Revelations Of St Bridget:

The Prophecies and Revelations of Saint Bridget of Sweden Saint Bridget of Sweden, 2012 Bridget of Sweden 1303 to 1373 also Birgitta of Vadstena Saint Birgitta was a mystic and saint and founder of the Bridgettines after the death of her husband of twenty years She was also the mother of Catherine of Vadstena As a child she had already believed herself to have visions these became more frequent and her records of these Celestial revelations which were translated into Latin by Matthias canon of Linköping and by her confessor Peter prior of Alvastra obtained a great vogue during the Middle Ages Her visions of the Nativity of Jesus had a great influence on depictions of the Nativity of Jesus in art Shortly before her death she described a vision which included the infant Jesus as lying on the ground and emitting light himself and describes the Virgin as blond haired many depictions followed this and reduced other light sources in the scene to emphasize this effect and the Nativity remained very commonly treated with chiaroscuro through to the Baroque Other details often seen such as a single candle attached to the wall and the presence of God the Father above also come from Bridget's vision This edition contains all that is known today of the visions and prophecies of Saint Bridget and most of her prayers Revelations of St. Bridget St. Bridget of Sweden, 1993-11 Revelations of St. Bridget [on the Life and Passion of Our Lord, and the Life of His Blessed Mother]. Saint Bridget (of Sweden), 1957 **The Revelations of Saint Bridget of Sweden** Bridget of Sweden, 2018-07-22 This book consists of The Revelations of Saint Bridget of Sweden Book 11 The Sermon of the Angel on Salvation History from Adam and Eve to Christ including much on the Blessed Virgin Mary Book 12 Four Prayers which were divinely revealed to Saint Bridget plus The 15 Magnificent Prayers of Saint Bridget to Our Suffering Lord Jesus Christ The reader will find in it a fruitful source of prayer and meditation as have so many people throughout the centuries since they were first revealed to the holy mystic and visionary See also The Revelations of St Bridget and Church Reform and the edited Revelations of Saint Bridget of Sweden Books 1-5 St Bridget or Birgitta of Sweden was born in June 1303 in the castle of Finsta near Uppsala in Sweden her father Birger Persson was the governor of the region of Uppland her mother Ingeborga was also of noble lineage Bridget married very early had several children and then in 1341 Bridget and her husband decided to celebrate their Silver Anniversary by going on a pilgrimage to Santiago of Compostella This event marks a decisive turning point in the life of the two spouses who for some time were already living their matrimony in chastity During the return trip Ulf her husband decided to embrace the religious life and was received into the Cistercian Abbey of Alvastra where he died only a few years later Bridget having completed her mission as wife and mother decided to transfer herself to an outbuilding to the monastery at Alvastra where she remained for almost three years until 1346 It was the beginning of the most extraordinary phase of her life after a period of austerity and of meditation on the Divine Mysteries of the Passion of the Lord and the Sorrows and Glories of the Virgin she began to have visions of Christ Who in one of these visions elects her Messenger of the Great Lord To her spiritual directors such as Fr Matthias Bridget dictated her famous Revelations sublime intuitions and supernatural

illuminations which she had all her life and were then collected in eight volumes Afterwards she went to Rome and here under the dictation of an Angel wrote The Hymn of the Angel or Angelic Sermon It deals with twenty one Letters to be read every day of the week during the morning Masses in honor of the Blessed Virgin Mary Saint Bridget during one Eucharistic celebration has a revelation of the Angels in Eucharistic Adoration After the priest had pronounced the divine words over the bread it seemed to me that that same bread took on three figures although it remained in the hands of the priest That Bread became a living Lamb in the Lamb was seen the face of a man and on the inside and on the outside of the Lamb and of that face there was an ardent flame As I was watching the face with attention without averting my eyes in it I saw the Lamb And looking at the Lamb I also saw that same face in the Lamb A Crowned Virgin was sitting with the Lamb and all the Angels were attending to her the Lamb emanated a marvelous splendor Also the multitude of holy souls was so numerous that my eyes could not contain it all not in length not in width not in depth Book 8 54 Later on the Saint is a witness to a conversation between Jesus and the Virgin about the creation of the world and of all things visible and invisible Among these the Angels who at the moment of their creation in complete liberty were given the choice either to accept God and His love or to refuse Him
