Presence Through The Word A Scriptural Approach To The Mystery Of Grace:

Beyond the Ordinary Ben Campbell Johnson, Andrew Dreitzer, 2001 Over the Past few decades mainline Protestant congregations have not easily embraced the notion of spirituality As much as any aspect of church life spirituality has been misunderstood misused and resisted by both clergy and laity Yet times are changing Today many people feel a deep spiritual hunger and are out looking for fulfillment in a wide variety of settings In this new context mainline congregations need to awaken to the presence of the Spirit in their midst and equip leaders to nurture both the personal and corporate spirituality of their congregations Beyond the Ordinary is explicitly written to help church leaders who have had no formal training in spiritual formation Drawing from years of experience teaching Christian spirituality Ben Campbell Johnson and Andrew Dreitzer explore the spiritual dimensions of leadership looking in depth at the meaning of spirituality as it relates to the tasks of ministry This friendly inspiring book will enable readers to erase the negative stereotypes of spirituality and develop vital models and practices for the church today The book introduces a faithful understanding and practice of the spiritual life to those who have not yet dipped into the well that is Christian spirituality For those who have already tasted this water and still thirst it offers a way to dip even more deeply Chapters discuss the issues surrounding a meaningful spirituality for our changing times the importance of holding prayer and mission in tension and the crucial role of Scripture in the formation of our lives The authors also underscore the importance of vision myth and discernment in the spiritual life of the church And they discuss the power of spiritual practices like discernment and visioning for enhancing the spirituality of congregations and helping them become agents of social transformation Intended for personal and group use by pastors elders other church leaders and those preparing for service in the church the book includes questions for reflection and discussion as well as journaling exercises to encourage learning and growth

Reading the Word of God in the Presence of God Vern S. Poythress, 2016-03-16 Biblical interpretation is typically viewed as concerned with understanding the human author's intended meaning However for Christians the Bible is first and foremost God's Word and must be understood in that light Helping Christians approach the Bible with God in mind this book sets forth a more nuanced approach to biblical interpretation that pays attention to both the human and divine origins of these sacred texts Whether it's reviewing the three basic steps of interpretation or emphasizing the importance of paying attention to the Christ-centered character of both the Old and New Testaments this book is a much needed resource for the church as it wrestles to defend the authority of Scripture in our increasingly relativistic world

The Unnecessary Pastor Marva J. Dawn, Eugene H. Peterson, 1999-11-17 Best selling authors Marva Dawn and Eugene Peterson offer encouragement to pastors Pastors are strategically placed to counter the culture No other profession looks so inoffensive but is in fact so dangerous to the status quo Their weapon A gospel that is profoundly countercultural But standing firm in today's world isn't easy Powerful forces both subtle and obvious attempt to domesticate pastors to make them in a word unnecessary In this book two of today's most respected

authors help pastors recover their gospel identity and maintain a pure vision of Christian leadership Marva Dawn and Eugene Peterson reconnect pastors with the biblical texts that will train them as countercultural servants of the gospel Marva Dawn looks to Paul's letter to the Ephesians for instruction for churches seeking to live faithfully in today's world In turn Eugene Peterson explores Romans 1 and 2 Timothy and Titus drawing from them the correct view of pastoral identity

Embodied Words, Spoken Signs Rhodora E. Beaton, 2014 The twentieth century witnessed a renewed interest in a Roman Catholic theology of the word. The beginning of this renewal is marked by the work of Karl Rahner who before the Second Vatican Council decried the fact that Roman Catholicism in contrast to the Protestant theological tradition lacked an adequate theology of the word. Rahner's contributions as well as those of sacramental theologian Louis Marie Chauvet demonstrate the Roman Catholic conviction that the word is fundamentally sacramental: it has the capacity to bear God's presence to humanity. Rooted in patristic and medieval sacramental tradition and engaged in dialogue with Reformation theologies, Rhodora Beaton examines the further advances in Rahner and Chauvet to articulate the relationship between word and sacrament within the context of language, culture, and an already graced world as the place of divine self-expression as well as analyzes the implications for Trinitarian theology, sacramentality, liturgy, and action The Ecumenical Review, 1987 Holy Presence, Holy Preaching Maria Teresa Montes Lara OP, Vincent J. Pastro, 2023-08-31 Almost 500 years ago a Mexica survivor of the conquista was on his way to catechism lessons just outside present-day Mexico City. He experienced a holy presence on the hill of Tepeyac that changed the hermeneutic of the dignity of the poor forever. This book is about Our Lady of Guadalupe under her popular title Santa Maria Tonantzin Guadalupe. It centers on her indigenous and feminine identity as the Preaching Woman. She and the people she animates, the Hispanic Latino community, are icons of the presence of the Holy Trinity. As Sacrament of the Holy Spirit and bearer of the Sacramental Word, she enables the pueblo, the people of God, to exercise their baptismal ministry as holy preachers *Scriptural Communion with God*, 1845 What We Have Seen and Heard Michael E. Connors, 2017-05-11 One of the chief challenges of the Second Vatican Council was to reclaim the meaning of baptism especially as the foundation of service and mission in the world. Fifty years after the close of that watershed gathering, nineteen distinguished religious leaders and scholars reexamine that challenge and its implications for preaching and ministry today. This book reinvigorates an important conversation **Seeking the Asian Face of Jesus** Chris Sugden, 1997 Tracts for the Times John Henry Newman, John Keble, William Palmer, 1840 **Tracts for the Times** cardinal John Henry Newman, 1840 *Tracts for the Times by Members University of Oxford*, 1840 **Tract XC. on Certain Passages in the XXXIX Articles** Saint John Henry Newman, 1875
