarios de los 70 y un momento excepcional de la historia argentina. La Voluntad es un intento de reconstrucción histórica de la militancia política en la Argentina en los años sesenta y setenta. Y también la tentativa de ofrecer un panorama general de la cultura y la vida en esos años. La Voluntad es la historia de una cantidad de personas muy distintas entre sí que decidieron arriesgar todo lo que tenían para construir una sociedad que consideraban más justa. Elegimos las historias que la componen para que ofrecieran un cuadro de las corrientes y los espacios sociales de la época. La elección siempre se puede discutir; por otro lado, no todos los que contactamos quisieron dar su testimonio. Pero creemos que la veintena de relatos que se cruzan en su trama muestran cómo eran la vida cotidiana, los intereses, odios, convicciones, objetivos, miedos y satisfacciones de los que eligieron ese camino. Los autores. Una historia de la militancia revolucionaria en la Argentina 1974-1976. Como se llega al golpe del 24 de marzo de 1976, la herida que marcará para siempre un antes y un después en la historia del país. Para entenderlo, Martín Caparrós y Eduardo Anguita siguen el día a día de un grupo de militantes populares desde la muerte de Juan Domingo Perón hasta el derrocamiento de su viuda Isabel Martínez. Entonces, el poder había quedado en manos de Leopoldo Rega, que despliega sus mortíferos escuadrones de la AAA. Las torturas, los secuestros y los asesinatos provocan el exilio de artistas, intelectuales y militantes, y anuncian la maquinaria de la desaparición del Terrorismo de Estado. La violencia se impone en todos los aspectos de la vida pública y la tragedia va alcanzando de un modo u otro a los protagonistas. La crítica ha dicho: Es una obra

indispensable Buena parte de la narrativa de ficción sobre los setentas tiene en La Voluntad una cantera muy importante Guillermo Saccomanno Hay que entender el entusiasmo de esos años leyendo al pie de la letra los testimonios Beatriz Sarlo Punto de Vista La edición definitiva de La Voluntad de Eduardo Anguita y Martín Caparrós pone en perspectiva lo que significa su publicación hace quince años cuando por primera vez apareció una historia de la militancia revolucionaria en la Argentina sin eufemismos una apuesta a combatir la desmemoria desde la escritura Mora Cordeu Talamás al del enorme valor que tuvo en su momento y que por supuesto mantiene La Voluntad permite comparar el impacto de una misma historia desde dos contextos Nadie que haya leído este libro en su primera edición y lo relea hoy lo verá con los mismos ojos Es otro el mirador de la historia Revista La Voluntad tiene el indudable mérito de haber puesto en primer plano el pasado militante de los detenidos desaparecidos que hasta el momento se habían visto aprisionados en su papel de víctimas María Virginia Castro

Facundo Domingo Faustino Sarmiento, 1868 Recollections of a Provincial Past Domingo Faustino Sarmiento, 2005 Domingo Faustino Sarmiento 1811-1888 was Argentina's leading writer, educator and politician of the nineteenth century and served as President from 1868 to 1874 Of his several autobiographies the best known Recollections of a Provincial Past is one of the indisputable classics of Spanish American literature as well as one of the earliest autobiographies written in the Americas in Spanish Written in exile in 1850 the memoirs describe his childhood and adolescence in an Andean province whose customs were still those of a colony Sarmiento presents his life as the triumph of civilization over barbarism looking back on his youth he measures his wealth and strength by the accumulation of enriching personal and political experiences He compares himself to the newly independent Argentina claiming to be a historically representative individual whose trajectory serves to illuminate contemporary South America Política seguida con el aborígen: 1820-1852. 3 v., 1973

