**Two Riders Were**

**Approaching: The Life & Death of Jimi Hendrix** Mick Wall, 2019-11-14 Jimmy was a down at heel guitarist in New York relying on his latest lovers to support him while he tried to emulate his hero Bob Dylan A black guy playing white rock music he wanted to be all things to all people But when Jimmy arrived in England and became Jimi the cream of swinging London fell under his spell It wasn't that Jimi could play with his teeth play with his guitar behind his back It was that he could really play Journeying through the purple haze of idealism and paranoia of the sixties Jimi Hendrix was the man who made Eric Clapton consider quitting to whom Bob Dylan deferred on his own song All Along the Watchtower who forced Miles Davis to reconsider his buttoned down ways and whose Star Spangled Banner defined Woodstock And when his star which had burned so brightly was extinguished far too young his legend lived on in the music and the intrigue surrounding his death Eschewing the traditional rock biography format Two Riders Were Approaching is a fittingly psychedelic and kaleidoscopic exploration of the life and death of Jimi Hendrix and a journey into the dark heart of the sixties While the groupies lined up the drugs got increasingly heavy and the dream of the sixties burned in the fire and blood of the Vietnam War the assassination of Martin Luther King and the election of President Richard Nixon Acclaimed writer Mick Wall author of When Giants Walked the Earth has drawn upon his own interviews and extensive research to produce an inimitable novelistic telling of this tale the definitive portrait of the Guitar God at whose altar other guitar gods worship Jimi Hendrix's is a story that has been told many times before but never quite like this [This Ain't the Summer of Love](#) Steve Waksman, 2009-02-04 This lively and entertaining revisionist history of rock music after 1970 reconsiders the roles of two genres heavy metal and punk Instead of considering metal and punk as aesthetically opposed to each other Steve Waksman breaks new ground by showing that a profound connection exists between them Metal and punk enjoyed a charged intimate relationship that informed both genres in terms of sound image and discourse This Ain't the Summer of Love traces this connection back to the early 1970s when metal first asserted its identity and punk arose independently as an ideal about what rock should be and could become and upends established interpretations of metal and punk and their place in rock history **Lemmy** Mick Wall, 2016-04-14 Unflinching forthright and full of wry humour as the man himself and there's little praise greater than that CLASSIC ROCK Wall's vision of Lemmy as a Rock n Roll stalwart who made no concessions is vivid to the last GUARDIAN In The Ace of Spades Mothead's most famous song Lemmy the born to lose live to win frontman of the band sang I don't want to live forever Yet as he told his friend of 35 years former PR and biographer Mick Wall Actually I want to go the day before forever To avoid the rush This is his strange but true story Brutally frank painfully funny wincingly sad and always beautifully told LEMMY THE DEFINITIVE BIOGRAPHY is the story of the only rock n roller never to sell his soul for silver and gold while keeping the devil as he put it very close to my side From school days growing up in North Wales to first finding fame in the mid 60s with the Rockin Vicars from being Jimi Hendrix's personal roadie I would score acid for him to leading Hawkwind to the top of the charts in 1972 with Silver Machine I was fired for taking the wrong drugs from forming Mothead I wanted to

call the band Bastard but my manager wouldn't let me whose iconoclastic album NO SLEEP TIL HAMMERSMITH entered the UK charts at No 1 Based on Mick's original interviews with Lemmy conducted over numerous years along with the insights of those who knew him best former band mates friends managers fellow artists and record business insiders this is an unputdownable story of one of Britain's greatest characters As Lemmy once said of Wall Mick Wall is one of the few rock writers in the world who can actually write and seems to know anything about rock music I can and do talk to him for hours poor bastard With the hard part of his journey now over Lemmy is set to become a legend LEMMY THE DEFINITIVE BIOGRAPHY explains exactly how that came to be

**Foo Fighters** Mick Wall, 2024-06-04 There's a reason why Dave Grohl is known however naively as the nicest man in rock A reason why millions have bought his Foo Fighters albums and DVDs his concert and festival tickets A reason why generations have bought into his story his dream his self-fulfilling prophecies Dave may not have the savant glamour of Nirvana's Kurt Cobain but whereas Kurt dwelled in darkness Dave was a lover not a loner a bringer of light Foo Fighters Learning to Fly is his story and therefore the true story of the Foo Fighters like it's never been told before From Grohl's days as the new kid in Nirvana to becoming the Grunge Ringo of the Foo Fighters to where he is now one of the biggest most popular male rock stars in the world Internationally acclaimed rock writer Mick Wall tells us how and why none of this happened by accident in a style that pulses with rock's own rhythms With testimony from true insiders including former band mates like Nirvana bass player Krist Novoselic producers record company executives and those closest to Grohl and the Foos this is the first full explosive no holds barred biography of the band and their otherwise critically bulletproof leader

