Ruby Red:

Ruby Red Kerstin Gier, 2011-05-10 Gwyneth Shepherd's sophisticated beautiful cousin Charlotte has been prepared her entire life for traveling through time. But unexpectedly it is Gwyneth who in the middle of class takes a sudden spin to a different era. Gwyneth must now unearth the mystery of why her mother would lie about her birth date to ward off suspicion about her ability. Brush up on her history and work with Gideon the time traveler from a similarly gifted family that passes the gene through its male line and whose presence becomes in time less insufferable and more essential. Together Gwyneth and Gideon journey through time to discover who in the 18th century and in contemporary London they can trust. Kerstin Gier's Ruby Red is a young adult novel full of fantasy and romance. The American Shorthorn Herd Book , 1857 *Blood Oranges* Timothy P. Bowman, 2016-05-20 Blood Oranges traces the origins and legacy of racial differences between Anglo Americans and ethnic Mexicans Mexican nationals and Mexican Americans in the South Texas borderlands in the twentieth century Author Tim Bowman uncovers a complex web of historical circumstances that caused ethnic Mexicans in the region to rank among the poorest least educated and unhealthiest demographic in the country The key to this development Bowman finds was a modern colonization movement a process that had its roots in the Mexican American war of the nineteenth century but reached its culmination in the twentieth century South Texas in Bowman s words became an internal economy just inside of the US Mexico border Beginning in the twentieth century Anglo Americans consciously transformed the region from that of a culturally Mexican space with an economy based on cattle into one dominated by commercial agriculture focused on citrus and winter vegetables As Anglos gained political and economic control in the region they also consolidated their power along racial lines with laws and customs not unlike the Jim Crow system of southern segregation Bowman argues that the Mexican labor class was thus transformed into a marginalized racial caste the legacy of which remained in place even as large scale agribusiness cemented its hold on the regional economy later in the century Blood Oranges stands to be a major contribution to the history of South Texas and borderland studies alike