Contested Nation Pilar M. Herr, 2019-12-01 Throughout the colonial period the Spanish crown made numerous unsuccessful attempts to conquer Araucanía Chile's southern borderlands region *Contested Nation* argues that with Chilean independence Araucanía because of its status as a separate nation state became essential to the territorial integrity of the new Chilean Republic This book studies how Araucanía's indigenous inhabitants the Mapuche played a central role in the new Chilean state's pursuit of an expansionist policy that simultaneously exalted indigenous bravery while relegating the Mapuche to second class citizenship It also examines other subaltern groups particularly bandits who challenged the nation state's monopoly on force and were thus regarded as criminals and enemies unfit for citizenship in Chilean society Pilar M. Herr's work advances our understanding of early state formation in Chile by viewing this process through the lens of Chilean Mapuche relations She provides a thorough historical context and suggests that Araucanía was central to the process of post independence nation building and territorial expansion in Chile **Noticias de los montoneros** Gabriela

Esquivada, 2012-01-01 Más que la historia de un diario una interpretación rigurosa y emotiva de la época y de la generación de los 70 *Noticias* fue mucho más que el diario de los Montoneros Esta experiencia nica en el periodismo argentino debut a fines

de 1973 y durante los nueve tumultuosos meses del último gobierno de Juan Domingo Perón su muerte el nacimiento de la Triple A la intensificación de la guerrilla y la crisis política que desembocó en el golpe de Estado de 1976. Se imaginó y por momentos logró ser un medio a la vez sofisticado y popular. La Opinión en traje de Crónica. En su redacción sobraron los nombres ilustres: Horacio Verbitsky, Miguel Bonasso, Francisco Urondo, Juan Gelman o el ya por entonces mítico Rodolfo Walsh. También j venes promesas que se realizarían en diferentes direcciones: Carlos Ulanovsky, Roberto Guareschi, Martín Caparrós, Sylvia Walger o Alicia Barrios. Fue el mejor equipo posible en el que parecía ser el mejor momento de la historia argentina. Fue también un espejismo: las contradicciones no tardaron en llegar a la redacción del diario; las presiones rápidamente habrían de diluir los rastros del periodismo y el análisis; la espada se impondría cómodamente sobre la pluma y la palabra. Noticias de los Montoneros reconstruye la época de un modo extraordinario, yendo de lo general a lo particular desde ese verdadero cajón de sastre llamado peronismo hasta el último cadete del diario de los Montoneros a la Triple A de los ecos de Walsh y Urondo al presente del diputado Bonasso y el economista Firmenich. Bajo el bordado de esta historia se extiende fácilmente la trama completa de la década de 1970 y sus consecuencias hasta el nuevo siglo.

Trabajos y comunicaciones Universidad Nacional de La Plata. Departamento de Historia, 1965

Los Montoneros del centro Javier Salcedo, 2024-05-24. Los Montoneros del Centro analiza el discurso y la acción de un grupo de militantes que formó parte de la organización guerrillera más numerosa de la Argentina. Es un estudio de caso centrado en la militancia estratégica y de conducción de Montoneros en términos tácticos y estratégicos. Desde el momento en que sus integrantes iniciales decidieron emprender la lucha armada entre finales de 1965 y principios de 1966 en pos de la construcción nacional del socialismo, atentos a las tesis de John William Cooke. En línea con Los Montoneros del Barrio, Javier Salcedo asume que no es posible estudiar a esa Organización como un todo, sino que para historiarla es necesario segmentarla con la misma lógica que tuvo esta experiencia política militar. Este trabajo polemiza con mucho de lo escrito en términos como el secuestro de Aramburu, los posibles cambios de objetivos o la radicalización en su metodología a la lucha armada para revolucionar a la Argentina y sobre el lugar de Perón para esta militancia. Javier Salcedo es docente e investigador en la Universidad Nacional de Tres de Febrero. Allí dirige un grupo de investigación sobre organizaciones armadas y movimientos sociales. Ha dado además seminarios como profesor invitado en la Universidad Nacional de Misiones, la Universidad Nacional de Luján y la Universidad del Rosario en Bogotá, Colombia. Publicó artículos en revistas académicas en Argentina, Suramérica y Europa. Este es su tercer libro y el segundo sobre Montoneros.

Índice

Introducción

Capítulo 1. El marco necesario para la Revolución Argentina

Capítulo 2. La identidad imprescindible: El Peronismo de John William Cooke

Capítulo 3. Del Dilematológico marxista a los Camilos, 1965-1967

Capítulo 4. En el camino a Montoneros, 1966-1969
