*Regional Problems and Policies in Italy and France* Kevin Allen, Malcolm Cameron MacLennan, 1970      **Regional Problems and Policies in Italy and France** Kevin Allen, M. C. MacLennan, 2024-11-01 First published in 1970 *Regional Problems and Policies in Italy and France* examines the problem of regional imbalance in two important countries of Western Europe and emphasizes that policies aimed at promoting regional development must form an integral part of national economic policies The book is divided into three parts Part I Regional Problems and Policies in Italy part II Regional Problems and Policies in France and part III Regional Policy Three Issues Part I and II analyze how regional policy in France and Italy has moved away from the public assistance type of intervention into new broader approaches which require reorganization of traditional procedures change in economic structures introduction of new products and methods of production movement of workers between areas and occupations and shifts in geographical distribution of population and employment Part III explores regional planning and growth centres or growth areas in the light of French and Italian experiences It further analyses the regional effects of the EEC and gives a brief account of how British regional problems and policies would be affected by the membership of Community This volume is an essential reading for students of Western European governmental policy and the European Economic Community      Routledge Revivals: Regional Development in Western Europe (1975) Hugh Clout, 2017-11-22 First published in 1975 this book provides a straightforward examination of regional differences and regional development in the countries of Western Europe Professor Clout divides this into two parts The first examines a series of themes with reference to the whole of Western Europe and the second part discusses regional development in individual countries or groups of countries Contributions by experts from the UK and from mainland Europe present an essentially geographic approach combining thematic and country by country discussions      **Statistics and the Public Sphere** Tom Crook, Glen O'Hara, 2012-03-15 *Statistics and the Public Sphere* is the first scholarly volume to address directly the place and function of numbers in modern British political culture from roughly 1800 through to the present

**The Politics of Regional Policy in Japan** Richard J. Samuels, 2014-07-14 This is the first major study of politics and public administration in Japan to balance the prevailing view of the regional policy process from above with a view from below Developing a comparative framework for understanding the place of localities in policy making he demonstrates that relations among localities in Japan are much more important than previously supposed Originally published in 1983 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905      Routledge Library Editions: Urban Planning Various, 2021-06-23 The volumes in this set

originally published between 1970 and 1998 draw together research by leading academics in the area of urban planning and provide a rigorous examination of related key issues The volumes examine teaching urban markets planning transport planning poverty politics forecasting techniques and an examination of the inner city in Europe and the US whilst also exploring the general principles and practices of planning This set will be of particular interest to students of sociology geography planning and urbanization respectively

**Paris and the Provinces** Peter Gourevitch, 2023-02-14 First published in 1980 Paris and the Provinces explores why reforms of central local relations in France have been so ineffectual Professor Gourevitch discovers the cause in party politics and personal rivalries The struggle for dominance among different parties Gaullists Communists Socialists Christian Democrats Independents and others and individuals De Gaulle Giscard Chirac Mitterand Marchais etc has influenced virtually every aspect of institutional reform from the creation of the regional administration and delineation of its powers to the delegation of specific responsibilities to cities and towns Conflict over the mechanisms that link local life to the national government is by no means limited to France This book closely examines comparable events in Italy and analyses the factors that differentiate the strength of ethnically based challenges to central authority in Britain Spain Belgium Yugoslavia and Canada from the relative weakness of such challenges in France Italy and Germany By evaluating the territorial distribution between the capital and the countryside as both an influence on and an object of policy Paris and the Provinces contributes significantly to understanding the connections between party politics and policy formation and will be of interest to students of political science government and public policy