**Heavy Metal Music in Britain** Gerd Bayer, 2016-04-22 Heavy metal has developed from a British fringe genre of rock music in the late 1960s to a global mass market consumer good in the early twenty-first century Early proponents of the musical style such as Black Sabbath Deep Purple Judas Priest Saxon Uriah Heep and Iron Maiden were mostly seeking to reach a young male audience Songs were often filled with violent sexist and nationalistic themes but were also speaking to the growing sense of deterioration in social and professional life At the same time however heavy metal was seriously indebted to the legacies of blues and classical music as well as to larger literary and cultural themes The genre also produced mythological concept albums and rewritings of classical poems In other words heavy metal tried from the beginning to locate itself in a liminal space between pedestrian mass culture and a rather elitist adherence to complexity and musical craftsmanship speaking from a subaltern position against the hegemonic discourse This collection of essays provides a comprehensive and multi-disciplinary look at British heavy metal from its beginning through The New Wave of British Heavy Metal up to the increasing internationalization and widespread acceptance in the late 1980s The individual chapter authors approach British heavy metal from a textual perspective providing critical analyses of the politics and ideology behind the lyrics images and performances Rather than focus on individual bands or songs the essays collected here argue with the larger system of heavy metal music in mind providing comprehensive analyses that relate directly to the larger

context of British life and culture The wide range of approaches should provide readers from various disciplines with new and original ideas about the study of this phenomenon of popular culture     Getcha Rocks Off Mick Wall,2015-06-18 Packed with war stories from a golden age of rock and insights into the stars that made that music CLASSIC ROCK MAGAZINE On reading Getcha Rocks Off you realise just how drastically things have changed in the rock industry but books like this perfectly evoke what they were like Good times RECORD COLLECTOR Hanging out with rock stars trying to steal their chicks or throwing up over their guitars after launching into the hospitality a little too enthusiastically Mick Wall spent much of the 1980s sprawled in limos and five star hotels with the biggest rock bands in the world including Led Zeppelin Guns N Roses Metallica Black Sabbath M tley Cr e Thin Lizzy Deep Purple Alice Cooper Van Halen Mot rhead and more He was Kerrang magazine s star writer and the presenter of Monsters of Rock his own weekly show on Sky TV and the decade passed in a blur of hard drugs hot women and some of the heaviest people your mother definitely would not like Depicting a world where vague concepts like the future are disdained in favour of nights that last a week and weeks that last forever Getcha Rocks Off is a rock apocalypse Cider With Roadies and a more frank and disturbing Apathy for the Devil It is the kind of book you need to put on your leather jacket to read open that bottle of Jack and reach for the Charlie And let the good times roll     *The Cambridge Companion to Metal Music* Jan-Peter Herbst,2023-09-14 Exploring the musical styles and cultures of metal this Companion is an indispensable introduction to this popular and distinctive genre     Lou Reed Mick Wall,2013-12-09 This sincere speed written blood spattered tribute strings together the raciest anecdotes and does it rather well SUNDAY TIMES Mick Wall has written in a rough and unsentimental style that suits his subject THE TIMES Lou Reed died in 2013 This is the critically acclaimed biography of the songwriter Velvet Underground member and musician Rock n roll was Lou Reed s life From recording one of the most critically acclaimed albums of all time with THE VELVET UNDERGROUND NICO 1967 to heavy drug abuse and performing in front of the Pope Lou Reed s story is one of great peaks and deep lows Forever dedicated to his art he became one of modern music s most legendary and seismic figures Although a controversial outspoken and undoubtedly misunderstood musician Lou Reed s influence on popular culture cannot be overstated He brought avant garde to the mainstream with the Velvet Underground and his solo work was pronounced a revelation Hit albums such as TRANSFORMER SALLY CAN T DANCE and BERLIN have cemented his name in the rock pantheon A testament to his strength of character and true spirit he was a creative and performer until the end playing benefit gigs featuring on new releases and most poignantly declaring that he was looking forward to being on stage performing and writing more songs to connect with your hearts and spirits and the universe well into the future A true icon of rock n roll his legacy will live on in this book     Black Sabbath Mick Wall,2015-04-14 Decades before reality television was invented Ozzy Osbourne was subversive and dark Ozzy was the singer in the heavy metal band Black Sabbath and they meant business In an era when rock bands were measured by how heavy they were no one was weightier than Black Sabbath

All four founding members of the original Black Sabbath grew up within half a mile of each other in a tiny Birmingham suburb. Though all shared a deep love of music, The Beatles for Ozzy, the Mothers of Invention for Geezer, the Shadows and Chet Atkins for Iommi, and Gene Krupa for Ward, they formed their group as the quickest way out of the slums. This is the story of how they made that dream come true and how it then turned into a nightmare for all of them. At the height of their fame, Sabbath discovered they'd been so badly ripped off by their managers they didn't even own their own songs. They looked for salvation from Don Arden, an even more notorious gangster figure who resurrected their career but still left them indebted to him financially and personally. It finally came to a head when in 1979 they sacked Ozzy. For being too out of control even for us, as Bill Ward put it. The next fifteen years were a war between the post-Ozzy Sabbath and Ozzy himself, whose solo career overshadowed Sabbath so much that a reunion was entirely on his terms. Or rather those of his wife and manager. To add a further bitter twist, for Sabbath daughter of Don Arden, Sharon Osbourne. *Screaming for Pleasure* S.A. Bradley, 2018-11-26.
