newspaper he and Brit Hadden conceived the idea of Time a news magazine that would condense the week's events in a format accessible to increasingly busy members of the middle class They launched it in 1923 and young Luce quickly became a publishing titan In 1936 after Time's unexpected success and Hadden's early death Luce published the first issue of Life to which millions soon subscribed Brinkley shows how Luce reinvented the magazine industry in just a decade The appeal of Life seemingly cut across the lines of race class and gender Luce himself wielded influence hitherto unknown among journalists By the early 1940s he had come to see his magazines as vehicles to advocate for America's involvement in the escalating international crisis in the process popularizing the phrase World War II In spite of Luce's great success happiness eluded him His second marriage to the glamorous playwright politician and diplomat Clare Boothe was a shambles Luce spent his later years in isolation consumed at times with conspiracy theories and peculiar vendettas The Publisher tells a great American story of spectacular achievement yet it never loses sight of the public and private costs at which that achievement came *The Woman Who Knew Everyone* Meryl Gordon, 2025-01-07 A TOWN COUNTRY MUST READ BOOK OF 2025 AN AMAZON BEST BOOK OF THE MONTH BIOGRAPHIES MEMOIR A deeply researched biography of the socialite political hostess activist and United States envoy to Luxembourg Perle Mesta from New York Times bestselling author Meryl Gordon Perle Mesta was a force to be reckoned with In her heyday this wealthy globe trotting Washington widow was one of the most famous women in America garnering as much media attention as Eleanor Roosevelt Renowned for her world class parties featuring politicians and celebrities she was very close to three presidents Harry Truman Dwight Eisenhower and Lyndon Johnson Truman named her as the first female envoy to Luxembourg which inspired the hit musical based on Perle's life Call Me Madam which starred Ethel Merman ran on Broadway for two years and later became a movie A pioneering supporter of the Equal Rights Amendment she was a prodigious Democratic fundraiser and rescued Harry Truman's financially flailing 1948 campaign In this intensely researched biography author Meryl Gordon chronicles Perle's lavish life and society adventures in Newport Manhattan and Washington while highlighting her important but nearly forgotten contribution to American politics and the feminist movement *Truth and Consequences* Laurie Sandell, 2024-09-24 In December 2008 the world watched as master financier Bernard L Madoff was taken away from his posh Manhattan apartment in handcuffs accused of swindling thousands of innocent victims including friends and family out of billions of dollars in the world's largest Ponzi scheme Madoff went to jail he will spend the rest of his life there But what happened to his devoted wife and sons The people closest to him the public reasoned must have known the truth behind his astounding success Had they been tricked too With unprecedented access to the surviving family members wife Ruth son Andrew and his fiancée Catherine Hooper journalist Laurie Sandell reveals the personal details behind the headlines How did Andrew and Mark the sons who'd spent their lives believing in and building their own families around their father's business first learn of the massive deception How does a wife who adored her husband since they were teenagers begin to understand the

New York Times Book Review

The Ambassador Susan Ronald,2021-08-03 Acclaimed biographer Susan Ronald reveals the truth about Joseph P Kennedy s deeply controversial tenure as Ambassador to Great Britain on the eve of World War II On February 18 1938 Joseph P Kennedy was sworn in as US Ambassador to the Court of St James To say his appointment to the most prestigious and strategic diplomatic post in the world shocked the Establishment was an understatement known for his profound Irish roots and staunch Catholicism not to mention his plain spoken opinions and womanizing he was a curious choice as Europe hurtled toward war Initially welcomed by the British in less than two short years Kennedy was loathed by

the White House the State Department and the British Government Believing firmly that Fascism was the inevitable wave of the future he consistently misrepresented official US foreign policy internationally as well as direct instructions from FDR himself The Americans were the first to disown him and the British and the Nazis used Kennedy to their own ends Through meticulous research and many newly available sources Ronald confirms in impressive detail what has long been believed by many that Kennedy was a Fascist sympathizer and an anti Semite whose only loyalty was to his family s advancement She also reveals the ambitions of the Kennedy dynasty during this period abroad as they sought to enter the world of high society London and establish themselves as America s first family Thorough and utterly readable The Ambassador explores a darker side of the Kennedy patriarch in an account sure to generate attention and controversy **Encyclopedia of Feminist**
