Nothing Fancy Recipes And Recollections Of Soul Satisfying Food:

Nothing Fancy Diana Kennedy, 1984 *Nothing Fancy* Diana Kennedy, 2016-04-19 International favorite dishes and personal stories from a celebrated food writer and foremost authority on traditional Mexican cooking Diana Kennedy is the world's preeminent authority on authentic Mexican cooking and one of its best known food writers. Renowned for her uncompromising insistence on using the correct local ingredients and preparation techniques she has taught generations of cooks how to prepare traditional dishes from the villages of Mexico and in doing so has documented and helped preserve the country's amazingly diverse and rich foodways. Kennedy's own meals for guests are often Mexican but she also indulges herself and close friends with the nostalgic foods in *Nothing Fancy*. This acclaimed cookbook now expanded with new and revised recipes, additional commentary, photos, and reminiscences reveals Kennedy's passion for simpler soul-satisfying food from the favorite dishes of her British childhood, including a technique for making clotted cream that actually works, to rare recipes from Ukraine, Norway, France, and other outposts. In her inimitable style, Kennedy discusses her addictions, everything from good butter, cream, and lard to cold-smoked salmon, Seville orange marmalade, black truffle shavings, escamoles, and eggs, and proper croissants, as well as her bêtes noires: kosher salt, nonfat dairy products, cassia, cinnamon, botoxed turkeys, and nonstick pans and baking sprays, among them. And look out for the ire she unleashes on cookbookese, genetically modified foods, plastic, and unecological kitchen practices. The culminating work of an illustrious career, *Nothing Fancy* is an irreplaceable opportunity to spend time in the kitchen with Diana Kennedy, listening to the stories she has collected and making the food she has loved over a long lifetime of cooking. Diana's recipe for her most personal cookbook includes equal parts passion, creativity, and humor, with a soup on of provocation. I love the way she's so blunt in her comments about food and the food world. Her bêtes noires in this book it's exactly the way we cooks talk to each other in private, and it rarely gets into our books. Paula Wolfert, author of *The Food of Morocco*. *Nothing Fancy* gives us access to the razor-sharp wit and wisdom of one of the great intuitive cooks of our time. Zak Pelaccio, chef and owner of Fish Game, Hudson, New York, and author of *Eat With Your Hands*. Diana Kennedy is the most serious food writer in Mexico, but what many people won't know until they read this book is that she's an extraordinary cook of all sorts of cuisines. Cooking casually with her at home is to know her keen palate and deep understanding of how food works. It's also great fun. Gabriela C. mara, chef and owner of Contramar, Mexico City, and Cala, San Francisco. **Icons of American Cooking** Elizabeth S. Demers Ph.D., Victor W. Geraci, 2011-03-08 Discover how these contemporary food icons changed the way Americans eat through the fascinating biographical profiles in this book. Before 1946 and the advent of the first television cooking show, James Beard's *I Love to Eat*, not many Americans were familiar with the finer aspects of French cuisine. Today, food in the United States has experienced multiple revolutions, having received and embraced influences from not only Europe but cultures ranging from the Far East to Latin America. This expansion of America's appreciation for food is largely the result of a number of well-known food
